## HOUSTON SANTIAGO

---

*Golpes de gracia* Henry Holt and Company  
 Explains how to break patterns of thinking that lead to anger, depression and violence, transform potential conflicts into compassionate dialogues, speak your mind without creating resistance or hostility, hear whatever is said to you as a "please" or "thank you", create greater depth and caring in your intimate relationships, and motivate with compassion rather than with fear, guilt or shame.

*Lolita* Malpaso Ediciones SL  
 Basketball.

*Mi Vida...en uniforme* Malpaso Ediciones SL

Great chess master shares his secrets, including basic methods of gaining advantages, exchange value of pieces, openings, combinations, position play, aesthetics, and other important maneuvers. More than 300 diagrams.

**La jugada de la meva vida** University of Chicago Press

AVAILABLE FOR THE FIRST TIME IN eBook!

A New York Times Notable Book On the eve of his ninetieth birthday a bachelor decides to give himself a wild night of love with a virgin. As is his habit—he has purchased hundreds of women—he asks a madam for her assistance. The fourteen-year-old girl who is procured for him is enchanting, but exhausted as she is from caring for siblings and her job sewing buttons, she can do little but sleep. Yet with this sleeping beauty at his side, it is he who awakens to a romance he has

never known. Tender, knowing, and slyly comic, *Memories of My Melancholy Whores* is an exquisite addition to the master's work.

**Pistol** Malpaso Ediciones SL

Gregory Bateson was a philosopher, anthropologist, photographer, naturalist, and poet, as well as the husband and collaborator of Margaret Mead. This classic anthology of his major work includes a new Foreword by his daughter, Mary Katherine Bateson. 5 line drawings.

*God is Round* Vintage

From the best-selling author of *The Secret in Their Eyes*, an adventure about friendship, soccer, and good humor When Alejandro "Mono" dies of cancer, his brother and two closest friends, a tight-knit group since childhood, are left to figure out how to take care of his young daughter, Guadalupe. They want to give

her all the love they felt for Mono and secure her future, but there isn't a single peso left in the bank. Mono invested all of his money in a promising soccer player whose talents haven't panned out, and the three hundred thousand dollars Mono spent on his transfer is soon to be lost for good. How do you sell a forward who can't score a goal? How do you negotiate in a world whose rules you don't know? How do you maintain relationships when repeated failures create fissures in lifelong loyalties? Fernando, Mauricio, and Ruso pool the few resources in their arsenal to come up with strategies—from harebrained to inspired—in their desperate attempt to recoup Mono's investment for Guadalupe. Following the lives of four distinct characters, who, despite their great differences, still manage to find solace and pride in one another, *Papers in the Wind* is a tribute to friendship and proof that love and humor can triumph over sadness. *Pep Guardiola: The Evolution* Xlibris Corporation

Andraes was always smaller than his friends, but he refused to let that stop him becoming one of the most special footballers of all time. This book tells of how his talent and hard work shone through as he rose up the ranks to become captain of the greatest Barcelona side ever, and score the winning goal in the World Cup final for Spain.

Horizontal Vertigo Simon and Schuster ¿Quién era realmente aquel insensato que decidió inventar el futuro? No han faltado respuestas a esa pregunta desde su muerte en 2011. Todas parciales. Para unos fue un visionario que alcanzó la gloria a pesar de sus molestas asperezas. Para otros, un tirano engreído con un toque de talento y una montaña de suerte. Para la gran mayoría, una insólita combinación de perspicacia e ineptitud, de encanto y soberbia. Fue, según el tópico, mitad genio y mitad cretino desde la cuna a la mortaja. En estos juicios, sin embargo, siempre falta algo, algo básico. Eso que a tantos escapa (la irreducible complejidad de un personaje furtivo) lo contienen estas páginas.

*Papers in the Wind* Malpaso Ediciones SL "Golpes de gracia" es el relato de dos vidas paralelas: la de Paulino Uzcudun, varias veces campeón europeo de los pesos pesados durante los años veinte y treinta, y la del también guipuzcoano Isidoro Gaztañaga, estrella fulgurante de los cuadriláteros y las alcobas. Fueron grandes amigos y enemigos feroces; compartieron juergas y festines; sedujeron a las más bellas y probaron las mieles de la fama; cosecharon titulares, exclamaciones y envidias... Finalmente

morderían el polvo. Nunca cruzaron guantes, pero siempre se miraron de reojo: miradas de odio, admiración, rencor o respeto. El primero acabó adherido a la causa franquista y, según cuentan, intervino en alguna de sus hazañas más negras. El segundo quedó varado en América y murió a balazos en una remota ciudad argentina por un trivial asunto de celos. Los dos cayeron después en las redes del olvido para renacer con todas sus contradicciones en esta insólita novela.

