In this volume, Jennifer Fleischner examines the first- and best-known female account of life under, and escape from, slavery -- Harriet Jacobs' autobiography. In her introduction, Fleischner shows how Jacobs used the written word to liberate herself and promote the end of slavery by carefully discussing her sexual exploitation as a slave in ways that would inspire sympathy in -- and not offend -- her Victorian white, middle-class, female audience. An updated introduction explores Jacobs' personal

struggles with religion and violent resistance, and connects her narrative to the broader history of the anti-slavery movement in the United States. The rich collection of related documents that accompany Jacobs' complete narrative features three new sources, including the will of Jacobs' owner Margaret Horniblow, the abolitionist emblem, and the original title page of *Incidents in the Life of a Slave Girl*. Updated document head notes, chronology, questions for consideration, selected bibliography, and index provide students with a valuable framework for understanding this period in United States history. Available in print and e-book formats.

Incidents in the Life of a Slave Girl, written by herself is an autobiography by Harriet Jacobs, a mother and fugitive slave, published in 1861 by L. Maria Child, who edited the book for its author. Jacobs used the pseudonym Linda Brent. The book documents Jacobs's life as a slave and how she gained freedom for herself and for her children. Jacobs contributed to the genre of slave narrative by using the techniques of sentimental novels "to address race and gender issues." She explores the struggles and sexual abuse that female slaves faced as well as their efforts to

practice motherhood and protect their children when their children might be sold away.

This Prestwick House Literary Touchstone Classic includes a glossary and reader's notes to help the modern reader appreciate Jacobs' perspectives and language. DRIVEN BY THE HORRORS of slavery and fear of a predatory master, Harriet Jacobs, a young black woman, makes the fateful, life-altering decision to escape. Long thought to be the work of a white writer, Incidents in the Life of a Slave Girl is the captivating and terrifying story of Jacobs' daily life on a plantation in North Carolina, her seven years of hiding, and her ultimate triumph. Jacobs wrote her autobiography in 1861, under a pseudonym to protect the lives of the friends and family she left behind, and the work had been essentially lost until the mid-twentieth century. Now recognized as a classic, unflinching portrait of slave life, Incidents exposes slavery on a level comparable only to that of Narrative of the Life of Frederick Douglass.

One of the only surviving female slave narratives from the twentieth century, Incidents in the Life of a Slave Girl is an autobiographical account written by Harriet Jacobs. The narrative documents the extreme adversity she overcame before she eventually achieved her freedom. Born into slavery, young

Harriet was taken into the care of her mother's mistress, who treated her relatively well. However, a few years later, the mistress passed away and her cruel, abusive relatives inherited Harriet. Under the pseudonym "Linda Brent," Jacobs recounts within the book the horrific injustices she encountered: sexual abuse, extreme cruelty, exploitation, being denied motherhood when her children are sold to another slave owner. In *Incidents in the Life of a Slave Girl*, Harriet's agonizing descriptions are indicative of what many other enslaved African American women suffered through during this tragic time in American history.

"*Incidents in the Life of a Slave Girl*," which was first published in 1861, was one of the first slave narratives penned by a woman. The book tells the story of Harriet Jacobs (1813-1897), a slave from North Carolina who suffered greatly (along with her family) at the hands of her ruthless owner. After several failed attempts to escape, Harriet eventually made her way north. Her journey, which involved years of hiding, was incredibly slow. She did finally reach her destination, however, and was even reunited

with her children. Harriet's book is a testimony to the truth of her words that, though slavery was terrible for men, it was even worse for a woman. Due to the Fugitive Slave Law of 1850, she was not protected from recapture even after her escape. Her book provides an eloquent recital of the suffering slavery brings, from unkept promises to broken families, whippings, beatings, and burnings. The entire narration, including stories of masters selling their own children, is recounted with both precise detail and angry indignation. The story of her master's pursuit of her (which started when she was 15), his abuse, and her a hair-raising escape is a remarkable testimony to her strength, courage, and the resilience of the human spirit.

