Among the ashes of a dying world, an agent of the Commandment finds a letter. It reads: Burn before reading. Thus begins an unlikely correspondence between two rival agents hellbent on securing the best possible future for their warring factions. Now, what began as a taunt, a battlefield boast, becomes something more. Something epic.

Something romantic. Something that could change the past and the future. Except the discovery of their bond would mean the death of each of them. There’s still a war going on, after all. And someone has to win. That’s how war works, right? Cowritten by two beloved and award-winning sci-fi writers, *This Is How You Lose the Time War* is an epic love story spanning time and space. Notes from Underground Theatre Communications Group Notes from Underground, also translated as *Notes from the Underground* or *Letters from the Underworld*, is an 1864 novella by Fyodor Dostoevsky. *Notes* is considered by many to be one of the first existentialist novels.

 One of the most profound and most unsettling works of modern literature, Notes from Underground (first published in 1864) remains a cultural and literary watershed. In these pages Dostoevsky unflinchingly examines the dark, mysterious depths of the human heart. The Underground Man so chillingly depicted here has become an archetypal figure -- loathsome and prophetic -- in contemporary culture. This vivid new rendering by Boris Jakim is more faithful to Dostoevsky's original Russian than any previous translation; it

maintains the coarse, vivid language underscoring the "visceral experimentalism" that made both the book and its protagonist groundbreaking and iconic.

This carefully crafted ebook: "Notes from Underground (The Unabridged Garnett Translation)" is formatted for your eReader with a functional and detailed table of contents. This is the version based on the unabridged Garnett Translation. Notes from Underground is an 1864 novella by Fyodor Dostoyevsky. Notes is considered by many to be the first existentialist novel. It presents itself as an excerpt from the rambling memoirs of a bitter, isolated, unnamed narrator (generally referred to by critics as the Underground Man) who is a retired civil servant living in St. Petersburg. The first part of the story is told in

monologue form, or the underground man's diary, and attacks emerging Western philosophy, especially Nikolay Chernyshevsky's What Is to Be Done? The second part of the book is called "Àpropos of the Wet Snow", and describes certain events that, it seems, are destroying and sometimes renewing the underground man, who acts as a first person, unreliable narrator. Fyodor Mikhailovich Dostoyevsky (1821 - 1881) was a Russian novelist, short story writer, essayist and philosopher. Dostoyevsky's literary works explore human psychology in the context of the troubled political, social, and spiritual atmosphere of 19th-century Russia.

Many literary critics rate him as one of the greatest and most prominent psychologists in world literature.

Set in the twilight years of the Czechoslovak communist regime, recalled from the suburbs of Washington, this novel describes a doomed love affair between two young people trapped by the system. Roger Scruton evokes a world in which every word and gesture bears a double meaning, as people seek to find truth amid the lies and love in the midst of betrayal. The novel tells the story of Jan Reichl, condemned to a menial life by his father's alleged crime,

and of Betka, the girl who offers him education, opportunity and love, but who mysteriously refuses to commit herself

#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE WINNER • NATIONAL BOOK AWARD WINNER • "An American masterpiece" (NPR) that chronicles a young slave's adventures as she makes a desperate bid for freedom in the antebellum South. • The basis for the acclaimed original Amazon Prime Video series directed by Barry Jenkins. Cora is a slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of

womanhood—where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of

our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage—and a powerful meditation on the history we all share. Look for Colson Whitehead's new novel, *Crook Manifesto*, coming soon!

Joseph Frank's award-winning, five-volume Dostoevsky is widely recognized as the best biography of the writer in any language--and one of the greatest literary biographies of the past half-century. Now Frank's monumental, 2500-page work has been skillfully abridged and

condensed in this single, highly readable volume with a new preface by the author. Carefully preserving the original work's acclaimed narrative style and combination of biography, intellectual history, and literary criticism, *Dostoevsky: A Writer in His Time* illuminates the writer's works-- from his first novel *Poor Folk* to *Crime and Punishment* and *The Brothers Karamazov*-- by setting them in their personal, historical, and above all ideological context. More than a biography in the usual sense, this is a cultural history of nineteenth-century Russia, providing both a rich picture of the world in which Dostoevsky lived and a major reinterpretation of his life and work.

 Dostoevsky's most revolutionary novel, *Notes from Underground* marks the dividing line between nineteenth- and twentieth-century fiction, and between the visions of self each century embodied. One of the most remarkable characters in literature, the unnamed narrator is a former official who has defiantly withdrawn into an underground existence. In full retreat from society, he scrawls a passionate, obsessive, self-contradictory narrative that serves as a devastating attack on social utopianism and an assertion of man's essentially irrational nature. Richard Pevear and Larissa

Volokhonsky, whose Dostoevsky translations have become the standard, give us a brilliantly faithful edition of this classic novel, conveying all the tragedy and tormented comedy of the original.

