This comprehensive new guidebook to Colorado contains colorful in-depth descriptions of 172 different rides that can be combined in a variety of ways to create the best trips for all riding styles and interests. Each ride is mapped individually, and the individual rides each have their own more detailed maps, along with route descriptions,

photos, local points of interest, and historical background information. Regional maps show how the rides can be combined to form journeys from half a day to several days in length, on paved roads or into the back country, or both. Color photos for each ride introduce the incredible variety of terrain, and historical photos placed next to present day shots show how much (or how little) has changed in the intervening years. Insiders' Guide® to Colorado's Mountains Colorado Mountain Club Experience 50 of the best hikes in Colorado. This book includes detailed

shaded relief maps, GPS waypoint coordinates for each hike, accurate route profiles showing the ups and downs of each hike, tips on equipment, trip planning, and hiking with dogs and children, accurate directions, difficulty ratings, trail contacts, and more.

Colorado has 53 14ers, more than 600 13ers, and hundreds of other peaks that can be reached without special equipment or expertise. Numerous guides dryly catalog these trails, but *Best Summit Hikes in Colorado* stands out from them all. Author James Dziezynski has meticulously selected 80+ of the state's absolute best peaks in more than 50 superlative hikes, and his opinionated narrative brings each route to life. Each summit is included because of a notable feature--whether it's the site of a ghost mine or airplane wreckage, has thundering waterfalls or colorful floral meadows, is the best summit for spotting wildlife or bringing out-of-town

friends, or is very accessible. Some peaks offer unique opportunities, such as a trailhead accessible only via a steam-powered railroad. Several summits are described in no other publication.

Covering all Colorado's major mountain ranges, including the well-known Sangre De Cristo, Gore, Sawatch, Indian Peaks, and Maroon Bell wilderness areas to the lesser-known Grenadiers, Medicine Bow, and Outer San Juan peaks, this distinctive guide makes it easy to select exactly the right hike for the right day, the right mood, and the right companions.
