Find out why New York Times bestseller Maya Banks hails McKenna's books as "A nonstop thrill ride..." She's a trouble magnet... Abby Maitland has landed the chance of a lifetime—to work on a dazzling exhibit of priceless shipwrecked Spanish treasure at the Silver Fork Museum, and she isn't going to fumble it. But when a nightmare date and a lost house-key land

her in a tight spot, a sexy locksmith comes to her rescue. Zan makes her heart pound and her toes curl, but she's seen his type before. He doesn't fit her dating profile, not with that battered leather jacket, those tattoos, that wicked, bad boy smolder in his eyes. She's finished with guys like him. Been there, done that. Problem is, they can't seem to keep their hands off each other... An indecent proposition... Zan Duncan has gotten into more than his share of trouble in his time, and it shows. Maybe the succulently gorgeous Abby Maitland doesn't think he's

boyfriend material, but that's no reason not to give in to the desire that roars between them. So he offers her a scorching, no-holds-barred secret affair. No one had to know, not her neighbors, not her boss. He would just sneak into her house by night, drive her mad with pleasure, and melt away with the dawn, leaving her aching, tingling. Exhausted. What could possibly go wrong? Abby can't resist his seduction—but there is a ruthless monster in Silver Fork who wants that buccaneer's gold for himself—and Abby and Zan are the perfect scapegoats

for his evil plan. But they have no clue they're in the crosshairs—at least not until people around them start to die... Now Abby and Zan must race against time to stop a vicious killer...and the only ones they can trust are each other... "A non-stop thrill ride!" —New York Times Bestselling Author Maya Banks "Highly creative, erotic sex and constant danger." —Romantic Times on *Hot Night* (4 ½ starred review and a Top Pick!) "Super-sexy suspense! Shannon McKenna does it again." —Cherry Adair on *Hot Night* "She's wicked good." —JoAnn Ross *Hot Night* is a standalone book, and a re-release.

What happened off the page was often a lot spicier than what was written on it... Why did Norman Mailer stab his second wife at a party? Who was Edith Wharton's secret transatlantic lover? What motivated Anaïs Nin to become a bigamist? Writers Between the Covers rips the sheets off these and other real-life love stories of the literati—some with fairy tale endings and

others that resulted in break-ups, breakdowns, and brawls. Among the writers laid bare are Agatha Christie, who sparked the largest-ever manhunt in England as her marriage fell apart; Arthur Miller, whose jaw-dropping pairing with Marilyn Monroe proved that opposites attract, at least initially; and T.S. Eliot, who slept in a deckchair on his disastrous honeymoon. From the best break-up letters to the stormiest love triangles to the boldest cougars and cradle-robbers, this fun and accessible volume—packed with lists, quizzes and in-depth exposés—reveals literary history's most titillating loves, lusts, and longings.

Edge of Midnight Harlequin

Widely regarded as the father of American psychology, William James is by any measure a mammoth presence on the stage of pragmatist philosophy. But despite his indisputable influence on

philosophical thinkers of all genders, men remain the movers and shakers in the Jamesian universe—while women exist primarily to support their endeavors and serve their needs. How could the philosophy of William James, a man devoted to Victorian ideals, be used to support feminism? *Feminist Interpretations of William James* lays out the elements of James's philosophy that are particularly problematic for feminism, offers a novel feminist approach to James's ethical philosophy, and takes up epistemic contestations in and with James's pragmatism. The results are surprising. In short, James's philosophy can prove useful for feminist efforts to challenge sexism and male privilege, in spite of James himself. In this latest installment of the *Re-Reading the Canon* series, contributors appeal to William James's controversial texts not simply as an exercise in feminist critique but in the service of feminism. Along with the editors, the contributors are Jeremy Carrette, Lorraine Code, Megan Craig, Susan Dieleman, Jacob L. Goodson, Maurice Hamington, Erin McKenna, José Medina, and Charlene Haddock Seigfried. *The Distance from Me to You* Penguin
