Hit List Anita Blake, Vampire Hunter, Novels

#1 New York Times bestselling author Laurell K. Hamilton offers a sexy, suspenseful novel of human—and inhuman—passions, as vampire hunter Anita Blake must repay a favor to a man almost as dangerous as the ancient evil she's about to face... Edward is a hit man, specializing in monsters, vampires, shapeshifters, anything and everything. There are people like Anita who do it legal, but Edward doesn't sweat the legalities, or, hell, the ethics. He's an equal opportunity killer. Anita may be one of the few friends that Edward has, but it's like being friends with a tame leopard. It may curl up on the foot of your bed and let you pet its head, but it can still eat your throat out... EXCLUSIVE TO THIS EDITION ONLY: A PREVIEW OF THE LATEST ANITA BLAKE,

VAMPIRE HUNTER NOVEL, CRIMSON DEATH

Bite Penguin

"A brutal murder, a suspect in jail, and an execution planned, but what if the wrong person is about to be executed? When a fellow U.S. Marshal asks Anita Blake to fly to a tiny community in Michigan's Upper Peninsula on an emergency consult, she knows time is running short. When she gets there, there is plenty of proof that a young wereleopard killed his uncle in the most gruesome and bloodiest way possible. As the mounting evidence points to him, a warrant of execution is already under way. But something seems off about the murder, and Anita has been asked to examine the crime scene and the evidence for her expert opinion. Despite the escalating pressure from local cops and the family's cries for justice for their dead patriarch, Anita quickly realizes that the evidence doesn't quite add up. But with a tight-knit community up in arms and fear against supernaturals growing, time is almost up, as Anita races to uncover the truth and determine whether the Marshals have caught the killer or are about to execute an innocent man, all in the name of justice."--

An Anita Blake, Vampire Hunter, novel 'Something in the look on my face must have frightened him, because his eyes widened, and I saw something like human fear cross his reptilian face.' I'm Anita Blake and I kill monsters. The last thing I want to think about though when I get home after a night out is work. But someone has abducted a wereleopard from the Narcissus in Chains club. It's a dark world out there with shapeshifter crime and were-creature struggles. I may not have seen Jean-Claude, the Vampire Master of the City, for six months, but I need his help now, whatever the consequences. Someone is targeting the lycanthropes and we have to save them.
