HOW DO YOU KNOW WHEN YOU ARE IN A GOOD RELATIONSHIP?
Once upon a time 40 years ago, a teenage girl asked this very question in class. A young health education teacher decided to not only answer that question but also provide a method for everyone to compare and score their relationships in their quest for that ideal match. Fast-forward 40 years. That young teacher went on to become Dr. Andrew Yellen noted psychologist and relationship counselor. After using his comparison methods in relationship therapy for decades, it was a natural for that method to be transformed into the LOVE SHOPPING LIST(r) app and now the book which empowers you with the tools to "Unlock The Secret To Your Soulmate ." In addition to Dr. Andrew's easy-to-read narrative, the Love Shopping List book provides insight into relationships from both a female and male perspective in question and answer format. A huge array of actual questions and answers are provided from therapy and from Dr. Andrew's Thursday night Tweet Chats in which any questions asked on love, relationships, dating and sex are answered live such as: Is there such a thing as true love Why do so many relationships fail? What are the things you want to avoid in a relationship? Is there really a difference between male and female language? I think I need an interpreter. Do dating sites really work? Can you love someone but not be in love? How can I make sure I found the perfect relationship? The Love Shopping List book also explains how Dr Andrew's clinical methods built into the app empower individuals to make better decisions in choosing their relationships. The app is a free download (links provided in the book), has a worthwhile premium upgrade and goes hand in hand with the Love Shopping List book. Taken together, they are the ultimate reference guide and tool for anyone who is in a relationship or is seeking that special someone. "Unlock The Secret To Your Soulmate " with Love Shopping List!"

Becky è tornata! Becky Bloomwood non sta più nella pelle, si è appena trasferita con la piccola Minnie nientemeno che a Hollywood, per stare al fianco del marito Luke che ha una nuova importante cliente, Sage Seymour, l'attrice del momento, di cui lui curerà carriera e immagine. Per Becky è un sogno che si trasforma in realtà, ed è più che comprensibile che sia molto gasata: è convinta infatti che d'ora in poi potrà dare una svolta decisiva al suo lavoro di personal shopper per diventare invece la personal stylist di Sage e perché no, la stilista più acclamata e ricercata da tutte le star E poi ci sono così tante cose da fare e da vedere! Per fortuna arriva a darle una mano Suze, la sua fedele amica di sempre, che decide di raggiungerla con il marito. Tra location alla moda, red carpet, centri di meditazione e yoga per multimilionari e set cinematografici, Becky non vuole perdersi niente, d'altra parte non esiste solo lo shopping, ma spinta da troppo entusiasmo finisce per complicarsi la vita alleandosi con la grande rivale di Sage. Luke non lo sa, naturalmente, e Hollywood non perdona. Ben presto Becky scopre che le cose non sono affatto come sembrano. Riuscirà ancora una volta a tirarsi fuori dai guai grossi nei quali si è cacciata? Dopo quattro anni di assenza, I love shopping a Hollywood segna il graditissimo ritorno di Becky Bloomwood, mitica protagonista di ben sei romanzi della serie "I Love Shopping". Ancora una volta, Sophie Kinsella non tradisce le aspettative di tutti i suoi fan tornando a stupirci con una storia divertentissima, costellata dalle innumerevoli disavventure della sua amatissima Becky. Sophie Kinsella, prima di diventare una scrittrice di successo, era una giornalista economica. Per Mondadori ha pubblicato *I love shopping* (2000), che è diventato in breve tempo un bestseller sia in Italia che all'estero, *I love shopping a New York* (2002), *I love shopping in bianco* (2002), *Sai tenere un segreto?* (2003), *I love shopping con mia sorella* (2004), *La regina della casa* (2005), *I love shopping per il baby* (2007), *Ti ricordi di me?* (2008), *La ragazza fantasma* (2009), *I love mini shopping* (2010), *Ho il tuo numero* (2011) e *Fermate gli sposi!* (2013). In Oxford, I love you, Anna Quaglia shares her passion for the town that stole her heart. The "City of Dreaming Spires," as defined by Victorian poet Matthew Arnold, has held a special place in her life since her student days. The reader is taken by the hand and passionately led through the streets of Oxford, living with the protagonist during her time in college, experiencing the convivial moments in the characteristic English pubs, and meeting people from all over the world: all unforgettable moments that occupy a special place in the author's memories. After finishing the English course, Anna will find other excuses to return to Oxford: the bond with her beloved city is that strong! Born in Adria, in the Veneto region of Italy, Anna Quaglia is a teacher, translator, and proofreader. A graduate in foreign languages and literature, as a student, she took advanced English courses in Cheltenham and, of course, Oxford: this is when her love for the British city began. Throughout her career, she taught Italian as a second language, mainly to Erasmus students, and worked in a translation office. A woman of many facets, Quaglia also had a brief experience as a DJ at a private radio station in Ferrara and then as an employee in an advertising office. An accomplished author as well, her latest book, *Oxford, I love you*, was inspired by the emotions and suggestions evoked when she stayed at Magdalen College, Oxford, following in the footsteps of the protagonists of the award-winning 1993 British biographical film, *Shadowlands*.

