Following on from the success of *Little One and Son*, from the same creative team comes *Brothers & Sisters*. This lyrical, stunning picture book is a warm-hearted tribute to siblings and their magical bond, with stunning art by award-winning illustrator Sonja Wimmer. It's true that sometimes we fight when we want to play with the same toys. But when night falls, we snuggle up together and fall asleep while we read fairy tales to each other. We're similar in so many ways! And we're different in others. But one thing is for sure, and that is that we'll always be there to help each other out. It doesn't matter if stormy nights or evening shadows come to visit us. As long as we are together, we will get through them. We've learned so many things together, and discovered that the day and the night, even though they seem so different, form a part of the same melody. *Brothers & Sisters* is an inclusive picture book, both for boys and girls, for brothers by blood and for brothers of life. Both sisters and brothers appear in this magic tale that will delight the little ones in the house.

"I bet I could ride a bike," he thought. He waddled over to where the boy parked his bike, climbed on, and began to ride. At first, he rode slowly and he wobbled a lot, but it was fun! Duck rode past Cow and waved to her. "Hello, Cow!" said Duck. "Moo," said Cow. But what she thought was, "A duck on a bike? That's the silliest thing I've ever seen!" And so, Duck rides past Sheep, Horse, and all the other barnyard animals. Suddenly, a group of kids ride by on their bikes and run into the farmhouse, leaving the bikes outside. Now ALL the animals can ride bikes, just like Duck! Praise for Duck on a Bike "Shannon serves up a sunny blend of humor and action in this delightful tale of a Duck who spies a red bicycle one day and gets "a wild idea" . . . Add to all this the abundant opportunity for youngsters to chime in with barnyard responses ("M-o-o-o"; "Cluck! Cluck!"), and the result is one swell read-aloud, packed with freewheeling fun."

Crayón Beige está cansado de ser el segundón de Crayón Café; Crayón Negro quiere ser usado para algo más que los contornos; y el Naranja y el Amarillo ya no se hablan porque cada uno cree que es el verdadero color del sol. El pobre Duncan solo quiere que sus crayones sean felices. ¿Qué podrá hacer para tenerlos de vuelta?"--Casadel libro.
