A New York Times Bestselling Author Chase has no idea who he is, why he came to Fort Worth, or who tried to put a bullet in his head the night a cowboy named Laredo Smith saved his life. Laredo seems sure that the big burly man is Chase Calder, owner of the Triple C Ranch in Montana. According to the local papers, Chase Calder had been declared dead -- a victim of a fiery car crash. Shifting Calder Wind is the latest installment in the immensely readable two-decades-old series about the Calder family saga.

Nightway Simon and Schuster

Janet Dailey, the New York Times bestselling author who has touched the hearts of millions, shines in this unforgettable novel. Sweeping from the wealth and glamour of a modern Texas city to the rugged majesty of Mexico's High Sierras, this is a magnificent tale of desire and destiny from one

of the world's most beloved storytellers. All her life, beautiful Sheila got what she wanted. Now she yearned for the raw passion of a man beyond her reach, a violent, mysterious outlaw whose followers adored him. A lion of a man who held her for ransom—a man who would trade her for a fortune in gold. But Sheila wanted only him—with all the reckless longing of her body and soul.

Refuge Cove MIRA

In the harsh New Mexico Territory, Hannah Wade was captured and enslaved by avenging Apaches. Only her steel-edged will to live kept her alive. Finally rescued, she returned to a husband who shunned her touch, and to white women friends who found her stained and disgraced. But Hannah fought for her honor with the help of one man who valued her strength and spirit...one man who walked by her side in a land strewn with hate and injustice.

The Sheriff's Christmas Angels MIRA

It's going to take more than a home run for a superstar athlete to make a fan out of the woman who's captured his imagination in Rules of the Game from #1 New York Times bestselling author Nora Roberts. Brooke Gordon left her orphaned and impoverished childhood in the dust when she

rose to prominence as a respected television director. She has no time or tolerance to coach arrogant baseball champion Parks Jones how to hit his marks for a thirty-second spot no matter how charming he appears on and off camera. But Parks isn't a man used to striking out with women—and he's discovered that waiting for Brooke to throw him the perfect pitch will win him a lifetime of love.

From the bestselling author of P.S. I Love You and Love, Rosie, Cecelia Ahern, comes an enchanting novel that leads you to wonder if Not Seeing is believing! Readers and critics alike adore Cecelia Ahern for her lighthearted yet insightful stories about modern women and their often unusual situations. In If You Could See Me Now, she takes that theme a step further, offering us a heroine who is entirely believable, and the new man in her life who is, well, slightly less so. Elizabeth Egan's life runs on order: Both her home and her emotions are arranged just so, with little room for spontaneity. It's how she counteracts the chaos of her family--an alcoholic mother who left when she was young, an emotionally distant father, and a free-spirited sister, who seems

to be following in their mother's footsteps, leaving her own six-year-old son, Luke, in Elizabeth's care. When Ivan, Luke's mysterious new grown-up friend, enters the picture, Elizabeth doesn't know quite what to make of him. With his penchant for adventure and colorful take on things large and small, Ivan opens Elizabeth's eyes to a whole new way of living. But is it for real? Is Ivan for real? If You Could See Me Now is a love story with heart--and just a touch of magic.

Janet Dailey's iconic Calder Saga is synonymous with everything readers have come to love in her novels: romance, adventure, and the epic mystique of the Old West. Now America's First Lady of Romance invites readers on a new journey with the first installment in a Calder series spin-off beginning in the late 1800s, as a cowboy named Joe Dollarhide joins the Calder family on one of the first cattle drives from Texas to Montana... The Calder family patriarch is known throughout Montana as a force no one in his right mind would cross. But sometimes love can make a man do crazy things... Ambition drove Joe Dollarhide across the parched plains from Fort Sam Houston to Dodge City. He was determined to one day have a spread every bit as impressive as his employer's. But when a wild stampede separates him from the cattle drive, it's not just survival that keeps him going. Joe has a burning need to settle the score with Benteen Calder, the cattle boss he used to worship. The man who'd left him for dead. Yet he'd soon have something greater than revenge to inspire him... Sarah Foxworth is traveling toward her dream of becoming a doctor when she's attacked by a violent gang. Luckily, Joe is the one to rescue her--and win her heart. Still, she presses on to the future awaiting her on the frontier. But her plans, and her reputation, are ruined when she gives birth to an illegitimate baby... Years later, Sarah reappears in Joe's world--with a son there's no denying is his own. Now a prosperous rancher, Joe yearns to finally build a life with the woman he's never forgotten. Only Joe's own road to riches has been strewn with obstacles, some still standing in his way. But time has also shown him that nothing worth having comes easy. And that Sarah is a woman worth fighting for...

From a New York Times--bestselling author, a murder investigation reunites high school sweethearts in book two of a romantic suspense series. If only it had been something else that brought Lissa Sherman and Mack Jackson back in touch after so many years.

Something—anything—other than the murder of Mack's father. Even worse, Lissa's car had been used as the murder weapon. Thirty-five years ago, four friends went out joyriding and ended up in a terrible accident that left one dead and the others with no memory of that awful night. Now two more people, including Mack's father, have been murdered, and if the lone survivor knows why they're being targeted, she's not talking. Even as Lissa and Mack find themselves drawn together in the midst of tragedy, the mystery deepens when someone comes after Lissa, too. Is the danger to her tied to the other deaths, or are two killers at work in town? Now Mack has to fight an unknown attacker as well as his feelings for Lissa, but it may be that he can't win either battle.

Angels. Emma Cramer doesn't consider herself an angel by any stretch of the imagination. Temporarily stranded, broke and unable to pursue her dreams of working in the big city following her mother's death, Emma's life changes when she rescues a small child and a puppy who get trapped in a garage where Emma's truck has finally breathed its last . The girl's relieved and grateful grandmother believes Emma has been sent by angels because her family needs temporary help. She offers Emma a job, a good salary and a place to stay until after the holidays. It seems like a Christmas miracle for both of them. Angels often appear when least expected, but when the most needed. Cynical sheriff and rancher Cole Drayton has heard that all his life, but he's never been in the market for much else. He can take care of his daughter, his ranch and his family on his own without his meddling mother, but his long protected heart and desire for isolation is no match for a beautiful stranded stranger and a misfit puppy who make his daughter laugh and him feel alive again. Can unsuspecting hearts intersect at the moment when love and trust is needed most? Anything is possible with the magic of the Christmas season and faith in the Christmas angels
