School Year Chronicles

Sign My Book! 2020-2021 Friends (and other people) was created by a 20-year teaching veteran for students who either cannot afford a yearbook, want to supplement a yearbook, or if they are in a school not producing a yearbook. Illustrations are appropriate for all ages and include a variety of interesting layouts. Sections Include: - Random Places for Signing: 85 pages of shapes, frames, and themes with room to sign or write. - Journals or Letters: 30 pages of lined journal-style pages for BFF's to really focus on writing what they feel. - Signatures: 7 pages of 13 lines (91 total) for people who just want to sign the book. - Sketches: 19 pages of open space for friends who want to draw something or write more free-form. From the author: "Over my 20 years in the classroom in both middle and high school, I have seen many either not come to school during yearbook signing days or simply not having anything to sign. In a year such as we have just endured, many schools will not even be producing yearbooks. This gives students an option. The designs also allow students to choose a page or section they identify with and sign, color, or sketch something for their friend."
