Ta heuriskomena panta

W. W. Norton & Company
A study of Hartmann von
Aue's 'Gregorius'.
Opera Exegetica in
Exodum et Novum

Testamentum, Volume 1
de Vita Moysis Penguin
“Both a riveting novel on
its own merits and an
astonishing gloss on an

earlier masterpiece.”—Margaret Atwood Bengt Ohlsson, one of Sweden’s most successful young writers, has responded to the classic Doctor Glas with *Gregorius*, which is the voice of Pastor Gregorius over the course of what could be his last and fateful summer. *Gregorius* is a rancorous, malodorous, and unattractive figure married to a girl young enough to be his granddaughter. But his sense of his own mortality, of his personal

inadequacy, and his tenuous hold on happiness are uniquely absorbing and haunting. It is a compelling study of loneliness, longing, and the nature of love, the desires that bring people together and the fears that keep them apart. *Gregorius* Gregorii Nysseni Opera Poems. *Gregoriou metropolithou Korinthou peri dialektou* Nabu Press The first translation into English of *Life of the Fathers*, a collection of twenty lives of saints

which lives present a cross-section of the Gallic Church and are a counterpart to the secular society described in Gregory's *History of the Franks*. *Gregorius* Oxford University Press Facing what could be his last summer, a rancorous and unattractive pastor evaluates his marriage to a woman young enough to be his granddaughter and his own growing feelings of personal inadequacy. *De ordinis sacramento theses theologicae in*

*academia Ingolstadiense
ad publicam
disputationem propositae.

Here is an award-winning, new translation that brings to light Gregory's complex identity as an early mystic. Gregory (c. 332-395) was one of the Greek Cappadocian Fathers, along with St. Basil the Great and St. Gregory Nazianzen. + [Kata eunomianon prodialexis](#) W. W. Norton & Company
Known as 'the

Theologian', St Gregory of Nazianzus is, with St Basil and St Gregory of Nyssa, one of the celebrated Cappadocian Fathers of the fourth century Christian Church. Highly educated in both Christian theology and classical Greek literature, he found himself torn between a solitary, contemplative life and the reluctantly accepted, though in actuality relished, public figure of bishop - vigorous in the defence of orthodoxy against the attacks of the Arians. He was even, briefly, bishop

of Constantinople and chairman of the council in 381 which produced what we know as the Nicene Creed. This, the first modern edition of his poems, brings together his theological acumen in a formative period and shows his ability to operate in the genre of didactic verse going back to the eighth century BC. The poems cover a range of topics, from the strictly theological to others dealing more broadly with the creation of the world, providence, the world of spiritual beings, and the

human soul. They give a unique new insight into both the theological ideas of the period and the uneasy emergence of Christian culture from the pagan past.

Gregorius V, 996-999

BRILL

This colorful narrative of French history in the sixth century is a dramatic and detailed portrait of a period of political and religious turmoil. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world.

With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Life of the Fathers

Liverpool University Press
The first translation into

English of one of Gregory's eight books of miracle stories, which contains a series of anecdotes about the lives of confessors.

**Apologetica
expostulatio pro S. P.
Q. Mamertino. [With a

The story of the apocryphal pope and saint Gregorius was extremely popular throughout the middle ages and later in Europe and beyond. This book traces the story from its English or French

origins through its many variations from Iceland to Egypt and from the twelfth to the twenty-first century.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and

despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Gregorius, the Good Sinner Oxford University Press

" Panicker's book about the Christology of the Bar Ebraya, a work he completed while living in

Rome, provides a comprehensive overview of the great Middle Age theologians of the Syrian renaissance with a view to considering key Christological questions. Panicker, who is now a lecturer at the Orthodox seminar in Kottayam, has specific ecumenical aims in mind when he discusses the themes of his book. Hence, Panicker is able to make significant contributions to modern ecumenism. "
Opera omnia Paulist Press
This reprint of the critical edition of Gregory of

Nyssa's collected works contains his *De Vita Moysis*, "About the Life of Moses" (first printed in 1964). Gregory of Nyssa, the famous Church Father and writer from the 4th century A.D., has had much influence on the thinking of his time with his philosophical and theological ideas, especially on the mystical tradition of the Eastern

Churches. Again in the *De Vita Moysis* he shows his spiritual and intellectual sharpness. In two books we can find his characteristic way of thinking about life and death when he describes the mystical ascent of the soul in connection with Moses. Besides the complete text there is also an elaborate critical apparatus with many different readings of the

same text.