I am a sick man.... I am a spiteful man. I am an unattractive man. I believe my liver is diseased. However, I know nothing at all about my disease, and do not know for certain what ails me. I don't consult a doctor for it, and never have, though I have a respect for medicine and doctors. Besides, I am extremely superstitious, sufficiently so to respect medicine, anyway (I am well-

educated enough not to be superstitious, but I am superstitious). No, I refuse to consult a doctor from spite.

"I am Moscow's underground son, the result of one too many nights on the town," says Mboobo, the precocious twelve-year-old narrator of Hamid Ismailov's *The Underground*. Born from a Siberian woman and an African athlete competing in the 1980 Moscow Olympics, Mboobo navigates the complexities of being a fatherless, mixed-raced boy in the Soviet Union in the years before its collapse, guided only by the Moscow subway system. Named one of the "ten best Russian novels of the 21st Century" (*Continent*

Magazine), The Underground is Ismailov's haunting tour of the Soviet capital, on the surface and beneath. Though deeply engaged with great Russian authors of the past—Dostoyevsky, Nabokov, and, above all, Pushkin—Ismailov is an emerging master of Russian writing that reflects the country's diversity today. Reviews "Hamid Ismailov has the capacity of Salman Rushdie at his best to show the grotesque realization of history on the ground." —Literary Review "The dream of grandeur is more than justified by the artfulness of *The Underground*, which...create[s] the motifs of blackness, subterranean movement, and

isolation that are the novel's strongest effects." —Transitions Online Hamid Ismailov is an Uzbek journalist, writer, and translator who was forced to flee Uzbekistan in 1992 for the United Kingdom, where he now works for the BBC World Service. His works are still banned in Uzbekistan. His writing has been published in Uzbek, Russian, French, English, and other languages. He is the author of novels including *Sobranie Utonchyonnyh*, *Le Vagabond Flamboyant*, *Two Lost to Life*, *The Railway*, *The Underground*, *A Poet and Bin-Laden* and *The Dead Lake*; poetry collections including *Sad (Garden)* and *Pustynya (Desert)*; and books of visual poetry *Post Faustum* and

In the final years of his life, Chekhov had reached the height of his powers as a dramatist, and also produced some of the stories that rank among his masterpieces. The poignant 'The Lady with the Little Dog' and 'About Love' examine the nature of love outside of marriage - its romantic idealism

and the fear of disillusionment. And in stories such as 'Peasants', 'The House with the Mezzanine' and 'My Life' Chekhov paints a vivid picture of the conditions of the poor and of their powerlessness in the face of exploitation and hardship. With the works collected here, Chekhov moved away from the realism of his earlier tales - developing a broader range of characters and subject matter, while forging the spare minimalist style that would inspire such modern short-story writers as Hemingway and Faulkner.

New York Times Bestseller One of the Best Books of 2021 by Time magazine, the Chicago Tribune, the Boston Globe and Esquire, and one of Oprah's 15 Favorite Books of the Year "The Man Who Lived Underground reminds us that any 'greatest writers of the 20th century' list that doesn't start and end with Richard Wright is

laughable. It might very well be Wright's most brilliantly crafted, and ominously foretelling, book." —Kiese Laymon A major literary event: an explosive, previously unpublished novel about race and violence in America by the legendary author of *Native Son* and *Black Boy* Fred Daniels, a Black man, is picked up by the police after a brutal double murder and tortured until he confesses to a crime he did not commit. After signing a confession, he escapes from custody and flees into the city's sewer system. This is the devastating premise of this scorching novel, a never-before-seen masterpiece by Richard Wright. Written between his landmark books *Native Son*

(1940) and *Black Boy* (1945), at the height of his creative powers, it would see publication in Wright's lifetime only in drastically condensed and truncated form, and ultimately be included in the posthumous short story collection *Eight Men*. Now, for the first time, by special arrangement with the author's estate, the full text of the work that meant more to Wright than any other ("I have never written anything in my life that stemmed more from sheer inspiration") is published in the form that he intended, complete with his companion essay, "Memories of My Grandmother." Malcolm Wright, the author's grandson, contributes an afterword.

"Long live the underground!" — Fyodor Dostoyevsky, Notes from the Underground Notes from the Underground (1864) by Fyodor Dostoevsky renders the story of a man who is disenchanted with society and has withdrawn into an underground existence. The unnamed narrator explains his views through a series of journal notes and fragments of his diary. The book is split into two parts. The first part is a diary kept by him describing his life which highlights his views on the world and his hatred for it. The second part contains

his interactions with various people which subsequently led to his nihilistic philosophy about life.

Notes from the Underground is Fyodor Dostoevsky's 1864 masterpiece following the ranting, slightly unhinged memoir of an isolated, anonymous civil servant. A dramatic monologue in which the narrator leaves himself open to ridicule and reveals more of his weaknesses than he intends, this influential short novel lays the ground work for the political, religious, moral and political ideas that are explored in Dostoevsky's later works.
