"Why has the valley of Kashmir, famed for its beauty and tranquillity, become a major flashpoint, threatening the stability of a region of great strategic importance and challenging the integrity of the Indian state? This book examines the Kashmir conflict in its historical context, from the period when the valley was an independent kingdom right up to the struggles of the present day. Located on the borders of China, Central Asia and the Sub-Continent, the insurgency in the valley has also created serious tensions between India and Pakistan. Drawing upon research in India and Pakistan, as well as historical sources, this book traces the origins of the state in the 19th century and the controversial "sale" by the British of the predominantly Muslim valley to a Hindu Maharaja in 1846. Through an exploration of the implications for Kashmir of independence in 1947, it gives a critical account of why, for Kashmir, self-determination may seem a more attractive option than affiliation to a larger multi-racial whole."--

### Using French Vocabulary Reaktion Books

Who hasn't been stirred by the strains of Beethoven's Ninth Symphony? That's a good question, claims Esteban Buch. German nationalists and French republicans, communists and Catholics have all, in the course of history, embraced the piece. It was performed under the direction of Leonard Bernstein

at a concert to mark the fall of the Berlin Wall, yet it also serves as a ghastly and ironic leitmotif in Stanley Kubrick's *A Clockwork Orange*. Hitler celebrated his birthdays with it, and the government of Rhodesia made it their anthem. And played in German concentration camps by the imprisoned, it also figured prominently at Mitterrand's 1981 investiture. In his remarkable history of one of the most popular symphonic works of the modern period, Buch traces such complex and contradictory uses—and abuses—of Beethoven's Ninth Symphony since its premier in 1824. Buch shows that Beethoven consciously drew on the tradition of European political music, with its mix of sacred and profane, military and religious themes, when he composed his symphony. But while Beethoven obviously had his own political aspirations for the piece—he wanted it to make a statement about ideal power—he could not have had any idea of the antithetical political uses, nationalist and universalist, to which the Ninth Symphony has been put since its creation. Buch shows us how the symphony has been "deployed" throughout nearly two centuries, and in the course of this exploration offers what was described by one French reviewer as "a fundamental examination of the moral value of art." Sensitive and fascinating, this account of the tangled political existence of a symphony is a rare book that shows the life of an artwork through time, shifted and realigned with the currents of history.

**Street French Slang Dictionary & Thesaurus** Springer

The standard work on Rimbaud returns to print In this proven study on Arthur Rimbaud, the world's leading authority on Stéphane Mallarmé provides a guide to the understanding and appreciation of

Rimbaud's entire poetic oeuvre. Robert Greer Cohn begins with an outline of the poet's life, focusing particularly on a childhood and adolescence that produced astoundingly original and frequently exquisite works, the whole body of poetry by a writer who ended his literary creation in his twentieth year. Cohn's analysis, combined with a substantial introduction, weaves together the known biographical facts with major clues from the poems to present a coherent portrait of the inner and outwardly imaged world of the young poet. Cohn draws on nondoctrinaire and open-minded approaches of modern depth psychology and philosophy and, most particularly, on the dazzlingly integral cosmic vision of Mallarmé. The resulting unified view affords insights into the meaning of many difficult passages, especially in the most hermetic and resistant of the *Illuminations*. Cohn also reveals the early poems, which heretofore received little attention, to be rich in poetic humanity. He suggests that the seeds of Rimbaud's later development lie in these early poems, which provide convincing paths into subsequent complexities.

The Poetry of Rimbaud Cosimo, Inc.

This dual-language dictionary lists over 20,000 specialist terms in both French and English, covering architecture, building, engineering and property terms. It meets the needs of all building professionals working on projects overseas. It has been comprehensively researched and compiled to provide an invaluable reference source in an increasingly European marketplace. Text, Speech, and Dialogue Theatre Communications Group  
Ezra Pound (1885 - 1972) was an American poet and harsh critic following World War I. Pound was also a key

contributor to the Modernist movement. One of Pound's most famous works is *Instigations* which is a series of essays critiquing a variety of writers and books. *The Chinese Written Character as a Medium for Poetry* Harper Collins

