Spook Lights: Southern Gothic Horror Atheneum Books for Young Readers

One of the most popular writers working in Japan today, Mariko Koike is a recognized master of detective fiction and horror writing. Known in particular for her hybrid works that blend these styles with elements of romance, *The Graveyard Apartment* is arguably Koike's masterpiece. Originally published in Japan in 1986, Koike's novel is the suspenseful tale of a young family that believes it has found the perfect home to grow into, only to realize that the apartment's idyllic setting harbors the specter of

evil and that longer they stay, the more trapped they become. This tale of a young married couple who harbor a dark secret is packed with dread and terror, as they and their daughter move into a brand new apartment building built next to a graveyard. As strange and terrifying occurrences begin to pile up, people in the building start to move out one by one, until the young family is left alone with someone... or something... lurking in the basement. The psychological horror builds moment after moment, scene after scene, culminating with a conclusion that will make you think twice before ever going into a basement again.

Join celebrated creator Gris Grimly in this spooky countdown, as one little girl ventures out into the night for an unforgettable Halloween adventure! 10 little pumpkins, sitting in a line, looking for a cat and they found nine. The wind said SWOOSH and the gate went CREAK. The owl cried WHOOOO, we all screamed EEK! Celebrated creator Gris Grimly, widely known for his gothic style illustrations, puts a spooky twist on a favorite preschool rhyme in this Halloween read-aloud. Join goblins, ghosts, witches, and more in this rhythmic countdown, traveling through the countryside and discovering more Halloween creatures along the way. Finally, the story culminates with them all joining together in a joyful celebration under the full harvest moon, dancing until it's time for bed. Paired with Gris Grimly's sweeping, stunning watercolor illustrations and a rhyming refrain reminiscent of classics like *We're Going on a Bear Hunt*, this is a read-aloud for the whole family to cherish.

Beatrice likes the dark. She likes black clothes, graveyard picnics, and a sky full of stars. Her sister, Roo, likes the light. She likes

bright clothes, picking strawberries, and hot, sunny days. Beatrice and Roo are nothing alike and don't understand each other. Can Beatrice help Roo love the dark as much as she does? Can Roo help Beatrice love the light? Or are they simply too different to get along? With lushly detailed artwork, award-winning illustrator Khoa Le brings to vivid life acclaimed author April Tucholke's heartwarming, slightly spooky tale about two very different sisters who learn to celebrate their individuality, understanding that love runs deeper than their differences.

Explore your inner goddess and discover peace and power through coloring with this goddess and mythology inspired coloring book by Selina Fenech. This coloring book features 25 goddesses, gods, and female characters from many world mythologies, ready to be brought to life with color! This book includes TWO full sets of the 25 artworks, for a total of 50 pages to color in. Page size is 8.5x11 inches, letter size. Images on one side only for easy removal and display. Images are framed within the page, not full bleed. These intricate designs are suitable for adults and experienced colorists. Parental discretion advised for younger artists as some artworks contain artistic/concealed nudity and sensual goddess imagery. Goddesses from all over the world, including Antheia, Aphrodite, Arianrhod, Athena, Blodeuwedd, Cerridwen, Coventina, Diana, Echo, Fidelma, Gaia, Guanyin, Horned God and Goddess, Ishtar, Isis, Lady of the Lake, Morrigan Triple Goddess, Nuwa, Oshun, Rhiannon, Selene, Shiva and Parvati, Tempestas, Valkyrie, Wiccan god and goddess. From the Artist: As an artist, color is a thing of magic in my life. Color creates shapes, forms, and feelings in the artworks I paint. Laying

color onto a blank page is when I feel closest to true magic, when I feel happiest and most relaxed, and it's through what I create that I share my love of magic with the world. Through my coloring books I want to share that same magic with you. The artworks in my books are based on my completed paintings, which I have painted over the last ten years as a professional artist. I have created the coloring designs to be intricate and detailed but still fun and accessible. There is something for lovers of meditative detail while simple enough to not be overwhelming for younger colorists. When designing my books I decided to print them with two copies of each design, because I know as an artist there are always so many possibilities! I wanted to give everybody the chance of a do-over with every design, because I also know mistakes can happen, and even the fear of mistakes can hamper creativity. I want you to be able to create without fear! Try a different medium, or a different color scheme. The double pages are also a chance to share the magic with a friend, child, parent, sibling. Because sharing your creativity and joy of color is the best magic of all.