It's Andrew and Amanda's turn... in duplicate We're having twins. Twins. Which means my shooters are stronger than my brother's. I win. Yeah, yeah, everyone can say it's not a competition, but it is. And we all know it. Two babies at once means double the fun, and double the misery for my poor wife, Amanda. While I'm growing a Fortune 500 company, she's growing two entire human beings out of nothing but orange cheese snacks and ice cream. Do you have any idea how hard I've worked during this pregnancy, tracking down orange smoothies for her? Not to mention being forced to Facetime into a childbirth class on perineal massage, rescuing Chuckles the cat from being shaved bald by my two-year-old niece, and fighting with a wife who has named the twins Lefty and Righty. By the time we hit the ninth month, my entire world revolves around pleasing — and protecting — her. Even if it means humiliating myself in the name of love. Wait a minute. Wait a minute, now. Hold on. Is she the one who's winning? Andrew and Amanda are BACK in the newest New York Times bestselling Shopping series book as they "beat" Declan and Shannon in the baby competition, but at what cost? As their future awaits them in the form of twins, Amanda and Andrew face ghosts from the past with wit, humor, and most of all — plenty of love.

From the #1 New York Times bestselling author of The Party Crasher and Love Your Life . . . "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your

Lover Sophie Kinsella returns to her beloved Shopaholic series with Becky Brandon (née Bloomwood) newly arrived in Hollywood and starry-eyed. She and her two-year-old daughter, Minnie, have relocated to L.A. to join Becky's husband, Luke, who is there to handle PR for famous actress Sage Seymour. Becky can't wait to start living the A-list lifestyle, complete with celebrity sightings, yoga retreats, and shopping trips to Rodeo Drive. But she really hopes to become a personal stylist—Sage's personal stylist—if only Luke would set up an introduction. Then, unexpectedly, Becky is offered the chance to dress Sage's archrival, and though things become a bit more complicated, it's a dream come true! Red carpet premieres, velvet ropes, paparazzi clamoring for attention—suddenly Becky has everything she's ever wanted. Or does she? Praise for Shopaholic to the Stars "A witty novel with the twists of a soap and the laughs of a rom-com."—InTouch "Shopaholic Becky is funnier than ever as she tries to make it in Hollywood as a celeb stylist."—People "Our beloved heroine Becky hilariously juggles motherhood and a new career. . . . Sophie Kinsella is such a genius."—Redbook "It's impossible not to fall in love with Becky and her antics, and this latest offering doesn't disappoint. With appeal for fans of Kinsella's prior Shopaholic books, this one will draw in new fans as well. Like the first six in the series, [Shopaholic to the Stars] is screamingly funny and lots of fun."—Publishers Weekly (starred review) "Take the caustic wit of Gillian Flynn and the comedy of manners of Edith Wharton, add a British accent—that's Sophie Kinsella."—The Globe and Mail "Fans of the series who love Becky just as she is (and has always been) will enjoy this seventh series entry. . . . Kinsella expertly plots this story and deftly drops in some unexpected twists."—Library Journal "Becky is a truly engaging narrator. She may be self-centered, a shopping addict and a bit flighty, but she's also good-natured and genuinely funny. It's a joy to accompany her on her journey, no matter how tangled it seems at times. A light, enjoyable read that's pure escapism."—Kirkus Reviews "Winsome Becky's romp through Hollywood will thoroughly entertain readers, and the novel's conclusion neatly paves the way for Becky's next adventure."—Booklist "Loyal fans who have enjoyed Kinsella's flakey protagonist in previous stories will enjoy this outing."—Fredericksburg Free Lance-Star "Kinsella fans will be ecstatic for this long-awaited addition to the author's Shopaholic series. Lighthearted, warm, funny—Kinsella rules the

red carpet with Becky's new Hollywood adventures. A little unsolved mystery at the end may cause the paparazzi to swarm Becky's home and leave readers wanting more."—RT Book Reviews

Shopping for Love is a memoir written by first-time author Rachel Levy Lesser. It tells the story of Lesser's life through vignettes of her shopping experiences with her grandmother, aunt, and mother over the course of twenty-five years. Shopping was a long-standing tradition in Lesser's family, and it became a gift for

her mother throughout her long battle with cancer, in fact, extending the quality and quantity of her mother's life. It is written with humor through a daughter's eyes and her understanding of life and its joys and sorrows. The vignettes are laid out in chronological order, and each one of them weaves a story about family members and imparts important lessons learned along the way. The Devil Wears Prada meets Tuesdays with Morrie in this heartfelt, humorous journey of a daughter coming to terms with her young mother's mortality, the strength she found in the example her mother set, and the hope they discovered together in the ladies' dressing room. Readers will laugh through their tears and identify with the bond that every daughter has with her mother, and each mother with her daughter too. They will be transported to the dressy shoe floor at Neiman Marcus, the Trish McEvoy makeup counter at Henri Bendel's, and then back to the chemotherapy treatment room at Jefferson University Hospital. Lesser's story reminds us that it is the little moments that often hold the most meaning and memory. Early Praise for Shopping for Love "In this delightful book, shopping becomes a metaphor for the journey through life

during which generations of one family meet and celebrate life's milestones and learn to face the inevitable grief of loss." - Paula Deitz, Editor, The Hudson Review "This humorous and heartfelt memoir will immediately draw you in, and you'll be smiling through your tears until finishing that last page. Rachel Levy Lesser is a wonderfully gifted storyteller; this tale will run like a movie through your mind. It reminds us of what is most precious in our lives, and gives the gift of true appreciation of sharing treasured moments with those we love." - Melanie C.
