Although this training manual seeks to address the proper protocol to be employed while the usher carries out his or her duties, Davis emphasizes the importance of ushering from a Christ-centered, biblical perspective. (Church Administration/Pastoral Resources)

What is an usher? He is the can do, will do, go-to guy for his pastor during the services at his church. He sets aside his personal desires to serve his pastor, the congregation, and the guests in attendance. He is the smile and extended hand of welcome as you enter the doors to his church. He's the guy ready with the answers to your questions or he knows where to get the answers. The professional manner in which he conducts himself creates a smooth and seamless worship experience for all those in his building. He's the watchman at the gate, keeping an eye out for dangers. He has a plan for when unforeseen circumstances arise. He is prepared to act decisively when called upon. He's the man who will show you to your seat and is entrusted to take up the offering. The decision to write this booklet came from the careful study of the somewhat-antiquated handout I have been giving my new ushers to read when they begin their role as an usher at our church. I ordered several more books on the subject to search for a book that embodied everything I wanted to instill in my team of ushers, but my search came up lacking. While these handouts and books were great literature, they did not quite offer the depth that I was looking to give to my ushers. Through this search, I found some to be more ritual than helpful, while others were very heavy on the theology of ushering and church boards but less practical. I wanted something practical and more to the point of how to deal with everyday circumstances in the role of an usher. I wanted to find a book that speaks more directly to the reader. Since my search result came up empty, I decided to write one myself. I approach this subject from over twenty years of ushering experience and thirteen years as a head usher. I also draw from my twenty-five years of working in industrial construction as what is called a Millwright and, for a time, as an Ironworker. During most of my time working in construction, I was the foreman on the job. Years later, I would take from these experiences and apply them in my role being the head usher of my church. After more than twenty years of being involved with various ministries in my church, all the while being a greeter and an usher, I can tell you that in my opinion and experience, being a greeter or being an usher is one of the most important ministries you can take part in at your church. Being an usher and/or a greeter is very rewarding and brings a substantial amount of joy if you approach it the right way. It can also be frustrating, heartbreaking, and at times, very intense. I have been the head usher in my church since 2007. I'm in charge of ushering, greeting, and security. I get to see many aspects of the ministry from various perspectives, and I will touch on all three areas in this book. My life verse is Psalms 84:10. It reminds me, every day, of where I want to be in my life and why I do what I do. "For a day in Thy courts is better than a thousand. I had rather be a doorkeeper in the house of my God, than to dwell in the tents of wickedness." Psalms 84:10 KJV

A Guide for the Church Usher Beacon Hill Press

As we enter our church, the first person we often see is the usher. While many may look at the position of usher as simply a social one, it can be so much more. In "Ushering with a Mission," author Victor L. Davis presents the first comprehensive guide specifically addressed to the needs of the usher. The traditional approach to ushering focused on the task of meeting, seating, and greeting worshippers. The typical training manual addressed techniques ushers should use in carrying out those duties. Davis's "Ushering with a Mission" goes a step further and emphasizes the importance of disciplining the individual usher. Ushering is viewed as a ministry rather than a committee or board activity. The ministry of ushering is approached from a Christ-centered, biblical perspective. Ushering is not something we simply do because, "It's our Sunday to usher." We do it because it is a lifestyle, resulting from the overflow of the Spirit-filled life. "Ushering with a Mission" stresses the importance of Bible study, prayer, and personal evangelism with nonbelievers. Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission

and commandment of our Lord and Savior, Jesus Christ.

Going Public Xulon Press

A Practical Guide for Church Ushers & Greeters Dorrance Publishing

This is an usher's manual to be used in the Negro churches of the United States. Dr. Hill demonstrates how contemporary ushering in the Negro church is preceded by the Biblical Porter of the Old Testament and that this work was performed by a Levitical Priest. Thus, the work of the usher in the church is akin to allowing entrance into the Holy Place wherein dwells the presence of God.

Developing the qualities that make ushering one of the most important functions in the church.

Congressional Record WingSpread Publishers

In my youth I would watch the ushers at church and thought it would be neat to usher. It didn't look hard and I'd get to greet everyone. When I got old enough I volunteered and was hooked. After I was married and moved to the big city, the church I attend was very large, and like most churches they needed ushers. I was promoted very quickly and the responsibility didn't bother me. Then I was drawn to a new daughter church. This was a challenge, a brand new church. I offered what I could. When things got settled I was running one of the services. When the Head ushers spot came open I didn't think I was ready, so I prayed about it. A calmness came over me and I knew then it was what God wanted me to do.'