[Unfaithful - The Deception of Night](#) Little, Brown

Halloween may be the most misunderstood holiday on the calendar, because many people don't realize the depth of its history. It has tremendous power and purpose, which benefit all of mankind--those who are with us now, and those who have moved into the hereafter. Among the dark shadows and foggy

mist, the living have long searched the night on Halloween. Some catch a fleeting glimpse or vision of a loved one. Others are touched by the gift of a telepathic message. In some mysterious way, the spirits feel your every thought and hear your every word on this mystical, magical night. The Power of Halloween draws on author Diana Millay's heritage: witches and witchcraft. It does not come from history books but from stories passed on by generations of a family of mystics who have made magic since the beginning of time.

**Halloween Coloring Book** Bloomsbury Publishing

A fun, action-packed fantasy adventure about a girl, her dog, and magic gone wrong! Quiet . . . birds . . . nature. . . . That's what Aster expects when her parents move their whole family to the middle of nowhere. It's just her (status: super-bored), her mom and dad (status: busy with science), her brother (status: has other plans), and . . . . . magic? In her new home, Aster meets a mysterious old woman with a herd of dogs who gives her a canine companion of her own. But when she and her dog Buzz are adventuring in the forest, they run into a trickster spirit who gives Aster three wishes. After wishing for the ability to understand and talk to her dog, she becomes only able to talk in dog language . . . and the trouble she gets into is just starting. Maybe the middle of nowhere will be more interesting than Aster thought. "Crisp, vibrant artwork." -The AV Club

After the loss of her conscience, Becket finds joy in the nightmare landscape of Philadelphia after dark, but with every night, she sinks ever deeper into the night magic's grasp.

**Mythical Mermaids - Fantasy Adult Coloring Book** Courier Dover Publications

A young girl is forced to move into a broken-down house in the country—and she and her new stepbrother discover its hidden horrors . . . Martha wants to be happy for her father. She likes his new wife—even if she's a terrible cook—but she doesn't understand why they had to leave Chicago and move to this horrible house in the country. It's big, broken-down, and miles from anywhere, alone in the woods with nothing on the property but an overgrown cemetery. But at night it doesn't feel empty. Conor—her new, weird stepbrother—chose Martha's new room for her. It's dark and drafty, and no matter how she tries to fix it up, she can't sleep easily there. At night, whispers come from the closet, filling Martha with a sense that something terrible happened here. She's right. Not long ago, the house was the site of a gruesome murder. When Conor and Martha's parents leave town on their honeymoon, the two teens will find out why the dead don't rest easy at the old Bedford house. This ebook features an illustrated biography of Richie Tankersley Cusick including rare photos and never-before-seen documents from the author's personal collection.

**Beatrice Likes the Dark** Anchor

This masterfully crafted horror classic, featuring a brand-new introduction by Dan Simmons, will bring you to the edge of your seat, hair standing on end and blood freezing in your veins. It's the summer of 1960 and in the small town of Elm Haven, Illinois, five twelve-year-old boys are forging the powerful bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by

all of the secrets and silences of an idyllic middle-childhood. But amid the sundrenched cornfields their loyalty will be pitilessly tested. When a long-silent bell peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcize this ancient plague, Mike, Duane, Dale, Harlen, and Kevin must wage a war of blood—against an arcane abomination who owns the night...

**Fairy Magic - Whimsical Fantasy Coloring Book** Farrar, Straus and Giroux

Gus Ramone is "good police," a former Internal Affairs investigator now working homicide for the city's Violent Crime branch. His new case involves the death of a local teenager named Asa whose body has been found in a local community garden. The murder unearths intense memories of a case Ramone worked as a patrol cop twenty years earlier, when he and his partner, Dan "Doc" Holiday, assisted a legendary detective named T. C. Cook. The series of murders, all involving local teenage victims, was never solved. In the years since, Holiday has left the force under a cloud of morals charges, and now finds work as a bodyguard and driver. Cook has retired, but he has never stopped agonizing about the "Night Gardener" killings. The new case draws the three men together on a grim mission to finish the work that has haunted them for years. All the love, regret, and anger that once burned between them comes rushing back, and old ghosts walk once more as the men try to lay to rest

the monster who has stalked their dreams. Bigger and even more unstoppable than his previous thrillers, George Pelecanos achieves in *THE NIGHT GARDENER* what his brilliant career has been building toward: a novel that is a perfect union of suspense, character, and unstoppable fate.