**Tedd and Todd's secret** Other Press, LLC

Un escándalo literario cuyos ecos siguen vivos sacudió la vida cultural italiana en septiembre de 2014: para sorpresa de todos, un asesino convicto y confeso había ganado el Premio Sciascia de ese año. Se llamaba Giuseppe Grassonelli, aunque en su pueblo natal todos lo conocían desde niño por el apodo de "Mala Hierba". Este libro es su historia. Comienza cuando, siendo aún adolescente, emigra a Alemania en busca de la prosperidad que Sicilia le negaba. La isla parecía muy lejana, pero una maldición ancestral lo empujaba sin remedio. Durante una breve visita cae herido en la masacre donde pierden la vida varios de sus parientes: viejas cuentas no saldadas con la mafia. Vendrá una revancha feroz: renunciando a todo, incluso al amor, Malerba perseguirá sin descanso y sin piedad a los verdugos de su familia. Las balas hablan sin ley cuando el Estado abdica de la violencia legítima.

**Andrés Iniesta** Macmillan

Aquest llibre sincer es la conseqüència d'una necessitat del propi Iniesta: la d'explicar-se com a jugador de futbol, però sobretot com a esser humà. Per aconseguir-ho utilitza la seva pròpia veu i ens explica com va ser la seva infantesa i la seva adolescència a Fuentealbilla i a la Masia, com va viure els moments més feliços i els més tristos de la seva carrera esportiva i com és la seva vida quotidiana, voltat de la seva família i els seus amics. Però, La jugada de la meva vida també conta amb els testimonis de tots aquells que han compartit molts dels grans moments d'Iniesta. Els seus companys del Barça, els seus amics d'infantesa, els seus companys a la selecció espanyola i els seus entrenadors. La jugada de la meva vida ens descobreix a la persona que s'amaga darrera del mite.

El libro de Steve Jobs Ballantine Books

A memoir by award-winning actor Mena Suvari, best-known for her iconic roles in *American Beauty*, *American Pie*, and *Six Feet Under*. *The Great Peace* is a harrowing, heartbreaking coming-of-age

story set in Hollywood, in which young teenage model-turned-actor Mena Suvari lost herself to sex, drugs and bad, often abusive relationships even as blockbuster movies made her famous. It's about growing up in the 90s, with a soundtrack ranging from *The Doors* to *Deee-Lite*, fashion from denim to day-glo, and a woman dealing with the lasting psychological scars of abuse, yet knowing deep inside she desires so much more from life. Within these vulnerable pages, Mena not only reveals her own mistakes, but also the lessons she learned and her efforts to understand and grow rather than casting blame. As such, she makes this a timeless story of girl empowerment and redemption, of somebody using their voice to rediscover their past, seek redemption, and to understand their mistakes, and ultimately come to terms with their power as an individual to find a way and a will to live—and thrive. Poignant, intimate, and powerful, this book will resonate with anyone who has found themselves lost in the darkness, thinking there's no way out. Ultimately, Mena's story proves that, no matter how hopeless it may seem, there's always a light at the end.

*The Great Peace* Malpaso Ediciones SL

The story behind Telemundo's Jenni Rivera: *Mariposa del Barrio* series, now streaming. A *New York Times* bestseller, this is the official biography from the beloved Mexican-American singer who lost her life in a tragic plane crash. The only autobiography authorized by Jenni Rivera "I can't get caught up in the negative because that destroys you. Perhaps trying to move away from my problems and focus on the positive is the best I can do. I am a woman like any other, and ugly things happen to me like any other woman. The number of times I have fallen down is the number of times I have gotten up." These are the last words that beloved Mexican American singer Jenni Rivera spoke publicly before boarding the plane that would crash and cut her life short on December 9, 2012. However, they are not the final words that *La Diva de la Banda* had for the world. Those are found in the pages you hold in your hands, Jenni's own account of the highs and lows of her extraordinary journey. She became the most acclaimed Spanish-language singer in the United States and sold more than 15 million records worldwide. A single mother of five and grandmother of two, she was also an actress, a television producer, the star of her own reality show, and an entrepreneur. But for all its immense success, Jenni's life often seemed to be a series of personal battles in which perseverance was her only weapon. As her

fame grew, she made it her mission to speak about her struggles, forging an intimate connection with her fans. She became a figure of strength and a source of encouragement to women of all ages. In *Unbreakable*, Jenni recounts the crucial moments in her past, revealing her experiences with domestic and sexual abuse, divorce, body image issues, making her way in a male-dominated industry, raising her children as a single mother, and learning that she could depend only on herself. Though she is no longer with us, Jenni will always be the "Rivera rebel from Long Beach," the girl who maintained her sense of humor and fighting spirit in every circumstance. In this remarkable memoir, Jenni leaves behind a legacy of inspiration and determination that will forever live on through her precious family, friends, and fans.

