In this small collection of poetry and prose, each page is a new fragment of love, a small piece of a love letter.

Falling Through Love Andrews McMeel Publishing

An exquisite collection of the very best writing on love. THE LOVE BOOK presents a new anthology of writing on all aspects of the most important emotion on earth. There's true love, unrequited love, erotic love, platonic love, thwarted love, comic love, mourned love and just about every other type of love, explored here in poetry, prose, letters and lyrics from the greatest writers in the English language. In one fabulously

comprehensive volume, Allie Esiri brings together texts ancient and modern, from William Shakespeare to Sharon Olds, Catullus to Carol Ann Duffy, the bible to Bob Dylan; she offers us sonnets for wooing, lamentations for loss and perfect passages for weddings. Full of classics and all-time favourites, THE LOVE BOOK also includes lesser-known marvels, such as Mozart's love notes, Sappho's lesbian odes and a letter from Napoleon. Forget corny greeting cards and chocolate box clichés, this is the literature of love at its finest. Beautifully presented and helpfully divided into themed sections, it's an indispensable collection for anyone who's ever had a heart.

Love Between Sinners W.H. Allen

"As was the case with the book the preceded this one, Love, Poetry, Prose and the Facts of Life, this book continues to chronicle my journey through life and brings to light some of the good times, as well as some of the not-so-good times, I have experienced in the more than half-century of living with which I have been blessed. It once again speaks of some missteps I have taken in growing and maturing, but I can truthfully say I have learned and profited from these missteps. It speaks of lost love and the pain I have caused, as well as the pain I have endured because of some love--all part of the life we live."--Page 4 of cover.

An engaging and authoritative introduction to an increasingly important and popular literary genre Prose Poetry is the first book of its kind—an engaging and authoritative introduction to the history, development, and features of English-language prose poetry, an increasingly important and

popular literary form that is still too little understood and appreciated. Poets and scholars Paul Hetherington and Cassandra Atherton introduce prose poetry's key characteristics, chart its evolution from the nineteenth century to the present, and discuss many historical and contemporary prose poems that both demonstrate their great diversity around the Anglophone world and show why they represent some of today's most inventive writing. A prose poem looks like prose but reads like poetry: it lacks the line breaks of other poetic forms but employs poetic techniques, such as internal rhyme, repetition, and compression. Prose Poetry explains how this form opens new spaces for writers to create riveting works that reshape the resources of prose while redefining the poetic. Discussing prose poetry's precursors, including William Wordsworth and Walt Whitman, and prose poets such as Charles Simic, Russell Edson, Lydia Davis, and Claudia Rankine, the book pays equal attention to male and female prose poets, documenting women's essential but frequently unacknowledged contributions to the genre. Revealing how prose poetry tests boundaries and challenges conventions to open up new imaginative vistas, this is an essential book for all readers, students, teachers, and writers of prose poetry.

In the second of the Collections of Poetry and Prose book series, LOVE - A Collection of Poetry and Prose on Loving and Being in Love features 194 contributions from 86 writers and poets around the world, all writing in their own unique, wonderful and occasionally quirky way about loving and being in love. From rural towns and villages in Africa, Asia and India, and the tiny islands of Bahrain and Shetland, to the bustling metropolis' of Europe, the Americas and Australasia, with an eclectic mixture of both traditional and modern verse, as well as the more abstract and esoteric, and with many of the contributions reflecting the diverse backgrounds and cultures of the writers, LOVE is being praised worldwide for its diversity and mix of poets, writers and styles. "An undeniably unique collection poetry and short prose about love and loving, from writers around the world"

Poems and Prose on Love and Relationships I Andrews McMeel Publishing

Simple yet stunning love poems by Kamand, the young writer who has captured the hearts and minds of thousands all over social media. Inspired by the great Mystic poets of the East and the great Romantic poets of the West, The Eternal Dance is a collection of poetry and prose that explores the seven different states of love: Attraction and Infatuation, Devotion and Obsession, Heartbreak, Enchantment, Love, Understanding, and Unity. "I have given it much thought. There seems to be only one explanation for why we are here. Why our souls choose to incarnate as mortals only to suffer for a hundred years over and over again. I now understand we were once angels who chose to manifest as humans in order to experience the imperfect and tempestuous human love. So you see, if angels couldn't refuse love then who am I to refuse you? And so, I yield. I surrender to this. Our eternal dance."

