Not all students are the same. Choose the learning pathway that best suits your class. Choices gives teachers the flexibility to adjust the course to their teenage students' individual needs

New English File OUP Oxford

This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the

Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the English Vocabulary in Use range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy; marketing; IT and the Internet; ethics and globalisation.

A pacy, topic-based course with comprehensive coverage of language and skills for business, it motivates and engages both professionals and students preparing for working life."

Intelligent Business Elementary Teacher's Book for Pack Longman

This work surveys research from a range of perspectives in order to examine how children develop problem-solving skills. The author suggests that successful problem-solving is a social process, and that sharing problem-solving - with adults and other children - is vital to a child's development.

Trends, challenges and opportunities for growth Pearson Education

From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with Stuff You Should Know. With Josh and Chuck as your guide, there's something

interesting about everything (...except maybe jackhammers).

Student's Book Longman

English for Business Communication is a practical teaching and learning handbook for STIESIA students who take English Laboratory course in third semester.

The African Film Industry Penerbit Andi

Business Benchmark Second edition is the official Cambridge English preparation course for Cambridge English: Business Preliminary, Vantage and Higher (also known as BEC), and BULATS. A pacy, topic-based course with comprehensive coverage of language and skills for business, it motivates and engages both professionals and students preparing for working life. The Business Vantage Student's Book contains authentic listening and reading materials, including interviews with business people, providing models for up-to-date business language. Grammar and vocabulary exercises train students to avoid common mistakes, identified using Cambridge's unique collection of real exam candidates' answers. 'Grammar workshops' practise grammar in relevant business contexts. A BULATS version of this Student's Book is also available.

Going for Gold Longman

An innovative, new multi-level course for the university and in-company sector. Business Advantage is the course for tomorrow's business leaders. Based on a unique syllabus that combines current business theory, business in practice and business skills - all presented using authentic, expert input - the course contains specific business-related outcomes that make the material highly relevant and engaging. The Business Advantage Upper-intermediate level books include input from the following leading institutions and organisations: the Cambridge Judge Business School, the Boston Consulting Group, Nokia, Dell, and Havaianas - to name but a few. The Student's Book comes with a free DVD of video case studies.

Intermediate Coursebook Oxford University Press, USA

The Intelligent Business Workbook consolidates the language of the Intelligent Business Coursebook by providing further practice of key vocabulary, grammar and skills. Throughout the workbook there are Cambridge BEC style tasks to familiarise students with the exam.
