NEW YORK TIMES BESTSELLER • When this relentless rogue FBI agent comes knocking, her adversaries will have to answer—with their lives—in this thrilling Jane Hawk novel by the #1 New York Times bestselling author of *The Silent Corner*. “Koontz continues the incredible saga of the robust character of Jane Hawk, and it’s as terrific as the others in the series.”—Associated Press “We’re rewriting the play, and the play is this country, the world, the future. We break Jane’s heart, we’ll also break her will.” She was one of the FBI’s top agents until she became the nation’s most-wanted fugitive. Now Jane Hawk may be all that stands between a free nation and its enslavement by a powerful secret society’s terrifying mind-control technology. She couldn’t save her husband, or the others whose lives have been destroyed, but equipped with superior tactical and survival skills—and the fury born of a broken heart and a hunger for justice—Jane has struck major blows against the insidious cabal. But Jane’s enemies are about to hit back hard. If their best operatives can’t outrun her, they mean to bring her running to them, using her five-year-old son as bait. Jane knows there’s no underestimating their capabilities, but she must battle her way back across the country to the remote shelter where her boy is safely hidden . . . for now. As she moves resolutely forward, new threats begin to emerge: a growing number of brain-altered victims driven hopelessly, violently insane. With the madness spreading like a virus, the war between Jane and her enemies will become a fight for all their lives—against the lethal terror unleashed from behind the forbidden door. Don’t miss any of Dean Koontz’s gripping Jane Hawk thrillers: *THE SILENT CORNER* • *THE WHISPERING ROOM* • *THE CROOKED STAIRCASE* • *THE FORBIDDEN DOOR* • *THE NIGHT WINDOW* Praise for *The Forbidden Door* “Compelling and enthralling.”—New York Journal of Books “Mind-blowing. . . [a] gripping series . . . a thrill ride. [Dean Koontz is] able to distract you for hours.”—Bookreporter “Koontz is on another roll with a

new series that boasts a juicy premise and a compelling star. . . . Pure gold.”—Booklist

*House of Earth and Blood* Penguin

An astounding, intense novel by the Booker-prize winning author of *Midnight’s Children*. In the summer of 2000 New York is a city living at breakneck speed in an age of unprecedented decadence. Into this tumultuous city arrives Malik Solanka. His life has been a sequence of exits. He has left in his wake his country, family, not one but two wives, and now a child. But as his latest marriage disintegrates and the fury builds within him he fears he will become dangerous to those he loves. And so he steps out of his life once again and begins a new one in New York. But New York is a city boiling with fury. Around Malik cab drivers spout obscenities, a serial killer is murdering women with a lump of concrete, and the petty spats and bone-deep resentments of the metropolis threaten to engulf him, as his own thoughts, emotions and desires reach breaking point. ‘Both a howl of rage and a love letter... Rushdie is a very great novelist - our greatest’ Guardian

**Born of Defiance** Macmillan

Named a Best Book of the Year by The Times (UK) and the Los Angeles Public Library Winner of the 2018 Goncourt Prize, this poignant coming-of-age tale captures the distinct feeling of summer in a region left behind by global progress. August 1992. One afternoon during a heatwave in a desolate valley somewhere in eastern France, with its dormant blast furnaces and its lake, fourteen-year-old Anthony and his cousin decide to steal a canoe to explore the famous nude beach across the water. The trip ultimately takes Anthony to his first love and a summer that will determine everything that happens afterward. Nicolas Mathieu conjures up a valley, an era, and the political journey of a young generation that has to forge its own path in a dying world. Four summers and four defining moments, from “Smells Like Teen Spirit” to the 1998 World Cup, encapsulate the hectic lives of the inhabitants of a France far removed from the centers of globalization, torn between decency and rage.