#### **La Tregua** Hachette Books

A brilliant, kaleidoscopic exploration of soccer—and the passion, hopes, rivalries, superstitions, and global solidarity it inspires—from award-winning author and Mexico's leading sports journalist, Juan Villoro. On a planet where FIFA has more members than the United Nations and the World Cup is watched by more than three billion people, football is more than just a game. As revered author Juan Villoro argues in this passionate and compulsively readable tribute to the world's favorite sport, football may be the most effective catalyst for panglobal unity at the time when we need it most. (Following global consensus, Villoro uses "football" rather than "soccer" in the book.) What was the greatest goal of all time? Why do the Hungarians have a more philosophical sense of defeat than the Mexicans? Do the dead play football? In essays ranging from incisive and irreverent portraits of Maradona, Messi, Ronaldo, Pelé, Zidane, and many more giants of the game to entertaining explorations of left-footedness and the number 10, Juan Villoro dissects the pleasure and pain of football fandom. *God Is Round* is a book for both fanatics and neophytes who long to feel the delirium of the faithful. Praise for *God Is Round* "If you want to talk about soccer, go talk to Juan Villoro." —Carlos Fuentes "In trying times like these, when the anguish and uncertainty can be almost too much to bear, Mexico turns to him, its philosopher-fanatic, to make sense of the seemingly nonsensical. With the nation's hopes for the World Cup spiraling into doubt and chaos, Juan Villoro, one of Mexico's most decorated and esteemed writers — who also happens to be a leading soccer analyst—comes charging down the metaphorical field to scold,

explain and extract the lessons within."

—The New York Times "The literature of Juan Villoro...is opening up the path of the new Spanish novel of the millennium."

—Roberto Bolaño "[Villoro] has assumed the Octavio Paz mantle of Mexican public wise man of letters (though with none of Paz's solemnity, for Villoro is as boyishly effusive, brimming with laughter and cleverness, as Paz was paternalistically dour—and, of course, Villoro, the author of the book *God Is Round*, may be the most fútbol-obsessed man alive)" —Francisco Goldman, *The New Yorker* Juan Villoro is Mexico's most prolific, prize-winning author, playwright, journalist, and screenwriter. His books have been translated into multiple languages; he has received the Herralde Award in Spain for his novel *El testigo*, the Antonin Artaud award in France for *Los culpables*. His novel, *Arrecife*, was recently short-listed for the Rezzori Prize in Italy. Villoro lives in Mexico City and is a visiting lecturer at Yale and Princeton universities. Thomas Bunstead's translations from the Spanish include work by Eduardo Halfon and Yuri Herrera, Aixa de la Cruz's story "True Milk" in *Best of European Fiction*, and the forthcoming *A Brief History of Portable Literature* by Enrique Vila-Matas (a co-translation with Anne McLean). A guest editor of a *Words Without Borders* feature on Mexico (March 2015), Thomas has also published his own writing in the *Times Literary Supplement*, *The Independent*, the *Paris Review* blog, *3ammagazine*, *Days of Roses*, *readysteadybook*, and *>kill* author.

#### **Chess For Dummies** Birlinn Ltd

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular *Daily Drop Cap* blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for

Zafón. *Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War.* Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets—an epic story of murder, madness, and doomed love.

#### **The Brooklyn Follies** Penguin

"The final, definitive match in the competition for the World Chess Championship is about to begin. Contenders Elias Tarsis and Marc Amary take their places at the board. The judges' implacable clock begins to tick, and a hush falls over the capacity crowd in Paris's Beaubourg Center Theater. But before the players can make their first moves, they are distracted by news of the kidnapping of a high-ranking Soviet diplomat. Tarsis—an artist and an intuitive genius—is convinced that his despised opponent—a world-renowned physicist—is behind the kidnapping. So begins the game, and so begins this darkly comic, metaphysical mystery novel ..."—Jckt.

