If you're someone who wants to achieve a 7, 8 or 9 for the IELTS writing section, then you're about to see exactly how an IELTS professional writes high scoring answers! This ebook provides sample answers that are exactly what the examiners look for. Did you know that many sample IELTS writing answers on the internet today do not match the expectations of an IELTS examiner? So it's important that if you are in the search for model answers then you consider answers that are accurate examples that align with the official IELTS scoring criteria. Imagine being able to understand how high scoring answers are structured for Task 2? How about learning how grammar and vocabulary are used? You can, just by downloading this book! Inside this book you'll get: - High scoring model answers - The IELTS writing question types (clearly explained) - Suggested answer structure (which you can follow and use yourself) - Scoring criteria (how to write your answers to maximise your score) - Important tips you must know If you're sick of reading different IELTS preparation books, if you're tired of taking the IELTS several times and still not getting the score you want, then you must download this book! It will save you time and you'll quickly understand the differences between low scoring answers and high scoring answers. This book has been put together to guide IELTS students on how to best answer the writing questions. Along with sample answers, which the author has written herself, the book also shares important tips for helping you succeed! Writing Task 2 is designed to test your ability to write an academic style essay. You must present the information in your own words as complete sentences within paragraphs. You are required to write over 250 words, and the task should be completed in about 40 minutes (both part 1 and 2 must be finished in 1 hour). Types of Topics There are many different topics for essays in the exam, but typical topic areas include: education, crime, media, technology, social issues, technology and the future, and the environment. In this case it makes sense to build up vocabulary in these key areas in order to have sufficient language to write an essay well. Types of Questions There are three main types of essay questions that are included in the IELTS writing exam. It is important to learn how to structure each of these types. Each of these will be described more fully in the sections that follow. Briefly, they are an opinion

essay, where you are asked to give your own personal opinion on a topic; a both sides and opinion essay, where you are required to discuss both sides of an argument and then give your own personal opinion on the topic; and a two question essay, which involves responding to two different questions.
