**Lee Hammond's Big Book of Acrylic Painting** Stackpole Books

Color Mixing in Acrylic features a range of techniques and valuable instruction for working with and mixing color in this classic medium.

**Acrylic Painting** Walter Foster Pub

Acrylic Made Easy is a new dynamic technique and project-driven series devoted to introducing beginning and intermediate artists to the fun and engaging world of acrylic painting. With a fresh and simple approach, this debut title, *Getting Started*, teaches artists everything they need to know about working with acrylic paint. Beginning with an overview on a variety of tools and materials, artists will learn how to select the right brushes, palettes, paints, paper, and surfaces for their work. This introductory guide also covers various acrylic gels and mediums and how to use them with acrylic paint to achieve various effects. *Getting Started* also provides artists with an overview of basic color theory and how to mix colors effectively, plan a composition, and achieve proper perspective. Additionally, fine artists will learn a range of basic painting techniques, such as creating washes, drybrushing, stippling, scumbling, and more. Expert artist Patti Mollica provides tips and techniques for creating an array of textures, building up layers, and adding details. Through a collection of approachable step-by-step projects artists will be able to put their newfound acrylic skills to use, starting with initial sketches and culminating in final works of art. Subject matter ranges from landscapes, to still life, to portraits, and more. Covering a wide range of content, subject matter, and techniques, for beginning and intermediate artists alike will find *Getting Started* a valuable resource for their art library. With inspiration, instruction, and professional tips and tricks on virtually every page, this full-color book is the perfect resource for acrylic artists.

*Acrylic Revolution* Courier Corporation

Learn everything you need to know to get started with acrylic painting. From rendering light and shadow to creating realism

through depth and texture, aspiring artists will discover the basics of acrylic painting through engaging, inspirational lessons and useful artist's tips. Beginning artists will find helpful information about selecting the right paintbrushes, supports, and paints to get started in acrylic painting. Additionally, artists will discover practical tips for using basic and special acrylic painting techniques to render textures, suggest dimension, and create effects. Featuring the artwork of Janice Robertson, *Acrylic Basics* includes a variety of easy-to-follow, step-by-step projects that are approachable for the beginning artist, including dynamic landscapes, colorful still life, and sweeping vistas. Designed for beginners, the *How to Draw & Paint* series offers an easy-to-follow guide that introduces artists to basic tools and materials and includes simple step-by-step lessons for a variety of projects suitable for the aspiring artist. With comprehensive instruction, plenty of artist tips and tricks, and beautiful artwork to inspire, *Acrylic Basics* is the perfect resource for any aspiring acrylic painter.

**Acrylic Painting with Passion** Walter Foster

This pocket-sized, practical guide has everything the acrylic artist needs to know about colour mixing, from colour theory to complementary, warm and cool colours, colour tone, using a limited palette, dull and bright colours and local colour. There follows an array of essential colour mixes using widely available Winsor & Newton colours. Clear, practical and beautifully presented advice.

**Learn to Paint in Acrylics with 50 Small Paintings** North Light Books

Demonstrates the versatility of acrylic paints, covers color, texture, glazing, and layering, and includes demonstrations of landscapes, still lifes, and portraits

**Master the basic theories and techniques of painting in acrylic** Quarry Books

I've always loved art. From the time I was a child, growing up and watching great artists paint happy little clouds, the joy of creating something beautiful with my hands has inspired me. So I dabbled; first in watercolors, then in oils, then in acrylics, and grew to love painting even more. I would always get asked, though, about the differences in types of paints, or the types of brushes to use, even what to do with the painting when it was finished. So I decided to create an instruction book. It's my belief that everyone who has the desire can make beauty when they set brush to canvas, and if that's what you're wanting to do, then that's what we're going to do! A little preview of what we're going to cover in this book. First, I'm going to explain the difference between acrylics and oils - both are worthy artists' tools, but we're sticking solely with acrylics here. I'm also going to explain the types of acrylic paints; the types of brushes and creative non-brush alternatives (limited only by your imagination!); various types of canvases; and some tools of the trade. I'll explain about the color palette and mixing colors, and we'll have a few practices using these techniques. Finally, we'll discuss preserving your painting, so you can keep it fresh and able to show off.

Basic Acrylic Instruction—Amazing Results! This resource is packed with the best of Lee Hammond's lessons and tips on working with acrylics, including more than 80 step-by-step exercises and demonstrations that will have you creating amazing paintings in no time flat. Success is easy—just follow along with Lee! With just seven to nine pigments, you can paint anything. You'll learn how to add layers and details, one stroke at a time. Along the way, Lee's friendly encouragement and quick tips will help you work past what she calls "the awkward stage," so you can complete your paintings with confidence. In addition to detailed information on selecting materials and mixing colors,

you'll also get complete visual instruction for painting subjects of all kinds, including:

- Still Life: Get proper proportions every time, using easy graphing techniques. You'll also find demonstrations for painting the tricky parts, such as glossy textures and reflective surfaces.
- Landscapes: Lee shares proven tips for creating depth and realism in subjects ranging from forests and mountains to prairies and seascapes. She also shows how to paint realistic clouds, trees, water and more.
- Animals: This chapter provides step-by-step guidance for painting all your favorite creatures. There's even extra instruction for getting the eyes, noses, fur and feathers just right.
- People: Painting people can be especially challenging, but success is easy with basic steps and practical guidance. One feature at a time, you'll learn simple techniques for painting faces of all kinds—male or female, young or old. You'll also find in-depth guidance for creating realistic fleshtones, eye color, hair and more. This is a complete acrylic painting course right on your bookshelf. Follow along from beginning to end or refer to this guide when you need a quick lesson. Either way, after learning from a master like Lee Hammond, you won't be a beginner for long. Get started today!

