Secrets of a Dangerous Woman: Second Edition Drake Valley Press

The documents reproduced in this volume complete the story, begun in Volume 10, of Canadian external policy during the closing months of the Second World War and the transition to peace. It

looks ahead to a reshaped world order, in which, it was hoped, repetition of the circumstances which had given rise to the war would be avoided.

Secrets of a Dangerous Woman Macmillan

Martha Horgan is different. She stares at people. She can't stop telling the truth. She is prone to crushes so violent that she will call someone she likes dozens of times in a single night.

The genius of Mary McGarry Morris's latest novel lies in its uncannily felt portrait of a woman who teeters on the edge of madness.

[Dangerous Women Read Bookmark Box](#) Lulu.com

This second volume of a two-part collection of studies on inconsistencies in Greek and Roman religion focuses on the ambiguities in myth and ritual of transition and reversal.

The Lure of Dangerous Women Wayzgoose Press
A woman very early in the 20th century who was accused of being an anarchist and plotting to assassinate President McKinley.

Dangerous Women

Dutton Adult
Rogue CIA agent Odessa Ripley is back home in Phoenix on a mission of vengeance. To find her father's killer teams up with hotshot good-ole-boy detective Wyatt Earp Whittaker of the Cold Case Unit, and what looked like a random

shooting turns into a conspiracy that reaches deep into the Phoenix Police Department. While digging for evidence against a prominent Phoenix citizen, she finds her need for Wyatt becoming more important than her need to avenge her beloved father's death. Upon meeting the brash CIA agent, Wyatt has met his match. Odessa plays by her own set of rules; she's as tough as she is beautiful, and as sexy as she is cynical. He's falling in love with a woman he might

have to arrest for murder. Even as Odessa is determined to discover the truth about her father, Wyatt is just as determined to capture her heart and preserve justice. He refused to jeopardize their growing love, their lives and their very souls. Odessa is faced with the choice of a lifetime. Will she sacrifice honor for love and vengeance for happiness?
Crime, histoire et sociétés Createspace Independent Publishing Platform
The “compelling,

suspenseful” novel of a vulnerable misfit in a small town by the New York Times–bestselling author of *Light from a Distant Star* (Publishers Weekly). Named one of the five best novels of the year by Time magazine, *A Dangerous Woman* is the story of the damaged and emotionally unstable Martha Horgan, an outcast in her small Vermont town. She stares; she has violent crushes on people; and, perhaps most unsettling of all, she cannot stop telling the truth. After a traumatic

experience during her teenage years, the thirty-two-year-old now craves love and companionship, but her relentless honesty makes her painfully vulnerable to those around her: Frances, her wealthy aunt and begrudging guardian; Birdy Dusser, who befriends her and then cruelly rejects her; and Colin Mackey, the seductive man who preys on her desires. Confused and bitter, distrusting even those with her best interests at heart, Martha is slowly propelled into a

desperate attempt to gain control over her own life. The National Book Award–nominated author of *Songs in Ordinary Time* tells a tale of unnerving suspense and terrifying psychological insight that is “at once thrilling and deeply affecting” (The New York Times).

Inconsistencies in Greek and Roman

Religion Genesis Press, Inc.

Dice is a sexy but dangerous contract killer. A former Central Intelligence Agency operative thought killed in

action after a mission went bad. She decided to remain that way and now works and lives off the grid using her unique skills. Dice is a professional who always finds a way to get the job done. After completing a job she meets Noah Avery a man that intrigues her mind, body, and soul. For the first time in her life she sees a future but will he accept her checkered past or her current occupation. Things become complicated for Dice when she takes a job that puts her back on the

radar of the CIA. She discovers a conspiracy that leads all the way to Washington D.C. Dice is forced to make a desperate choice, save herself or save the future President of the United States of America. *The Dangerous Woman Book 2 Serial Box* The acclaimed authors in this anthology are collectively responsible for dozens of "New York Times" bestsellers. Legendary editor Otto Penzler owns the Mysterious Bookshop in New York and is founder

of the Mysterious Press and Otto Penzler books. [A Dangerous Woman](#) Signet Camille Desmoulins, a journalist writing under the Montagnard regime of 1793-94, remarked that France's government had replaced "the language of democracy" with "the cold poison of fear, which paralyzed thought in the bottom of people's souls, and prevented it from pouring forth at the tribunal, or in writing." How this happened, how the Reign of Terror reached even into the

realms of thought and language, is the subject of Caroline Weber's book, a revealing look into the paradoxical embargo on free expression that underpinned the Robespierrists' self-proclaimed "despotism of liberty" during the French Revolution. Weber examines Jean-Jacques Rousseau's and the Robespierrists' articulation of a series of initiatives designed to curtail and control the dissemination of alternative political and philosophical messages in

the republic. Here Weber underscores the internal contradictions and limitations of an enterprise that promised universal freedom while oppressing particularism, and that railed against the very language that it was compelled to adopt as a principal political tool. The book then focuses on two eloquent contemporary critics of this phenomenon, Desmoulins and the Marquis de Sade, the infamous libertine author. Weber demonstrates how Desmoulins reconfigured

the Montagnard regime's rhetoric to conjure up a political system based on tolerance, not terror, and how Sade deftly parodied the Robespierrists' brutality and hypocrisy, proposing a republic based on the ruthless elimination of dissident voices and on the unabashed celebration of despotism and bloodshed. A balanced account of how the "discourse of totality" actually restricted particular freedoms in the wake of the French Revolution, this book provides a highly

original--and timely-- exposition of the political uses of rhetoric and of the links between language and power.

