MILLS JESSIE

Senior Scholastic Little, Brown Books for Young Readers

Young readers can get a head start on learning about maps with the simple, engaging text and exciting pictures of the Rookie Read-About Geography series. Each book highlights a different aspect of map reading, providing readers with a fun way to learn useful geography skills.

Map Skills for Today: Grade 3 Scholastic
 Learn history and geography while studying maps of countries, continents, and bodies of water. Plus, an introduction to time zones.

Map Skills for Today: Grade 2 Teaching Resources

A collection of fascinating facts about all fifty of the states.

New York School Journal Children's Press
 Traces the events which led to the Battle of Gettysburg in 1864 and describes the dedication of the cemetery to the fallen soldiers by Lincoln in his famous speech. Includes text of the speech.

The Education Index Scholastic
 "Learn all about Gettysburg National Military Park, from which historic events occurred there to what it is like to visit today"--Provided by publisher.

Guts & Glory: The American Civil War Children's Press
 Learn fascinating facts about one of America's most interesting national parks where one of the bloodiest battles of the Civil War took place.

The Long Road to Gettysburg American Map

Learn about highway maps, hemispheres, and latitude and longitude while focusing on regions and states.

The School Journal Scholastic Teaching Resources

Describes the events of the Battle of Gettysburg in 1863 as seen through the eyes of two actual participants, nineteen-year-old Confederate lieutenant John Dooley and seventeen-year-old Union soldier Thomas Galway. Also discusses Lincoln's famous speech delivered at the dedication of the National Cemetery at Gettysburg.

Map Skills for Today: Grade 4 Houghton Mifflin Harcourt

Maps skills have never been so much! This full-color workbook is packed with engaging maps and activities that will make learning map skills a snap. Key topics covered include location words and

cardinal directions, map keys and symbols; latitude and longitude; road maps; vegetation maps, and lots more. For use with Grade 4.

Common Cause Scholastic

Tremendous battles, dangerous operations, fearless spies, and legendary heroes from America's deadliest conflict! From courageous cavalry rides deep into enemy territory to harrowing covert missions undertaken by spies and soldiers, the events of the American Civil War were filled with daring figures and amazing feats. This exhilarating overview covers the biggest battles as well as captivating lesser-known moments to entertain kids with unbelievable (and totally true) tales of one of America's most fascinating conflicts. History buff, Civil War reenactor, and popular blogger Ben Thompson uses his extensive knowledge and vivid storytelling style to bring the Civil War to life in this first book in a thrilling new series featuring incredible people, events, and civilizations. Get ready to learn just how awesome history can be!

Me on the Map Children's Press

Witnessing the harrowing events of the Civil War from the Pennsylvania sidelines, 11-year-old Henry endures the most grueling challenges of his life throughout a hot July week when he becomes inadvertently involved in the historic battle. Original.

Map Skills Made Fun Scholastic Reference

A comprehensive, deeply researched history of the pivotal 1863 American Civil War battle fought in northern Virginia. June 1863. The Gettysburg Campaign is underway. Robert E. Lee's Army of Northern Virginia pushes west into the Shenandoah Valley and then north toward the Potomac River. Only one significant force stands in its way: Maj. Gen. Robert H. Milroy's Union division of the Eighth Army Corps in the vicinity of Winchester and Berryville, Virginia. What happens next is the subject of this provocative new book. Milroy, a veteran Indiana politician-turned-soldier, was convinced the approaching enemy consisted of nothing more than cavalry or was merely a feint, and so defied repeated instructions to withdraw. In fact, the enemy consisted of General Lee's veteran Second Corps under Lt. Gen. Richard S. Ewell. Milroy's controversial decision committed his outnumbered and largely inexperienced men against some of Lee's finest veterans. The complex and fascinating maneuvering and fighting on June 13-15 cost Milroy

hundreds of killed and wounded and about 4,000 captured (roughly one-half of his command), with the remainder routed from the battlefield. The combat cleared the northern end of the Shenandoah Valley of Federal troops, demonstrated Lee could obtain supplies on the march, justified the elevation of General Ewell to replace the recently deceased Stonewall Jackson, and sent shockwaves through the Northern states. Today, the Second Battle of Winchester is largely forgotten. But in June 1863, the politically charged front-page news caught President Lincoln and the War Department by surprise and forever tarnished Milroy's career. The beleaguered Federal soldiers who fought there spent a lifetime seeking redemption, arguing their three-day "forlorn hope" delayed the Rebels long enough to allow the Army of the Potomac to arrive and defeat Lee at Gettysburg. For the Confederates, the decisive leadership on display outside Winchester masked significant command issues buried within the upper echelons of Jackson's former corps that would become painfully evident during the early days of July on a different battlefield in Pennsylvania. Award-winning authors Eric J. Wittenberg and Scott L. Mingus Sr. combined their researching and writing talents to produce the most in-depth and comprehensive study of Second Winchester ever written, and now in paperback. Their balanced effort, based upon scores of archival and previously unpublished diaries, newspaper accounts, and letter collections, coupled with familiarity with the terrain around Winchester and across the lower Shenandoah Valley, explores the battle from every perspective.

Rookie Read Scholastic Inc.

The terrifying details of the 1906 San Francisco earthquake jump off the page! Ten-year-old Leo loves being a newsboy in San Francisco -- not only does he get to make some money to help his family, he's free to explore the amazing, hilly city as it changes and grows with the new century. Horse-drawn carriages share the streets with shiny new automobiles, new businesses and families move in every day from everywhere, and anything seems possible. But early one spring morning, everything changes. Leo's world is shaken -- literally -- and he finds himself stranded in the middle of San Francisco as it crumbles and burns to the ground. Does Leo have what it takes to survive this devastating disaster? The I SURVIVED series continues with another thrilling story of a boy caught in one of history's

most terrifying disasters!

I Survived the Battle of Gettysburg, 1863

Savas Beatie

Looks at the three ages of exploration, offers brief profiles of famous explorers, and recounts how they traveled

The Story of the Gettysburg Address

Scholastic Teaching Resources

Traces the events which led to the Battle of Gettysburg in 1864 and describes the dedication of the cemetery to the fallen soldiers by Lincoln in his famous speech. Includes text of the speech.

Children's Magazine Guide Scholastic Inc.

60 fun and engaging reproducibles that teach key map skills and invite kids to learn about urban, suburban, and rural communities.

The Second Battle of Winchester

Simon and Schuster

Experience historic events through the eyes of Maximilian P. Mouse, Time Traveler! Maximilian P. Mouse has had his first adventure in history, but now he needs to get back to his family. When he tries for a second time, the time machine once again fails. This time he has landed in Gettysburg, Pennsylvania. Maximilian isn't sure if Gettysburg is close to Tanner's Glen, but he does know 1863 is the wrong year! Taking shelter in the home of a young lawyer named David Wills, Maximilian witnesses Abraham Lincoln finalizing his monumental Gettysburg Address. He has just enough time to watch Lincoln deliver the speech before he must make another attempt to return home! Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-6.

I Survived the San Francisco Earthquake, 1906 (I Survived #5)

Children's Press

Help students make the connection between key historical events, geography, and people with this collection of diorama-like maps. Each map highlights an important route in history, such as the Mayflower's voyage, Lewis and Clark's exploration, the Trail of Tears, the Transcontinental Railroad, and more. Students manipulate movable pieces across the maps to bolster their learning.

Pam and a Map Routledge

Practice math, reading, and critical thinking skills with activities on using a compass, making map keys and grids, and understanding political maps.

Doing History Teaching Resources

Presents brief information, photographs, and a map for each state and possession of the United States.