Winner of the Francis Parkman Prize *Changes in the Land* offers an original and persuasive interpretation of the changing circumstances in New England's plant and animal communities that occurred with the shift from Indian to European dominance. With the tools of both historian and ecologist, Cronon constructs an interdisciplinary analysis of how the land and the people influenced one another, and how that complex web of relationships shaped New England's communities.

In the fall of 1862 Julia Wilbur left her family's farm near Rochester, New York, and boarded a train to Washington DC. As an ardent abolitionist, the forty-seven-year-old Wilbur left a sad but stable life, headed toward the chaos of the Civil War, and spent most of the next several years in Alexandria devising ways to aid recently escaped slaves and hospitalized Union soldiers. *A Civil Life in an Uncivil Time* shapes Wilbur's diaries and other primary sources into a historical narrative sending the reader back 150 years to understand a woman who was alternately brave, self-pitying, foresighted, petty—and all too human. Paula Tarnapol Whitacre describes Wilbur's experiences against the backdrop of Alexandria, Virginia, a southern town held by the

Union from 1861 to 1865; of Washington DC, where Wilbur became active in the women's suffrage movement and lived until her death in 1895; and of Rochester, New York, a hotbed of social reform and home to Wilbur's acquaintances Frederick Douglass and Susan B. Anthony. In this second chapter of her life, Wilbur persisted in two things: improving conditions for African Americans who had escaped from slavery and creating a meaningful life for herself. *A Civil Life in an Uncivil Time* is the captivating story of a woman who remade herself at midlife during a period of massive social upheaval and change.

*Incidents in the Life of a Slave Girl* - Written by Herself - Harriet Ann Jacobs aka Linda Brent - *A True Story of American Slavery* - *Incidents in the Life of a Slave Girl* is a slave narrative that was published in 1861 by Harriet Ann Jacobs, using the pen name "Linda Brent." The book is an in-depth chronological account of Jacobs's life as a slave, and the decisions and choices she made to gain freedom for herself and her children. It addresses the struggles and sexual abuse that young women slaves faced on the plantations, and how these struggles were harsher than what men suffered as slaves. The book is considered sentimental and written to provoke an emotional response and sympathy from the reader toward slavery in general and slave women in particular for their struggles, with rape, the pressure to have sex at an early age, the selling of their children, and the treatment of female slaves by their mistresses. *Incidents in the Life of a Slave Girl* is an autobiography by a young mother and fugitive slave published in 1861 by L. Maria Childs, who bravely and generously edited

the book for its author, Harriet Ann Jacobs, who used the pseudonym Linda Brent. The book documents Jacobs' life as a slave and how she gained freedom for herself and, later, for her children. In her unique demonstration of a sophisticated reading of the literature of her day, Jacobs contributed significantly to the genre of slave narrative by astutely weaving methods common in sentimental novels "to address race and gender issues."

Specifically, she explores the struggles and sexual abuse that female slaves faced on plantations and generally in slavery, as well as their efforts to practice motherhood and protect their children within slavery's constraints, where their children might be sold away. In the text, Jacobs makes it clear that she is speaking to White women in the North who do not fully comprehend the evils of slavery. She makes direct appeals to their humanity and although she states that she's not seeking sympathy for herself, it is apparent that she is hoping to expand their knowledge and influence their sentiments about slavery as an institution. Throughout the text there is an evident tension of wanting readers to be able to relate while simultaneously acknowledging that a complete understanding is ultimately impossible for those who have never been enslaved.

