The first glimpse of the sea on Marine Drive filled my heart, if not my head. I turned away from the red shadow. I stopped thinking of that pyramid of killers, and Sanjay's improvidence. I stopped thinking about my own part in the madness. And I rode, with my friends, into the end of everything. Shantaram introduced millions of readers to a cast of unforgettable characters through Lin, an Australian fugitive, working as a passport forger for a branch of the Bombay mafia. In *The Mountain Shadow*, the long-awaited sequel, Lin must find his way in a Bombay run by a different generation of mafia dons, playing by a different set of rules. It has been two years since the events in *Shantaram*, and since Lin lost two people he had come to love: his father figure, Khaderbhai, and his soul mate, Karla, married to a handsome Indian media tycoon. Lin returns from a smuggling trip to a city that seems to have changed too much, too soon. Many of his old friends are long gone, the new mafia leadership has become entangled in increasingly violent and dangerous intrigues, and a fabled holy man challenges everything that Lin thought he'd learned about love and life. But Lin can't leave the Island City: Karla, and a fatal promise, won't let him go.

Set in Bombay in the mid-1990s, *Family Matters* tells a story of familial love and obligation, of personal and political corruption, of the demands of tradition and the possibilities for compassion. Nariman Vakeel, the patriarch of a small discordant family, is beset by Parkinson's and haunted by memories of his past. He lives with his two middle-aged stepchildren, Coomy, bitter and domineering, and her brother, Jal, mild-mannered and acquiescent. But the burden of the illness worsens the already strained family relationships. Soon, their sweet-tempered half-sister, Roxana, is forced to assume sole responsibility for her bedridden father. And Roxana's husband, besieged by financial worries, devises a scheme of deception involving his eccentric

employer at a sporting goods store, setting in motion a series of events that leads to the narrative's moving outcome. *Family Matters* has all the richness, the gentle humour, and the narrative sweep that have earned Mistry the highest of accolades around the world.

A Wish for Death Macmillan

A stunning literary survival story of three young Sudanese boys, two brothers and a cousin—hailed by the *Los Angeles Times* as a “moving, beautifully written account, by turns warm and tender.” Between 1987 and 1989, Alepho, Benjamin, and Benson, like tens of thousands of young boys, took flight from the massacres of Sudan's civil war. They became known as the Lost Boys. With little more than the clothes on their backs, sometimes not even that, they streamed out over Sudan in search of refuge. Their journey led them first to Ethiopia and then, driven back into Sudan, toward Kenya. They walked nearly one thousand miles, sustained only by the sheer will to live. *They Poured Fire on Us from the Sky* is the three boys' account of that unimaginable journey. With the candor and the purity of their child's-eye-vision, Alephonsian, Benjamin, and Benson recall by turns: how they endured the hunger and strength-sapping illnesses—dysentery, malaria, and yellow fever; how they dodged the life-threatening predators—lions, snakes, crocodiles and soldiers alike—that dogged their footsteps; and how they grappled with a war that threatened continually to overwhelm them. Their story is a lyrical, captivating, timeless portrait of a childhood hurled into wartime and how they had the good fortune and belief in themselves to survive.

Holy Cow HarperCollins

Half-African, half-Indian and beautiful, Tandia is just a teenager when she is brutally attacked and violated by the South African police. Desperately afraid and consumed by hatred for the white man, Tandia seeks refuge in a brothel deep in the veld. There she learns to use her brilliant mind and extraordinary looks as weapons for the battles that lie ahead: she trains as a terrorist. But then Tandia meets a man with a past as strange as her own: Peekay, an Oxford undergraduate who is also the challenger for the world welterweight boxing championship - and a white man.

And in a land where mixed relationships are outlawed, their growing love can only have the most explosive consequences.

The sequel to *Shantaram* continues Australian fugitive Lin's search for love and faith in a Bombay that has come under the rule of a new generation of mafia dons and where Lin becomes trapped by his married soulmate and an increasingly violent mission.

Praised on both sides of the Atlantic as well as in the author's native Uganda, Moses Isegawa's first novel *Abyssinian Chronicles* was a “big, transcendently ambitious book” (*Boston Globe*) that “blasts open the tidy borders of the conventional novel and redraws the literary map to reveal a whole new world” (*Elle*). In *Snakepit*, Isegawa returns to the surreal, brutalizing landscapes of his homeland during the time of dictator Idi Amin, when interlocking webs of emotional cruelty kept tyrants gratified and servants cooperative, a land where no one—not husbands or wives, parents or lovers—is ever safe from the implacable desires of men in power. Men like General Bazooka, who rues the day he hired Cambridge-educated Bat Katanga as his “Bureaucrat Two”—a man too good at his job—and places in his midst (and his bed) a seductive operative named Victoria, whose mission and motives are anything but simple. Ambitious and acquisitive, more than a little arrogant, Katanga finds himself steadily boxed in by

events spiraling madly out of control, where deception, extortion, and murder are just so many cards to be played.