Vingt-six maires racontent leur quotidien, leurs projets, leurs difficultés, leur façon de voir les transformations de la France et de la société. De novembre 2018 au mois de mai 2019, pendant le mouvement des Gilets jaunes, j'ai parcouru une large diagonale du sud au nord de la France pour rencontrer des maires de communes de 50 à 7 000 habitants. Dans des entretiens entre envolées lyriques et coups de gueule, les maires abordent tous les sujets d'actualité et répondent aux questions que de nombreux citoyens se posent. Est-il nécessaire d'avoir autant de communes ? À quoi sert un maire d'un village de quelques dizaines d'habitants ? Coûtent-ils cher ? Pourquoi y a-t-il si peu de maires femmes ? Comment expliquent-ils les démissions de leurs collègues ? Comment envisagent-ils leur avenir et l'avenir de la société ? Pourquoi parle-t-on tant d'eux dans les médias ? Que proposent-ils face aux mutations de la société, aux enjeux écologiques, au changement climatique et aux transformations des territoires ? Élus préférés des Français et "porteur de la République sur le terrain" selon le Président de la République, pour beaucoup de maires de petites communes, les temps sont durs. Le regard qu'ils portent sur la société donne à voir ce que la France et la société française deviennent. Ce qui n'empêchera pas certains d'entre eux de se représenter plus que motivés en mars 2020. Mais, surtout, qu'on ne les nomme pas les "petits maires" !

*of Modern English* Routledge

"Thinking with Type is to typography what Stephen Hawking's *A Brief History of Time* is to physics."—I Love Typography

The best-selling *Thinking with Type* in a revised and expanded second edition: *Thinking with Type* is the definitive guide to using typography in visual communication. Ellen Lupton provides clear and focused guidance on how letters, words, and paragraphs should be aligned, spaced, ordered, and shaped. The book covers all typography essentials, from typefaces and type families, to kerning and tracking, to using a grid. Visual examples show how to be inventive within systems of typographic form, including what the rules are, and how to break them. This revised edition includes forty-eight pages of new content with the latest information on:

- style sheets for print and the web
- the use of ornaments and captions
- lining and non-lining numerals
- the use of small caps and enlarged capitals
- mixing typefaces
- font formats and font licensing

Plus, new eye-opening demonstrations of basic typography design with letters, helpful exercises, and dozens of additional illustrations. *Thinking with Type* is the typography book for everyone: designers, writers, editors, students, and anyone else who works with words. If you love font and lettering books, Ellen Lupton's guide reveals the way typefaces are constructed and how to use them most effectively. Fans of *Thinking with Type* will love Ellen Lupton's new book *Extra Bold: A Feminist, Inclusive, Anti-racist, Nonbinary Field Guide for Graphic Designers*.

*Geography in France* U of Nebraska Press

An autobiographical novel of growing up

in the multicultural environment of contemporary France tells the story of Azouz Begag, the son of an illiterate Algerian immigrant in Lyon and his coming of age in a world of ethnic and racial tensions.

*Fire In the East* Oxford University Press  
This 1901 volume of *A Concise Etymological Dictionary of the English Language* completely updates the classic reference work first published in 1882. Skeat provides a staggering number of words, including those most frequently used in everyday speech and those most prominent in literature. They appear along with their definitions, their language of origin, their roots, and their derivatives. Those who are fascinated with the English language will find much to explore here and many overlooked but interesting tidbits and treasures of an ever-evolving language. Walter W. Skeat was a scholar of Old English, mathematics, English place names, and Anglo-Saxon. He founded the English Dialect Society in 1873 and was a professor at Cambridge University. Skeat edited many classic works, including *Lancelot of the Laik*, *Piers Plowman*, *The Bruce*, *Lives of Saints*, and a seven-volume edition of Chaucer.

**The Age of Translation Boom!** Studios  
Providing a structured vocabulary for all levels of undergraduate French courses, this text offers coverage of concrete and abstract vocabulary relating to the physical, cultural, social, commercial and political environment, as well as exposure to commonly encountered technical terminology.

### **Etymons of English Words**

CreateSpace

If a French native told you that the new movie is a "turnip" (*un navet*), should you go see it? Or if a passerby calls you a "sausage" (*une andouille*), should you

respond by saying thank you? The answer to both questions is an indisputable, "No!" But how would a nonnative speaker know this? Thanks to David Burke's newest book, there's no need "to hit your biscuit" (*se frapper le biscuit*; "to worry") any longer! The *Street French Slang Dictionary & Thesaurus* offers English equivalents and usage tips for over one thousand French terms, including slang words, idioms, proverbs, colloquialisms, and vulgarities. It also offers an extensive thesaurus featuring over one thousand French slang synonyms for common English words and phrases -- all destined to make you feel like an insider in no time. *L'Oeil, revue d'art* Routledge  
First published in 1919 by Ezra Pound, Ernest Fenollosa's essay on the Chinese written language has become one of the most often quoted statements in the history of American poetics. As edited by Pound, it presents a powerful conception of language that continues to shape our poetic and stylistic preferences: the idea that poems consist primarily of images; the idea that the sentence form with active verb mirrors relations of natural force. But previous editions of the essay represent Pound's understanding—it is fair to say, his appropriation—of the text. Fenollosa's manuscripts, in the Beinecke Library of Yale University, allow us to see this essay in a different light, as a document of early, sustained cultural interchange between North America and East Asia. Pound's editing of the essay obscured two important features, here restored to view: Fenollosa's encounter with Tendai Buddhism and Buddhist ontology, and his concern with the dimension of sound in Chinese poetry. This book is the definitive critical edition of Fenollosa's important work. After a substantial Introduction, the text as