The Cactus and the Rose GPF BX

A celebration of love and commitment in an anthology with material suitable for weddings and civil ceremonies.

I Love You Sweetheart is a collection of romantic poetry and prose that expresses the deepest thoughts of a woman who has gone the distance in her relationships, but still holds true to her belief that love conquers all. The poems pour out the contents of her heart, and each prose begs the reader to think of their place within their relationship. I Love You Sweetheart allows you to immerse your mind in the seat of passion. Lakesha Woods delicately dances with her words; innuendos of sexual escapades are neatly intertwined with words that describe feelings of love, concern, admiration and commitment. This book is the perfect teaser, an element of foreplay. Poetry fans are certainly in for a loving surprise.

Men Cry Too Square Peg

"I needed you to let me burn in the flames of the fire that was set inside of me and burned me from the inside out so that I may rise as something you'll have never touched. I needed you to let me kill myself so that I could be reborn from the ashes of my own scorched self." Phoenix, Feral Kenyon's debut poetry book, follows Olivia Niida, a woman that grows up guarded and with the personality of fire incarnate. Passionate, fiery, and comfortable in her own isolation, she's content with going through life on her own until she meets the love of her life. This book follows her journey through self-empowerment, falling in love, heartbreak, and growing from her pain. Even strong people fall apart sometimes.

Love in Other Realms iUniverse

Remember that one love, the one that didn't make any sense, yet it made all the sense in the world? The one that defied all odds; came crashing into your world in the most unsuspecting way, and before you knew it, it had vanished... but not without first leaving permanent marks? This book is dedicated to that one. That one love that begs of us to hold onto it. To write poetry inspired by in. To create art, in remembrance of it. To keep it close to our heart, and etched into our soul. That love. Love in Other Realms.

The Space Between Us Andrews McMeel Publishing

Depressed, with his emotions holding onto a tornado, Misner wrote about love, divorce, and heartache. The poems and prose were written as he was trying to handle what life had dealt him. Written from his heart, he feels it would be valuable to share his experience with others. The poems help make sense of how people hold onto the thrills and memories of love, as they lose their loved ones. Love is possible another day. Scars will heal; hurt will dissipate, but love stays forever in the fibers of your body, the pages of your memory, and the senses of your being. Misner said, "When I started to write, I had no subject in mind. I had all these different emotions running through me at the same time; most of them bouncing off each other. I found if I wrote down what I was thinking, in time I felt better. I don't know why writing about pain and heartache helps you grow, but you can learn from pain. As I wrote, I got stronger and saw where mistakes were made. Maybe the next time there will be no mistakes." Read his writings and you may avoid riding the tornado

"My Dear, Love Hasn't Forgotten You" is Carolyn Riker's third, full-length book of poetry and prose. This poetry book invites you to dream. There are four sections that melt into each other with ease. Carolyn's poetry is not ordinary and rarely follows the rules; instead, she becomes a stream of consciousness. "When we are river-like we flow. Nature connects us and grounds us with a love that will never forget us." In addition to those sentiments, Carolyn doesn't hold back with emotions. She wears them on her sleeve and dreams with them and you will become a part of this mystical mystery. "My Dear, Love Hasn't Forgotten You" is full, real, kind, deep, spiritual, caring and poetic. You will find yourself tantalized and hopefully, it'll spark your own imagination's creative juices.

A universal narrative on the significance of distance with love; remember to hold on to what you believe in. Ideal for those "whose love knows no bounds," The Space Between Us is full of profound anecdotes and messages, illustrating the courage and heartache of enduring physical distance. The Space Between Us explores the trials of love and what it's like to live a life separated by distance from someone you care about. Its content is thoughtfully divided into five chapters, or phases, of the long-distance experience: At First Glance Living for Tomorrow Lonely Nights Grow Together/Grow Apart When I See You. A combination of poems and prose are sporadically connected with small graphics and maps to visualize the journey of physical distance. These poems serve as an adhesive between the reader and the ones they miss, the longing, the anticipation, and the eventual relief. Though both authors bring with them a unique perspective, the lens is singular; each is attuned to navigating this complex terrain.
