The Kids' Guide to Titanic
 Cavendish Square Publishing, LLC
 On the disastrous night when the ocean

liner Titanic sinks, the sounds of a pig-shaped music box cheer children escaping in a lifeboat.
Titanic
 Scholastic Inc. Pocket Children: George Joshua The Titanic Story The

Titanic Story is aimed at children aged seven and over. Every book in the Pocket History Series is packed with facts and trivia that are guaranteed to entertain and educate young minds. What people

are saying about the Pocket History Series Goodreads Concise, well written and interesting. What more can you ask for? Online Post Five star reading for teenagers and also younger children. Yorkshire Standard (reviewer: Justin Lang) The Pocket History Series is essential reading for children who are interested in our heritage These are ideal books for discovering the joys of reading and

also becoming reading buddies with mum or dad *Noelle at Sea* Scholastic Incorporated Compelling narrative nonfiction text introduces the Titanic's second-class passengers, including details about their experiences aboard the historic ship, tragic losses, and dramatic stories of survival. Additional features to aid comprehension include a table of contents, fact-filled captions and callouts,

historical photos, a glossary, sources for further research, a listing of source notes, and an introduction to the author. **Save the Titanic for Kids** Orchard Books (NY) This is the tragic story of the Titanic, the biggest and most luxurious ocean liner the world had ever seen, which sank on her maiden voyage in April 1912. Beautiful, double-page illustrations with amazing

cross-sections and cutaway details explain the construction and mechanical details of this gigantic ship and reveal life onboard for passengers and crew. Each new illustration reveals different aspects of life in the early 20th century, and the text highlights hidden details for you to spot. As you follow the pictorial story of this world-famous liner, you will discover how she was built

and equipped, what kind of passengers and crew she carried, and what facilities she offered onboard. You will also find out how she struck an iceberg and met with disaster, why she sank so quickly, how many people were saved, and how many lives were lost. You can compare the differences between the Titanic's passengers- from the first-class millionaires to the third-class emigrants- and find out how

they dressed, where they ate and slept, and what they did to amuse themselves during the voyage. You can also take a closer look at some of the passengers and crew, and follow their different fates from the exciting start of the voyage to its tragic end.

The Story of the Titanic for Children

National Geographic Books
The true story of the world's most famous ship is retold in this beautiful book

with stunning visuals and a gripping narrative. One fateful night in 1912 the so-called Ship of Dreams turned into a nightmare in the Atlantic Ocean after hitting an iceberg and sinking on its maiden voyage. The tragedy of the Titanic is shown in dramatic original illustrations by award-winning artist Steve Noon. This luxurious liner still has the power to capture public imagination more than any

other vessel in history and more than a century later. From being built and setting sail to sinking fast and saving lives, the Titanic is explored and explained in fascinating detail with intricate cutaway scenes and cross-sections. Meet the captain, crew, and passengers from all walks of life who lost their lives or survived the sinking. Discover exactly what happened on the disastrous

voyage, the reasons why Titanic sank, and what lessons were learned for the future. Watch the drama unfold as ordinary people became unsung heroes and the supposedly unsinkable ship became an underwater wreck. Whether you're a history buff or simply seeking help for a school project, this is the ultimate tribute to Titanic. [Rescuing Titanic](#) Random

House Books for Young Readers Re-jacketed, refreshed, and now with expanded content and interactive spreads to appeal to the newest generation of readers. Read the incredible true story of the "unsinkable" ship that sank. Level 3 is for children able to read on their own. The stories are exciting and captivating in order to develop the child's own desire to read. More text and more complex

sentence structure are presented, with information spreads to help develop the reader's general knowledge. The choice of subject widens to match the broadening of children's experiences and interests. Whether your child is learning how to read or wants to practice and improve his or her reading skills, DK Readers have the right story for developmentally appropriate reading at

home. This innovative range of graded readers combines a highly visual approach with stories that children will want to read. Easy-to-read stories for beginning readers with word repetition progress to stories with rich vocabulary and more challenging sentence structure. There's a DK Reader for every child! Story of the Titanic Momentum This

interactive book offers readers a fabulous new insight into what it was really like aboard the majestic boat with photographs, letters, journal entries, pop-ups, pull-tabs, slide mechanisms, fold-out maps, and booklets for additional information. *Titanic Q&A* Random House Books for Young Readers Uncover the secrets of the Titanic in this fascinating exploration for kids 8 to 12 If you're

interested in the incredible story of the R.M.S. Titanic, this book helps you dive even deeper. Start with the details that explain why the ship was so famous even before it sank, then discover the secrets that are still resting at the bottom of the ocean today. Become an investigator as you dig into mysteries like why it took so long for help to arrive while the Titanic was sinking and what made it so difficult for

scientists to find the wreckage. As you sail through the story, watch out for the detective figure who pops up every time there is a clue on the page that will help you solve the mystery of the Titanic. Experience life at sea--Read the true stories of the ship's passengers, and learn where they slept, what they ate, and even what they did for fun while onboard. Uncover the truth--Photos,

illustrations, and diagrams help you explore the scientific techniques that researchers used to locate the wreck of the Titanic and reconstruct what happened to it. Form your own hypothesis-- Determine if different factors like the weather, the ship's construction, and poor communication among the crew could have contributed to the fatal voyage.

Immerse yourself in the history and science behind the famous story of the Titanic. [Titanic: Young Survivors \(10 True Tales\)](#) Yearling
The Titanic Story studies the RMS Titanic, the supposedly unsinkable, world-class passenger liner that sank in the North Atlantic in 1912. Vivid text and images bring the ship to life, examining its construction, technology, crew, and passengers,

as well as its fateful place in history. Features include a glossary, references, websites, source notes, and an index. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.
The Mystery of the Titanic Pocket History for Kids