edited by Pound is presented, together with his notes and plates. At the heart of the edition is the first full publication of the essay as Fenollosa wrote it, accompanied by the many diagrams, characters, and notes Fenollosa (and Pound) scrawled on the verso pages. Pound's deletions, insertions, and alterations to Fenollosa's sometimes ornate prose are meticulously captured, enabling readers to follow the quasi-dialogue between Fenollosa and his posthumous editor. Earlier drafts and related talks reveal the development of Fenollosa's ideas about culture, poetry, and translation. Copious multilingual annotation is an important feature of the edition. This masterfully edited book will be an essential resource for scholars and poets and a starting point for a renewed discussion of the multiple sources of American modernist poetry.

#### Bibliographie de Belgique A&C Black

On May 11, 1998, India began testing nuclear weapons. The world will never be the same. The Indian test of five atomic bombs, and the Pakistani tests that answered a few weeks later, marked the end of the arms control system that has kept the world from nuclear war for half a century. As Paul Bracken, professor of management and political science at Yale University, explains in this landmark study, they signal the reemergence of something the world hasn't seen since the sixteenth century—modern technologically adept military powers on the mainland of Asia. In *Fire in the East*, Professor Bracken reveals several alarming trends and secrets, such as how close Israel actually came to a germ warfare attack during the Gulf War, why "globalization" will spur the development of weapons of mass destruction, how American interests are endangered by Asian

nationalism, and how to navigate what he names the second nuclear age. *Fire in the East* is a provocative account of how the Western monopoly on modern arms is coming to an end, and how it will forever transform America's role on the stage of international politics.

#### *Dictionary of Building and Civil Engineering* Chronicle Books

This book constitutes the refereed proceedings of the 21st International Conference on Text, Speech, and Dialogue, TSD 2018, held in Brno, Czech Republic, in September 2018. The 56 regular papers were carefully reviewed and selected from numerous submissions. They focus on topics such as corpora and language resources, speech recognition, tagging, classification and parsing of text and speech, speech and spoken language generation, semantic processing of text and search, integrating applications of text and speech processing, machine translation, automatic dialogue systems, multimodal techniques and modeling.

#### Fisheries Management Fordham Univ Press

Do you know French already and want to go a stage further? If you're planning a visit to France, need to brush up your French for work, or are simply doing a course, *Colloquial French 2* is the ideal way to refresh your knowledge of the language and to extend your skills. *Colloquial French 2* is designed to help those involved in self-study, and structured to give you the opportunity to listen to and read lots of modern, everyday French. It has been developed to work systematically on reinforcing and extending your grasp of French grammar and vocabulary. Key features of *Colloquial French 2* include: \* a broad range of everyday situations, focusing on France and the wider francophone

world \* revision: material to help consolidate and build up your basics \* a wide range of contemporary documents \* spoken and written exercises in each unit \* highlighted key structures and phrases, a grammar reference and detailed answer keys \* supplementary exercises and French language web-links at [www.routledge.com/colloquials/french](http://www.routledge.com/colloquials/french) Accompanying audio material is available to purchase separately on two CDs or in MP3 format, or comes included in the great value Colloquial French 2 pack. Recorded by native speakers, this material includes scripted texts, dialogues and extracts from authentic interviews plus interactive exercises which will help you perfect your

pronunciation and listening skills.

**Kashmir in Conflict** Edinburgh : Oliver & Boyd

'The greatest book of philosophy I have ever read, on a par with Nietzsche himself.' Michel Foucault Pierre Klossowski (1905-) is the author of numerous philosophical works, as well as several novels. He published many translations of German poets and philosophers, including Nietzsche himself. Recognised as a masterpiece of Nietzsche scholarship, *Nietzsche and the Vicious Circle* emphasises and explores the notion of Eternal Return - central to an understanding of Nietzsche's self-denial, self-refutation and self-consumption. Translated by Daniel W. Smith>
