Seventeen-
year-old Lake
Deveraux is
the survivor of
a car crash

that killed her best friend and boyfriend. Now she faces an impossible choice.

Resurrection technology changed the world, but strict laws allow just one resurrection per citizen, to be used on your eighteenth birthday or lost forever. You only have days to decide. For each grieving family, Lake is the best chance to bring back their child. For Lake, it's the only way to reclaim a piece of

happiness after her own family fell apart. And Lake must also grapple with a secret-- and illegal-- vow she made years ago to resurrect someone else. Someone who's not even dead yet. Who do you need most? As Lake's eighteenth birthday nears, secrets and betrayals new and old threaten to eclipse her cherished memories. Lake has one chance to save a life...but can

she live with her choice?

 The first comprehensive history of magical treasure hunting from the Middle Ages to the 20th century, revealing a magical universe of treasure spirits, and wizards who tried to deal with them. Combining history and anthropology, this study sees treasure hunting as an expression of shifting economic mentalities

and changing ideas about history. The Far Side of the Night Wigglesbottom Primary At the edge of the forest lives one grumpy mouse. He's the GRUMBLIEST and GROUCHIEST mouse for miles around. Until he meets a little lost badger, who desperately needs his help. A heartwarming tale about the happiness that comes from making friends. *This is Not the End*

Birkhäuser Everyone likes Samson the sloth, and he gets lots of invitations to parties. The problem is that he's far too slow to ever get there on time. When Samson finally makes it to the celebration the cake is eaten and the party games are finished. Luckily Samson's resourceful friends have a plan! **Wenn 10 kleine Burggespenster träumen** ... Little Tiger Press During a trip

to China, Paul and Christine experience the nightmare of every parent: their four year old son is threatened with kidnap. The only safe place for the family is the US embassy in Beijing, but they are two thousand miles away, with the police searching frantically for them, and all airports, train stations and major roads under surveillance. They'll have no chance without help from strangers, but

who will be willing to risk their lives for them? Suspenseful and rife with the page-turning storytelling that has come to define Sendker's work, *Far Side of the Night* is a brilliant and timely thriller that offers a penetrating look into contemporary China.

Der Vater

Houghton Mifflin Harcourt
This classic holiday book about a lost teddy bear makes a perfect gift for boys and girls

5 - 7 years old. Can one lost teddy bear make it home for Christmas? The little rabbits and mice who find him in the snow certainly hope so. A lost bear means a sad Christmas for him and for the poor child missing their friend. Together the animals, with a little love, spruce up this shoddy teddy just in time to make a very special Christmas for his lonely owner. This is a heartwarming story about

the power of hope, persistence, and finding the way home.

This spine-tingling novel has more than enough fear factor for the most ardent fan of scary stories. Uncle Montague lives alone in a big house, but regular visits from his nephew, Edgar, give him the opportunity to recount some of the frightening

stories he knows. As each tale unfolds, an eerie pattern emerges of young lives gone awry in the most terrifying of ways. Young Edgar begins to wonder just how Uncle Montague knows all these ghastly tales. This clever collection of stories-within-a-story is perfectly matched with darkly witty illustrations by David Roberts. Look for the other spine-tlingling book in Chris Priestley's

Tales of Terror series, Tales of Terror from the Black Ship! *We Found a Hat* Charlesbridge Publishing When spring arrives Albert wants to spend time with his favorite tree, but when the tree starts to cry Albert does not know what to do. -- provided by publisher. **Wigglesbottom Primary: The Toilet Ghost** Feiwel & Friends Wigglesbottom Primary is the school where anything can

happen! With three hilariously-illustrated stories in each book, this new series is perfect for newly-independent readers.