*Art of Acrylic Painting* Walter Foster Publishing

How to use painting mediums such as acrylic, watercolor, oil paint, ink, tempera, and pastels in combination with glazes, gesso, wax, and other materials for use in collages, scrapbooks, memory boxes, photo albums, and individual art pieces.

*New Tricks and Techniques for Working with the World's Most Versatile Medium* Walter Foster Publishing

This new, sophisticated, comprehensive reference book will inspire and instruct painters on how to handle today's acrylics in innovative and individualistic ways. Acrylics have grown into the most adaptable art material for the modern age. Developments in the pigment industry have given acrylics a remarkably permanent, rich, and abundant palette, making it the favorite medium of many contemporary artists. As colors are being developed, their chemical components are also enhanced for

better texture and handling. Art-supplies vendors now offer acrylic mediums for thinning, thickening, glazing, molding, pouring, texturing, and dozens of other uses. Even experienced acrylic painters can be confused—even intimidated—by this staggering diversity of products. Painter and art materials expert Rhéni Tauchid simplifies this daunting subject, clearly explaining each type of medium and suggesting ways it can enhance your painting practice. Over twenty step-by-step demonstrations teach you how to apply mediums to create vibrant colors, sensuous surfaces, and striking visual effects. Hundreds of beautiful photos illustrate mediums' almost limitless potential and show you how other artists—both abstract and realist—are employing mediums to push their art in new creative directions. The first book of its kind, this essential reference belongs on every acrylic painter's shelf. Includes the Work of Contemporary Masters: Nick Bantock, Diane Black, Bruno Capolongo, Pauline Conley, Marc Courtemanche, Marie-Claude Delcourt, Claire Desjardins, Marion Fischer, Heather Haynes, Lorena Kloosterboer, Suzy Lamont, Marie Lannoo, Connie Morris, Barry Oretsky, Lori Richards, Hester Simpson, Ksenia Sizaya, Rhéni Tauchid, Alice Teichert, Beth ten Hove, Sharlena Wood, and Heather Midori Yamada.

**Acrylic Painting for Beginners** Penguin

Achieve incredible results in your seascapes with this exciting, informative book. Dave White shows how to paint stunning dramatic marine scenes with beautiful and realistic skies. Simple techniques like spattering, blending and finger painting, and expert advice on the anatomy of waves, cloud types and beach perspective will revolutionise your seascapes. Three projects show step by step how to paint a beach panorama, a spectacular

sunset and waves crashing on rocks.

Acrylic secrets to bring your nature paintings to life! Bring landscapes to life with popular workshop instructor, best-selling author and television personality Jerry Yarnell! Jerry has made painting a pleasure—and a success—for thousands of artists, both beginner and experienced alike. In this book, he delivers eight new, fun-to-create wildlife scenes in his signature teaching style. Following Yarnell's clear and friendly instructions, readers will learn how to paint a variety of animals, landscapes and seasons—from horses in a spring pasture, to tropical ocean sunsets, to

winter birds nestled amid snow-laden pines. These heartfelt paintings capture not only nature's awesome beauty, but also a feeling of peace and well-being. Yarnell helps readers channel that same sense of ease by guiding them confidently every step and stroke of the way. These are the kinds of paintings—and the kind of teacher—that will keep artists smiling from start to finish. • 8 easy-to-follow, start-to-finish painting projects • Instructions for painting rivers, waterfalls, trees, deserts, flowers, nightscapes and more • How to bring scenes to life with elk, rabbits, owls and other animal subjects • Expert tips, tricks and tools for better results and more enjoyable painting

*The Art of Painting in Acrylic* North Light Books

Aimed at all painters, from beginners to the more experienced, this book is packed with expert advice on all aspects of acrylic painting: what to do, and what not to do. Learn how to choose and mix colors, and create a multitude of effects using only one set of tubes. Discover how to make your own equipment, set up a "studio" space, and use household materials to save money. Beginners can follow processes stage-by-stage, while more experienced artists can dip in and out for help with specific problems. A unique section on how to develop your art and take it to a wider public is full of professional secrets which can bring you success much more quickly. Try it" and Fix it" panels placed throughout the book suggest ways of practicing and developing new skills, and avoiding or correcting common painting errors.

*Brushstrokes: Acrylic* Walter Foster Publishing

Draws attention to the tools and techniques of acrylic painting and features thirteen demonstrations illustrating the processes involved in painting fruit, flowers, landscape, and human heads