DANGEROUS WOMAN

BRILL

Two sexy, suspenseful bestsellers? together in one volume! Two stories of dangerous women entangled in the arms of deliciously treacherous men? Trouble in High Heels When Brandi Michaels discovers her fiancé hopping a flight to Vegas to marry his other girlfriend, she pawns her ring, buys herself a

fabulous outfit, and spends one sultry night in the arms of a gorgeous Italian stranger named Roberto Bartolini. And when Brandi becomes the mark for a killer, she has no choice but to turn to Roberto?a man who?s destined to be either her savior or her downfall? Tongue in Chic Devlin Fitzwilliam catches Meadow Szarvas breaking into his mansion to steal a priceless painting. In sheer desperation she tells him she has amnesia. But then he claims she?s his wife?and Meadow

finds herself locked in a match of high-stakes deception. She doesn?t dare take her eyes off him?and doesn?t want to?yet the danger is just beginning?

A Dangerous Woman

Penguin

While Kierkegaard is perhaps known best as a religious thinker and philosopher, there is an unmistakable literary element in his writings. He often explains complex concepts and ideas by using literary figures and motifs that he could assume his readers would

have some familiarity with. This dimension of his thought has served to make his writings far more popular than those of other philosophers and theologians, but at the same time it has made their interpretation more complex. The present volume is dedicated to the treatment of the variety of literary figures and motifs he used.

Current histories seem to suggest that men alone

have been capable of the development of ideas, analysis, and practice of international law until the 1990s. Is this the case? Or have others been erased from the collective images of this history, including the portrait gallery of notables in international law? *Portraits of Women in International Law: New Names and Forgotten Faces?* investigates the slow and late inclusion of women in the spheres of knowledge and power in international law. The forty-two textual and visual representations by

a diverse team of passionate portraitists represent women and gender non-conforming people in international law from the fourteenth century onwards around the world: individuals and groups who imagined, developed, or contested international law; who earned their living in its institutions; or who, even indirectly, may have changed its course. This rich volume calls for a critical identification of the formal and informal institutional practices, norms, and rituals of

(white) masculinities, both in the past and in the research of international law today. By abandoning reductive histories, their biased frames, and tacit assumptions, this work brings previously unseen glimpses of international law and its agents, ideas, causes, behaviour, norms, and social practices into the spotlight.

(tome 2) U of Minnesota Press

A collection of seven short stories celebrates dangerous women, both heroines and villains, and includes contributions by

George R.R. Martin, Carrie Vaughn, and Lawrence Block.

Alice is reeling as Joe
consistently blames
Professor Erickson-Law's
death on her. The stakes
escalate with her killer
unleashed in San
Francisco. While Matthew
Erickson and Kenneth Law
scramble to search for
Journey's killer, Joe
proceeds with the
flagrantly extravagant
wedding to Anita White

and disowns his mother. Everything spirals out of orbit when Joe moves out. Anita is a brutal person behind closed doors. Will her domestic violence towards him and the memory of his passionate love for Claudia Nagant 9 years before be enough for him to reconsider his familial indifference? Are Matthew and the Police any closer to landing Journey's killer behind bars? As Alice and Claudia get roped into the witch hunt, what will become of the Cornwell jewelry empire? Most importantly

of all, will Joe return to his family when they need him or forsake them absolutely? *Mortal Danger* Penguin Dylan Maguire's first assignment with the CIA is to interrogate recently captured Brenda Carnegie. But when she escapes again, it's clear she's had help from within the CIA's own ranks. Now she's in Dylan's custody again and he's learning the secrets she keeps could topple the government unless they can identify the rogue agents - and eliminate

them before they kill Dylan and Brenda. And when Dylan discovers Brenda's true identity, he realizes his mission has just become very personal.

International Record of Medicine and General Practice Clinics Ashgate Publishing, Ltd.

Iconoclastic, courageous, feisty and enraged at the Constitution-busting actions of the G.W. Bush administration, a group of parody-singing old women, the Santa Cruz gaggle of Raging Grannies, plays a dirty

little trick on a fanatically right-wing pundit on local TV. His ghastly death by poison the very next day sets them off to find his murderer--or was it, as the police believe, suicide?--and brings them very close to lethal danger themselves.
A Dangerous Woman
McFarland

Dangerous women aren't always the ones who carry guns and take down the bad guys. Sometimes, the most dangerous women are the ones we don't even notice -- the sultry siren crooning in a smoky bar, the innocent young girl twirling in her summer dress, the soft-

shoed nurse who helps the comatose. In this collection, award-winning author Shanna Germain gathers seven of her darkest, lushest fantasy and horror stories about strong, smart women who know that danger is a matter of scale -- and of which side you happen to be standing on.
