"Readers who choose the book for the attraction of Navajo code talking and the heat of battle will come away with more than they ever expected to find."—Booklist, starred review Throughout World War II, in the conflict fought against Japan, Navajo code talkers were a crucial part of the U.S. effort, sending messages back and forth in an unbreakable code that used their native language. They braved some of the heaviest fighting of the war, and with their code, they saved countless American lives. Yet their story remained classified for more than twenty years. But now Joseph Bruchac brings their stories to life for young adults through the riveting fictional tale of Ned Begay, a sixteen-year-old Navajo boy who becomes a code talker. His grueling journey is eye-opening and inspiring. This deeply affecting novel honors all of those young men, like Ned, who dared to serve, and it honors the culture and language of the Navajo Indians. An ALA Best Book for Young Adults "Nonsensational and accurate, Bruchac's tale is quietly inspiring..."—School Library Journal Through My Eyes HarperCollins

The author of this volume, Modeste Tchaikovsky, was, along with his twin Anatoly, the youngest of Tchaikovsky's siblings. He devoted his life to the arts, translating and writing plays, as well as librettos, several of them for his brother's operas and many for other composers. As Tchaikovsky's closest friend and confidant,

Modeste became his first biographer and founded the Tchaikovsky Museum at the composer's country house in Klin. Modeste's biography of Tchaikovsky is considered the earliest comprehensive volume on the composer, even though portions of it were edited over the years by translators, as well as Russian and later Soviet censors. It nonetheless includes many of Tchaikovsky's letters and journal entries and offers a thorough insight into both the public and the private man.

New York Times bestseller More than 100,000 copies in print Completed just two days before Louis Zamperini's death at age ninety-seven, *Don't Give Up, Don't Give In* shares a lifetime of wisdom, insight, and humor from "one of the most incredible American lives of the past century" (People). Zamperini's story has touched millions through Laura Hillenbrand's biography *Unbroken* and its blockbuster movie adaptation directed by Angelina Jolie. Now, in his own words, Zamperini reveals with warmth and great charm the essential values and lessons that sustained him throughout his remarkable journey. He was a youthful troublemaker from California who turned his life around to become a 1936 Olympian. Putting aside his track career, he volunteered for the army before Pearl Harbor and was thrust into World War II as a B-24 bombardier. While on a rescue mission, his plane went down in the middle of the Pacific Ocean, where he survived against all odds, drifting two thousand miles in a small raft for forty-seven days. His struggle was only beginning: Zamperini was captured by the Japanese, and for more than two years he courageously endured torture and psychological abuse in a series of prisoner-of-war camps. He returned home to face more dark hours, but in 1949 Zamperini's life was transformed by a spiritual rebirth that would guide him through the next sixty-five years of his long and happy life. Louis Zamperini's *Don't Give Up, Don't Give In* is an extraordinary last testament that captures the wisdom of a life lived to the fullest.

The untold and inspiring story of Eric Liddell, hero of *Chariots of Fire*, from his Olympic medal to his missionary work in China to his last, brave years in a Japanese work camp during WWII Many people will remember Eric Liddell as the Olympic gold medalist from the Academy Award winning film *Chariots of Fire*. Famously, Liddell would not run on Sunday because of his strict observance of the Christian sabbath, and so he did not compete in his signature event, the 100 meters, at the 1924 Paris Olympics. He was the greatest sprinter in the world at the time, and his choice not to run was ridiculed by the British Olympic committee, his fellow athletes, and most of the world press. Yet Liddell triumphed in a new event, winning the 400 meters in Paris. Liddell ran--and lived--for the glory of his God. After winning gold, he dedicated himself to missionary work. He travelled to China to work in a local school and as a missionary. He married and had children there. By the time he could see war on the horizon, Liddell put Florence, his pregnant wife, and children on a boat to

Canada, while he stayed behind, his conscience compelling him to stay among the Chinese. He and thousands of other westerners were eventually interned at a Japanese work camp. Once imprisoned, Liddell did what he was born to do, practice his faith and his sport. He became the moral center of an unbearable world. He was the hardest worker in the camp, he counseled many of the other prisoners, he gave up his own meager portion of meals many days, and he organized games for the children there. He even raced again. For his ailing, malnourished body, it was all too much. Liddell died of a brain tumor just before the end of the war. His passing was mourned around the world, and his story still inspires. In the spirit of *The Boys in the Boat* and *Unbroken*, *For the Glory* is both a compelling narrative of athletic heroism and a gripping story of faith in the darkest circumstances.

The Boys in the Boat (Young Readers Adaptation) Simon and Schuster

In this captivating and lavishly illustrated young adult edition of her award-winning #1 New York Times bestseller, Laura Hillenbrand tells the story of a former Olympian's courage, cunning, and fortitude following his plane crash in enemy territory. This adaptation of *Unbroken* introduces a new generation to one of history's most thrilling survival epics. On a May afternoon in 1943, an American military plane crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary sagas of the Second World War. The lieutenant's name was Louis Zamperini. As a boy, he had been a clever delinquent, breaking into houses, brawling, and stealing. As a teenager, he had channeled his defiance into running, discovering a supreme talent that carried him to the Berlin Olympics. But when war came, the athlete became an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a sinking raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would respond to desperation with ingenuity, suffering with hope

and humor, brutality with rebellion. His fate, whether triumph or tragedy, would hang on the fraying wire of his will. Featuring more than one hundred photographs plus an exclusive interview with Zamperini, this breathtaking odyssey—also captured on film by director Angelina Jolie—is a testament to the strength of the human spirit and the ability to endure against the unlikeliest of odds.