*Red Hot Fury* Random House Worlds

“It’s official Take a Psycho to Work Day. Why else would I be here?” Hunted. Hated. Betrayed. Outcast Dagger Ixur is on the

run for his life. As one of the most recognizable members of his royal house, he has a bounty on his head that guarantees him no quarter from any friend or even family. But surrender isn’t in him. He will fight to the bitter end. A resolve that is sorely tested when he narrowly escapes a trap that leaves him severely wounded. With what he believes is his dying breath, he saves a boy born to an extinct race from a group out to enslave the kid for his legendary abilities. Ushara Altaan has spent her entire life hating the Andarion royal house that drove her entire species into virtual extinction. As a rare Andarion Fyreblood, she is sworn to end the existence of any royal she finds. But when Dagger saves her son’s life, she is torn between her people and a debt that can never be repaid. Yet worse than Dagger’s family that’s still out to end hers and him, are the League assassins after him who will stop at nothing to claim the lives of her Tavali family. The only hope she has to save them all is to put their future and her faith into the hands of the very enemy whose grandmother personally extinguished Ushara’s legendary lineage. But how can she ever trust Dagger when he is a disinherited outlaw whose real name is synonymous with betrayal?

*Born of Vengeance* Macmillan

Jayne Erixour believes she knows everything about the universe. As a bounty hunter and assassin, she’s seen the worst dregs of humanity and every sentient species ever spat out of a hell realm. To her, there is no truth outside of her blaster’s recoil and her resolve to let no one get too close. Hadrian Scalera is on the run from the same brutal assassins who slaughtered every member of his family, both birth and foster. He has no refuge and no one he dares to call friend, as it will mean the end of them. He expects no mercy from anyone, until the day one assassin hesitates to pull the trigger. An assassin’s code is simple: Kill or be killed. No prey, no pay. Every life has a price. If Jayne doesn’t fulfill her contract and kill Hadrian, she’ll be the next target on the League’s menu. But as old enemies return to hunt them both, they quickly learn that neither will survive unless they can learn to trust each other. Yet things are never so simple and survival means only one of them can be left standing . . .

*Born of Fury* Sharon Green Books

The 1619 Project's lyrical picture book in verse chronicles the consequences of slavery and the history of Black resistance in the United States, thoughtfully rendered by Pulitzer Prize-winning journalist Nikole Hannah-Jones and Newbery honor-winning author Renée Watson. A young student receives a family tree assignment in school, but she can only trace back three generations. Grandma gathers the whole family, and the student learns that 400 years ago, in 1619, their ancestors were stolen and brought to America by white slave traders. But before that, they had a home, a land, a language. She learns how the people said to be born on the water survived. And the people planted dreams and hope, willed themselves to keep living, living. And the people learned new words for love for friend for family for joy for grow for home. With powerful verse and striking illustrations by Nikkolas Smith, *Born on the Water* provides a pathway for readers of all ages to reflect on the origins of American identity.

**Born of Fury** Sourcebooks, Inc.

A Best Novel of Summer (New York Times Book Review) From the acclaimed author of *Mr. Dickens and His Carol*, a richly-imagined reckoning with the life of another cherished literary legend: Mary Wollstonecraft – arguably the world's first feminist August, 1797. Midwife Parthenia Blenkinsop has delivered countless babies, but nothing prepares her for the experience that unfolds when she arrives at Mary Wollstonecraft's door. Over the eleven harrowing days that follow, as Mrs. Blenkinsop fights for the survival of both mother and newborn, Wollstonecraft recounts the life she dared to live amidst the impossible constraints and prejudices of the late 18th century, rejecting the tyranny of men and marriage, risking everything to demand equality for herself and all women. She weaves her riveting tale to give her fragile daughter a reason to live, even as her own strength wanes. Wollstonecraft's urgent story of loss and triumph forms the heartbreakingly brief intersection between the lives of a mother and daughter who will change the arc of history and thought. In radiant prose, Samantha Silva delivers an ode to the dazzling life of Mary Wollstonecraft, one of the world's most influential thinkers and mother of the famous novelist Mary Shelley. But at its heart, *Love and Fury* is a story about the power of a woman reclaiming her own narrative to pass on to her daughter, and all daughters, for generations to come.