Inspired by a true story, artfully told by the author of *Searching for Bobby Fischer*: A Bahamian island becomes a battleground for a savage private war. Charismatic expat Bobby Little built his own funky version of paradise on the remote island of Rum Cay, a place where ambitious sport fishermen docked their yachts for fine French cuisine and crowded the bar to boast of big blue marlin catches while Bobby refilled their cognac on the house. Larger than life, Bobby was really the main attraction: a visionary entrepreneur, expert archer, reef surfer, bush pilot, master chef, seductive conversationalist. But after tragedy shatters the tranquility of Bobby's marina, tourists stop visiting and simmering jealousies flare among island residents. And when a cruel, different kind of self-made entrepreneur challenges Bobby for control of the docks, all hell breaks loose. As the cobalt blue Bahamian waters run red with blood, the man who made Rum Cay his home will be lucky if he gets off the island alive . . . When the Ebb Tide cruises four hundred miles southeast from Fort Lauderdale to Rum Cay, its captain finds the Bahamian island paradise he so fondly remembers drastically altered. Shoal covers the marina entrance, the beaches are deserted, and on shore there is a small cemetery with headstones overturned and bones sticking up through the sand. What happened to Bobby's paradise?

I'm the first-born son of the mafia king. The favorite. Destined to rule, I'm a dangerous man, a ruthless one. But in my world, you have to be. Then Natalie stumbles into my life. Wrong place. Wrong time. Twice, fate put her in my path. Twice, fate placed the innocent lamb at the mercy of the monster. I gave her a chance to walk away. Told her it would be better for her if she did. But she didn't listen. And now it's too late. Because I'm not good. I never wanted to be. And I won't let her go anymore. See, I'm not the hero. When I touch her, it's with dirty hands. I know my reckoning is coming though. I know I'll burn for the things I've done, the sins I've committed. And I don't deny hell is where I belong, but I want my time first. I want my time with her. She's mine. Forever. No matter what. Author's Note: Sergio is an emotional romance set in the Benedetti Mafia world. It is not a traditional romance. On the afternoon of 12 March 1993, a series of explosions cut a swathe of terror and destruction through Bombay. The toll: 257 killed or missing, 713 injured, and a city in a shambles. In *Black Friday*, S. Hussain Zaidi takes us into the heart of the conspiracy

which spanned several countries and the massive investigation that ensued. A product of four years of meticulous research, the book gives chilling insights into the criminal mind, through interviews with close associates of Dawood Ibrahim and Tiger Memon, among others. The characters we meet are compelling: the terrorists, the corrupt law enforcement agents who abetted the plot, the investigators who would stop at nothing, and, above all, the people of Bombay of whose resilient spirit this book is a celebration. Riveting and incisive, *Black Friday* reveals the true dimensions of a horrific tragedy which shook the nation.

The Stanislaski Brothers Yellow Kite

Cuando llegó a Bombay no era más que un fugitivo, sin identidad, sin futuro, sin esperanza. Allí conoció el paraíso y el infierno, el amor y el odio, la pasión y la guerra. Y se ganó un nombre otorgado con el corazón: Shantaram. Aterrizó en Bombay huyendo de un pasado de crimen y droga, perseguido por la policía tras su fuga de una prisión de máxima seguridad en Australia. Y en sus barrios más miserables, donde los extranjeros jamás se adentran, donde sólo el amor y la lealtad permiten la supervivencia, su existencia cobró auténtico sentido y alcanzó una intensidad que no creía posible. En las calles sucias y llenas de vida de Bombay aprendió el valor de la auténtica amistad junto a hombres

alegres y sencillos, como Prabaker, y otros violentos, duros y leales, como Abdullah. Conoció también el goce y el tormento de amar a una mujer excepcional. Y con la misma fuerza sufrió el lado oscuro de la vida: la tortura y el horror en las cárceles indias, la traición, la muerte de los seres queridos... Se hizo un nombre entre traficantes, contrabandistas y falsificadores, adoptó sus códigos de honor y forjó con ellos unos lazos que le llevaron hasta las montañas de Afganistán, junto a los mujahidines que combatían a los soviéticos. Ésta es la historia real de la transformación de un hombre que atravesó todos los estadios del espíritu y todas las pruebas del cuerpo. Y es también el relato de una aventura increíble en una ciudad terrible y fascinante a la vez, en cuyas calles caóticas y abigarradas se esconden las verdades esenciales de la vida. "Una lectura sensacional." -Publishers Weekly "Una primera impresión muestra que se trata de una brillante historia, pero uno también se da cuenta rápidamente de que Roberts es un magnífico creador de personajes." -Booklist "Una obra maestra, erudita e íntima, reflexiva y divertida, con toda la fuerza y el ritmo de un buen thriller." -Daily Telegraph "Una verdadera gigantesca saga." -London Daily Mail "Un héroe brutal, apasionado y romántico." -London Telegraph "Una voz narrativa capaz de transmitir

honestidad, sensibilidad y dejar una profunda huella psicológica." -Australian Book Review
