Children of Tempest Barron's Educational Series
With magical animals, science, mystery, and adventure -- the brand new series Zoey and Sassafras has something for everyone! Easy-to-read language and illustrations on nearly every page make this series perfect for a wide range of ages. In the fourth book, an unexpected snow storm causes trouble for the magical creatures of the forest. When Zoey and Sassafras attempt to rescue trapped caterfly eggs, they make a mistake.

Can they figure out a way to fix things before the baby caterflies hatch?

A Wrinkle in Time Speedy Publishing LLC

INSTANT NEW YORK TIMES BESTSELLER “One of the most important books I’ve ever read—an indispensable guide to thinking clearly about the world.” - Bill Gates “Hans Rosling tells the story of ‘the secret silent miracle of human progress’ as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly.” —Melinda Gates “Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we

work off facts rather than our inherent biases." - Former U.S. President Barack Obama

Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world’s population live in poverty; why the world’s population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In *Factfulness*, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don’t know what we don’t know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn’t mean there aren’t real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, *Factfulness* is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- “This book is my last battle in my life-long mission to fight devastating ignorance...Previously I

armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn’t enough. But I hope this book will be.” Hans Rosling, February 2017.

Bad Luck and Trouble Simon and Schuster

From the Newbery Award-winning author of *Across Five Aprils* and *Up a Road Slowly* comes a tale of a brave young man’s struggle to find his own strength during the Great Depression. “A powerfully moving story.”—Chicago Daily News In 1932, American’s dreams were simple: a job, food to eat, a place to sleep, and shoes without holes. But for millions of people these simple needs were nothing more than dreams. At fifteen years of age, Josh has to make his own way through a country of angry and frightened people. This is the story of a young man’s struggle to find a life for himself in the most turbulent of times.

The EVERYTHING KIDS' MONEY BOOK BearManor Media

Anthony has two dollars and three quarters and one dime and seven nickels and eighteen pennies. Nicholas has one dollar and two quarters and five dimes and five nickels and thirteen pennies. Alexander has...bus tokens. And even when he's rich, pretty soon all he has is bus tokens. He was rich. Last Sunday. Grandma Betty and Grandpa Louie came and gave Anthony and Nicholas and Alexander each a dollar. Alexander was saving his. Maybe for a walkie-talkie. And then there was bubble gum, some bets with Anthony and Nicholas (that Alexander lost), a snake rental, a garage sale, and all kinds of other things to spend money on. And now all he has is bus tokens. When he used to be rich last Sunday.

The Dollar Kids Charlesbridge Publishing

NEWBERY MEDAL WINNER • TIME MAGAZINE'S 100 BEST FANTASY BOOKS OF ALL TIME • NOW A MAJOR MOTION PICTURE FROM DISNEY Read the ground-breaking science fiction and fantasy classic that has delighted children for over 60 years! "A Wrinkle in Time is one of my favorite books of all time. I've read it so often, I know it by heart." —Meg Cabot Late one night, three otherworldly creatures appear and sweep Meg Murry, her brother Charles Wallace, and their friend Calvin O'Keefe away on a mission to save Mr. Murray, who has gone missing while doing top-secret work for the government. They travel via tesseract--a wrinkle that transports one across space and time--to the planet Camazotz, where Mr. Murray is being held captive. There they discover a dark force that threatens not only Mr. Murray but the safety of the whole universe. A Wrinkle in Time is the first book in Madeleine L'Engle's Time Quintet.

Make Your Own Money Maintraining Pty Limited

John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's

Book.

Ten Dollar Words for Kids Harper Collins

Saving money for something? Then this is the book for you! Danny Dollar, the "King of Cha-Ching," will teach you to make money, save money, and spend money wisely—and to dream big! Maybe you get an allowance (clean the bathroom anyone?) or have been gifted money (birthday present?) but did you know that you can actually start a business and make your own money? Even as a kid! It's called being an entrepreneur. Danny shares tips for starting your own business, like how to write a business plan and raise start-up money (the money you need to get your business going). Plus, you'll learn how to open a bank account, create a budget, invest, and donate money. Danny will even introduce you to real life kids who are making their own money—and lots of it. Free yourself from having to ask your parents for money, and start making your own today!

Caps for Sale is a timeless classic beloved by millions...one of the most popular picture books ever published! This picture book is an excellent choice to share at home or in the classroom, as children love chanting along with the naughty monkeys. Children will delight in following the peddler's efforts to outwit the monkeys and will ask to read it again and again. *Caps for Sale* is an excellent easy-to-read book that includes repetition, patterns, and colors, perfect for early readers. This tale of a peddler and a band of mischievous monkeys is filled with warmth, humor, and simplicity and also teaches children about problem and resolution. This classic picture book will be appreciated as a

birthday, baby shower, or graduation gift! It never fails to get preschoolers chanting along and giggling.