**La jugada de mi vida** John Wiley & Sons The most famous and controversial novel from one of the greatest writers of the twentieth century tells the story of Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. "The conjunction of a sense of humor with a sense of horror [results in] satire of a very special kind." —The New Yorker Awe and exhilaration—along with heartbreak and mordant wit—abound in *Lolita*, which tells the story of the aging Humbert Humbert's obsession for the nymphet Dolores Haze. *Lolita* is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America. Most of all, it is a meditation on love—love as outrage and hallucination, madness and transformation.

#### **The Shadow of the Wind** Headline

For three extraordinary seasons at Bayern Munich, Martin Perarnau was given total access around the German super club – to its players, its backroom staff, its board members and, above all, to its manager, Pep Guardiola. In the follow-up to his critically acclaimed account of Guardiola's first full season at Bayern, *Pep Confidential*, Perarnau now lifts the lid on the Catalan's whole tenure in Bavaria. Pep

Guardiola: The Evolution takes the reader on a journey through three action packed seasons as Bayern smashed domestic records yet struggled to emulate that dominance in Europe, analysing Guardiola's management style through key moments on and off the field. Perarnau reveals how Guardiola improved as a manager at Bayern despite failing to land the ultimate prize in European football, examines his decision to leave Germany to take up the challenge at Manchester City and how his managerial style will continue to evolve in the Premier League. This is more than the story of three seasons with one of the biggest clubs in the game. It is a portrait and analysis of a manager and the footballing philosophies that have beguiled the world. [Inglés \( Inglés Sin Barreras \) Aprende Inglés Para Viajeros](#) Fernando Trujillo Sanz NEW YORK TIMES BESTSELLER Acclaimed sports journalist Jack McCallum delivers the untold story of the greatest team ever assembled: the 1992 U.S. Olympic Men's Basketball Team. As a writer for Sports Illustrated, McCallum enjoyed a courtside seat for the most exciting basketball spectacle on earth, covering the Dream Team from its inception to the gold medal ceremony in Barcelona. Drawing on fresh interviews with the players, McCallum provides the definitive account of the Dream Team phenomenon. He offers a behind-the-scenes look at the controversial selection process. He takes us inside the team's Olympic suites for late-night card games and bull sessions

where superstars like Michael Jordan, Magic Johnson, and Larry Bird debated the finer points of basketball. And he narrates a riveting account of the legendary intrasquad scrimmage that pitted the Dream Teamers against one another in what may have been the greatest pickup game in history. In the twenty years since the Dream Team first captivated the world, its mystique has only grown. Dream Team vividly re-creates the moment when a once-in-a-millennium group of athletes came together and changed the future of sports—one perfectly executed fast break at a time. With a new Afterword by the author "The absolute definitive work on the subject, a perfectly wonderful once-you-pick-it-up-you-won't-be-able-to-put-it-down book."—The Boston Globe "An Olympic hoops dream."—Newsday "What makes this volume a must-read for nostalgic hoopsters are the robust portraits of the outsize personalities of the participants, all of whom were remarkably open with McCallum, both then and now."—Booklist (starred review)

**Memories of My Melancholy Whores**  
Courier Corporation

"There are moments when a story shakes you...Barely Missing Everything is one of those stories, and Mendez, a gifted storyteller with a distinct voice, is sure to bring a quake to the literary landscape." —Jason Reynolds, New York Times bestselling author of Long Way Down In the tradition of Jason Reynolds and Matt de la Peña, this heartbreaking, no-holds-

barred debut novel told from three points of view explores how difficult it is to make it in life when you—your life, brown lives—don't matter. Juan has plans. He's going to get out of El Paso, Texas, on a basketball scholarship and make something of himself—or at least find something better than his mom Fabi's cruddy apartment, her string of loser boyfriends, and a dead dad. Basketball is going to be his ticket out, his ticket up. He just needs to make it happen. His best friend JD has plans, too. He's going to be a filmmaker one day, like Quentin Tarantino or Guillermo del Toro (NOT Steven Spielberg). He's got a camera and he's got passion—what else could he need? Fabi doesn't have a plan anymore. When you get pregnant at sixteen and have been stuck bartending to make ends meet for the past seventeen years, you realize plans don't always pan out, and that there are some things you just can't plan for... Like Juan's run-in with the police, like a sprained ankle, and a tanking math grade that will likely ruin his chance at a scholarship. Like JD causing the implosion of his family. Like letters from a man named Mando on death row. Like finding out this man could be the father your mother said was dead. Soon Juan and JD are embarking on a Thelma and Louise—like road trip to visit Mando. Juan will finally meet his dad, JD has a perfect subject for his documentary, and Fabi is desperate to stop them. But, as we already know, there are some things you just can't plan for...