There is a superstition that if an emptied theater is ever left completely dark, a ghost will take up residence. To prevent this, a single "ghost light" is left burning at center stage after the audience and all of the actors and musicians have gone home. Frank Rich's eloquent and moving boyhood memoir reveals how theater itself became a ghost light and a beacon of security for a child finding his way in a tumultuous world. Rich grew up in the small-townish Washington, D.C., of the 1950s and early '60s, a place where conformity seemed the key to happiness for a young boy who always felt different. When Rich was seven years old, his parents separated--at a time when divorce was still tantamount to scandal--and thereafter he and his younger sister were labeled "children from a broken home." Bouncing from school to school and increasingly lonely, Rich became terrified of the dark and the uncertainty of his future. But there was one thing in his life that made him sublimely happy: the Broadway theater. Rich's parents were avid theatergoers, and in happier times they would listen to the brand-new recordings of South Pacific, Damn Yankees, and The Pajama Game over and over in their living room. When his

mother's remarriage brought about turbulent changes, Rich took refuge in these same records, re-creating the shows in his imagination, scene by scene. He started collecting Playbills, studied fanatically the theater listings in *The New York Times* and *Variety*, and cut out ads to create his own miniature marquees. He never imagined that one day he would be the *Times*'s chief theater critic. Eventually Rich found a second home at Washington's National Theatre, where as a teenager he was a ticket-taker and was introduced not only to the backstage magic he had dreamed of for so long but to a real-life cast of charismatic and eccentric players who would become his mentors and friends. With humor and eloquence, Rich tells the triumphant story of how the aspirations of a stagestruck young boy became a lifeline, propelling him toward the itinerant family of theater, whose romantic denizens welcomed him into the colorful fringes of Broadway during its last glamorous era. Every once in a while, a grand spectacle comes along that introduces its audiences to characters and scenes that will resound in their memories long after the curtain has gone down. *Ghost Light*, Frank Rich's beautifully crafted childhood memoir, is just such an event.

Provides a detailed study of the life of the nineteenth-century writer, covering her life under slavery, as a fugitive slave, and in the post-Civil War years, and her writing of the slave narrative "Incidents in the Life of a Slave Girl."

*Incidents in the Life of Slave Girl* is considered a slave narrative as well as an example of feminist literature. Harriet Jacobs began

composing *Incidents in the Life of a Slave Girl* while living and working at Idlewild, Willis's home on the Hudson River. Jacobs's autobiographical accounts were first published in serial form in the *New York Tribune*, a newspaper owned and edited by abolitionist Horace Greeley. Her reports of sexual abuse were considered too shocking for the average newspaper reader of the day, and the paper ceased publishing her account before its completion. The narrative was designed to appeal to middle class white Christian women in the North, focusing on the impact of slavery on women's chastity and sexual virtues. Christian women could perceive how slavery was a temptation to masculine lusts and vice as well as to womanly virtues. (Wikipedia)

*Incidents in the Life of a Slave Girl* is one of the first personal narratives written by a slave and one of the few written by a woman. Harriet Jacobs, Linda Brent, was a slave in North Carolina who suffered terribly at the hands of a ruthless owner. She made several failed attempts to escape before successfully making her way north, a process that took years of hiding and slow travel. Jacobs is now perhaps the most read and studied Black American woman of the nineteenth century. "Reader be assured this narrative is no fiction. I am aware that some of my adventures may seem incredible; but they are, nevertheless, strictly true. I have not exaggerated the wrongs inflicted by Slavery; on the contrary, my descriptions fall far short of the facts. I have concealed the names of places, and given persons fictitious names. I had no motive for secrecy on my own account, but I deemed it kind and considerate towards others to pursue this

course."

Girl" was one of the first books to address the struggle for freedom by female slaves; explore their struggles with sexual harassment and abuse; and their effort to protect their roles as women and mothers. After being overshadowed by the Civil War, the novel was rediscovered in the late 20th century and since then hasn't been out of print ever. It is one of the seminal books written on the theme of slavery from a woman's point of view and appreciated worldwide academically as well. Harriet Jacobs (1813-1897) was an African-American writer who was formerly a fugitive slave. To save her family and her own identity from being found out, she used the pseudonym of Linda Brent and wrote secretly during the night.
