Queer Roots for the Diaspora BRILL

Le Livre d'Or (The Book of Gold) is a unique 17th century French magical work comprising numerous amulets,

charms, prayers, spells and sigils for working with the Biblical Book of the Psalms of King David. Written in a simple style akin to a medieval Book of Secrets combined with magical practices from the ancient world, Le Livre d'Or brings together practices which have their roots in major works from the Dead Sea Scrolls and the Cairo Genizah, to the Greek Magical Papyri and Sepher Shimmush Tehillim (Magical Use of the Psalms). Now translated into English for the first time, this

exceptional text demonstrates the significance of the Psalms as a unifying and vital thread throughout the development of Western magic. From Sweden to Syria, Britain to the Baltic, the use of appropriate Psalms has spread as a significant part of popular folk and religious magic, and Le Livre d'Or is an inimitable example of the transmission of divine power through the written and spoken word. Le Livre d'Or was originally bound as part of Lansdowne MS 1202 with a 17th century

French copy of the most important of grimoires, the Key of Solomon. The extensive commentary by David Rankine and Paul Harry Barron emphasises the place of the Psalms within the Grimoire tradition, detailing their extensive apotropaic, amuletic and coercive uses in works such as the Book of Abramelin, the Key of Solomon and the Goetia. The editors also illustrate how the magic of the Psalms has underlain and cross-fertilised numerous traditions over the last

two thousand years, from Hellenic magicians, early Christians and Jews of the ancient world to practitioners of the medieval Grimoires and Renaissance Cunning-folk. Whether it was for benevolent or malefic results, Le Livre d'Or provided the appropriate Psalm verses and relevant techniques. This previously ignored work is an outstanding example of eminently practical magic which not only draws on such major works as the Heptameron and the Steganographia,

but also many of the divine names found in the Kabbalah. From Saints to spirits, characters to Creeds, *Le Livre d'Or* shines forth as a significant and reclaimed chapter in the Western Esoteric Traditions. There is also a paperback edition available of this book.

McFarland World exhibitions have been widely acknowledged as important sources for understanding the development of the modern consumer and urbanized society, yet whilst the function and

purpose of architecture at these major events has been well-studied, the place of food has received very little attention. Food stood as a powerful semiotic device for communicating and maintaining conceptions of identity, history, traditions and progress, of inclusion and exclusion, making it a valuable tool for researching the construction of national or corporate sentiments. Combining recent developments in food studies and the history of major international

exhibitions, this volume provides a refreshing alternative view of these international and intercultural spectacles.

Essays consider the variety of responses to warfare and combat in medieval literature.

Writing War Routledge

First published in 1930, this book contains three French stories by André Demaison, taken from *Le livre des bêtes qu'on appelle sauvages*.

The Book of Gladness / Le

Livre de Leesce BRILL

In prose as magical and intricate as the tale it tells, Timothée de Fombelle delivers an unforgettable story of a first love that defines a lifetime. Joshua Pearl comes from a world that we no longer believe in — a world of fairy tale. He knows that his great love waits for him there, but he is stuck in an unfamiliar time and place — an old-world marshmallow shop in Paris on the eve of World War II. As his memories begin to fade, Joshua

seeks out strange objects: tiny fragments of tales that have already been told, trinkets that might possibly help him prove his own story before his love is lost forever. Sarah Ardizzone and Sam Gordon translate the original French into a work both luminous and layered, enabling Timothée de Fombelle's modern fairy tale to thrum with magic. Brimming with romance and history, mystery and adventure, this ode to the power of memory, storytelling, and love will ensnare any

reader's imagination, and every reader's heart.

The Book of Gladness (ca. 1380) contains one of the most powerful, original, and influential pro-feminine voices of the late Middle Ages. In a spirited riposte to the misogynist tradition, Le Fèvre (with the help of Gladness, his lady-persona) boldly reinterprets the Bible while questioning ancient authorities in the light of "true" experience, especially his own.

Despite its foundational importance, this work has never been translated into English. The present prose translation is lively and accessible, yet thoroughly grounded in scholarship. An Introduction explains the textual challenges hindering the full recognition of this classic up to now and elucidates its contribution to the medieval debate on the nature and status of women and marriage. Also included is the first-ever English translation and discussion of a newly discovered scribal

interpolation on Christine de Pizan in a manuscript of Jehan Le Fèvre's Lamentations. The bibliography provides the first complete list of manuscripts containing the French Lamentations and Le Livre de Leesce.

John of Ibelin New York, C. Scribner

This work presents a detailed analysis of Haggai in its socio-political context. Special attention is paid to the text's distinctive perspectives regarding Persian rule, inclusion in the community, the

ongoing relevance of prophecy, and the use of religious traditions.

The Athenaeum

The Book of the Homeless includes poems, essays, original art and musical scores by such notables of the time as Henry James, W.B. Yeats, Joseph Conrad, Thomas Hardy, Igor Stravinsky, Jean Cocteau, George Santayana and Paul Claudel, as well as other artists, musicians, writers and poets. Edith Wharton edited the text as a fundraiser for her WWI French charities, The

Children of Flanders Relief Committee and The American Hostels for Refugees. The introduction, written by Theodore Roosevelt, stated, "We owe to Mrs. Wharton all the assistance we can give. We owe this assistance to the good name of America, and above all for the cause of humanity we owe it to the children, the women and the old men who have suffered such dreadful wrong for absolutely no fault of theirs." Wharton's charitable work was so passionate and

successful, she was made a Chevalier de l'Ordre National de la Légion d'honneur in 1916 for her efforts.

La Guerre de 1914-1918

"Le Livre d'Or de la Confrérie de Saint Germain" rassemble les Saintes Ecritures que Maître Saint Germain a arrangées pour Son Âge d'Or et qui forme le Troisième Cycle d'Enseignement de la Fraternité de Saint Germain. Le disciple Sainy Germain, un précurseur du "JE SUIS", avertit les

étudiants à qui le travail est spécialement destiné de ne pas se laisser bernier par des choses extérieures ou par l'apparence, créées et déformées par l'homme. Peu importe non plus que nous trébuchions continuellement dans la vie parce que Dieu ne critique ni ne condamne jamais, mais a une patience infinie. Le message de Saint Germain se résume en une phrase: celui qui connaît la puissance de

Dieu en lui-même n'a rien à craindre de personne. Ceux qui sont intéressés à enquêter sur son oeuvre trouveront de sages conseils dans ce livre qui montre que la plénitude de Dieu peut être expérimentée dans nos propres vies et dans le monde et que, si nous sommes conscients de la présence divine en nous, nous serons rempli de santé, de prospérité et de bonheur.