Equal Shmequal Farrar, Straus and Giroux (BYR)

This classic Berenstain Bears story is a perfect way to teach children about money and responsibility! Come for a visit in Bear Country with this classic First Time Book® from Stan and Jan Berenstain. Papa thinks it's time to teach Brother and Sister how to budget their money, but will the cubs come to understand the value of a dollar, or will their pockets continue to be empty? Includes over 50 bonus stickers!

Caterflies and Ice Harper Collins

Begins by describing the images found on the dollar bill, our basic unit of currency; then describes the various coins and explains their values relative to the dollar.

Talk Now and Later OUP Oxford

A lemonade stand in winter? Yes, that's exactly what Pauline and John-John intend to have, selling lemonade and limeade--and also lemon-limeade. With a catchy refrain (Lemon lemon LIME, Lemon LIMEADE! Lemon lemon LIME, Lemon LEMONADE!), plus simple math concepts throughout, here is a read-aloud that's great for storytime and classroom use, and is sure to be a hit among the legions of Jenkins and Karas fans. "A beautifully restrained tribute to trust and tenderness shared by siblings; an entrepreneurship how-to that celebrates the thrill of the marketplace without shying away from its cold realities; and a parable about persistence." —Publishers Weekly, Starred

When You Reach Me Houghton Mifflin

A heartwarming, yet quirky, story about a boy called Jerry whose much-loved puppy, Ginger Pye, goes missing. Jerry and his sister

begin a desperate hunt for Ginger, who they're convinced has been stolen away by the stranger in the yellow hat. After months of fruitless searching the children are about to give up hope when a chance gust of wind reveals the villain to the children and Ginger Pye is saved. BLA book which has stood the test of time and deals with the special relationship between a boy and his dog in a fun and lively way

Ginger Pye Wendy Lamb Books

Ten Dollar Words For Kidsbooks are all about building the vocabulary of a child, and maybe a little about refreshing the minds of teens and adults in a most extraordinary way. Keep a copy close by and empower your children with challenge, through that, knowledge will come!

The Jungle Flatiron Books

This is not another saga of the Old West or a who-done-it, nor is it a children's book, but simply the true story of my unusual life. It is as accurate, honest, and true as far as my memory permits. I will be judged harshly for some of my actions, but it is not about right or wrong or good or bad; it is only about what happened and led me to develop into the person that I have become through my many adventures and what I did about them. I have no intention of trying to flower it up, to be more appealing. It is not a fictional story. I have included situations that stick out the most in my mind and just omitted many other experiences that were interesting to me but probably not to others. I have also just omitted some names of those who do not wish to be identified. My intention was not to embarrass anybody else, but just maybe myself. It is all now just water under the bridge, and I couldn't go back and change anything, even if I wanted to, which I don't think

I would, except for some very minor things that I regret. Since it is a true story, it is R-rated and not suitable for children to read. No, its not porn either!

Kids Book of Money Graymalkin Media

What does it mean to be equal? Mouse and her friends want to play tug-of-war but they can't figure out how to make teams that are equal. Nothing works until Mouse starts thinking mathematically. Wonderful illustrations capture Mouse and her animal friends from whiskers to tails.

"A ... new philosophy and ... guide to getting the most out of your money--and out of life--for those who value memorable experiences as much as their earnings"--

Alexander, Who Used to Be Rich Last Sunday Penguin

THE NEXT BOOK IN THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES THAT INSPIRED THE SECOND SEASON OF THE HIT STREAMING SERIES REACHER "Electrifying . . . this series [is] utterly addictive."—Janet Maslin, *The New York Times* From a helicopter high above the California desert, a man is sent free-falling into the night. On the streets of Portland, Jack Reacher is pulled out of his wandering life and plunged into the heart of a conspiracy that is killing old friends . . . and the people he once

trusted with his life. Reacher is the ultimate loner—no phone, no ties, no address. But a woman from his old military unit has found him using a signal only the eight members of their elite team would know. Then she tells him a terrifying story about the brutal death of a man they both served with. Soon Reacher is reuniting with the survivors of his team, scrambling to unravel the sudden disappearance of two other comrades. But Reacher won't give up—because in a world of bad luck and trouble, when someone targets Jack Reacher and his team, they'd better be ready for what comes right back at them.

"Like *A Wrinkle in Time* (Miranda's favorite book), *When You Reach Me* far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.'" —*The Washington Post* This Newbery Medal winner that has been called "smart and mesmerizing," (*The New York Times*) and "superb" (*The Wall Street Journal*) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the

case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe–Horn Book Award for Fiction A New York Times Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection "Absorbing." —People "Readers ... are likely to find themselves chewing over the details of this superb and intricate tale long afterward." —The Wall Street Journal "Lovely and almost impossibly clever." —The Philadelphia Inquirer "It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises." —Publishers Weekly, Starred review

The Go-Around Dollar Xlibris Corporation