**\*\* TELEGRAPH SPORTS BOOK OF THE YEAR \*\* DOUBLE WINNER: BEST AUTOBIOGRAPHY & BEST OVERALL SPORTS BOOK OF 2020 INCLUDES A NEW CHAPTER ON WILDER VS FURY 2**

\_\_\_\_\_ 'Incredible stories... you don't have to be a boxing fan to enjoy it' SCOTT MILLS, BBC RADIO 1 'One of sport's most heart-warming stories' SUNDAY TIMES, SPORTS BOOK OF THE YEAR 'A must-read for any boxing fan.' WORLD BOXING NEWS 'If you know someone who is a fan of the People's Champion then they'll love this.' TALKSPORT XMAS GIFT GUIDE The extraordinary story of the rise and fall and rise again of Tyson Fury... THE GYPSY KING. A Manchester lad from Irish Traveller stock, born three months premature and weighing just a pound at birth, Tyson (named after his father's boxing hero) grew up to become one of the most unlikely heavyweight champions in history. This 'dream come true' soon turned to nightmare, however, as alcohol and cocaine abuse took hold and Tyson was stripped of his titles. What followed was the darkest moment of his life - detailed in this book for the first time - in which he came within seconds of ending everything. THE PEOPLE'S CHAMPION. Like all the greatest stories, though, there is redemption and Tyson defies all the odds and literally drags himself to his feet. 10 million people around the globe watched Fury fight Wilder in the biggest fight of the boxing calendar. Speaking candidly about his struggles with mental health, this is Tyson Fury as you have never seen him before. A BRITISH ICON. \_\_\_\_\_

Behind the Mask is an unflinching autobiography from the greatest boxer of our time and a man who has demonstrated strength of a very different kind by conquering his demons.

\_\_\_\_\_ 'It's a great book, if I could read, I'd buy it' BILLY JOE SAUNDERS, WBO World Super-Middleweight Champion 'I didn't believe boxers could be role models, but Tyson Fury has changed my mind... This 30-year-old Mancunian has made us all think twice about the possibilities of redemption.' SIMON KELNER, INDEPENDENT 'Tyson Fury has become Britain's most unlikely inspirational figure... the sight of a broken Fury caught a mood with the public. Never was the epithet "People's Champion" more apt' RON LEWIS, THE TIMES 'Tyson Fury is an amazing real-life champion' SYLVESTER STALLONE, star of Rocky 'You may not have any interest in boxing at all and you will find this story about Tyson's life fascinating' BBC RADIO 5 LIVE 'An unusual, heartening story, nicely told. There is much to amaze

and admire' SUNDAY TIMES

before... "Arguably the most in-demand and prolific author in America these days."—Publishers Weekly

Life Expectancy Bloomsbury Publishing USA

A dozen women join a secret 1850s Arctic expedition—and a sensational murder trial unfolds when some of them don't come back. Eccentric Lady Jane Franklin makes an outlandish offer to adventurer Virginia Reeve: take a dozen women, trek into the Arctic, and find her husband's lost expedition. Four parties have failed to find him, and Lady Franklin wants a radical new approach: put the women in charge. A year later, Virginia stands trial for murder. Survivors of the expedition willing to publicly support her sit in the front row. There are only five. What happened out there on the ice? Set against the unforgiving backdrop of one of the world's most inhospitable locations, USA Today bestselling author Greer Macallister uses the true story of Lady Jane Franklin's tireless attempts to find her husband's lost expedition as a jumping-off point to spin a tale of bravery, intrigue, perseverance and hope.

*The Forbidden Door* Macmillan

Determined to solve an ancient mystery, a woman undertakes a forbidden quest that pits her against the Dark-Hunter leader and proud god Acheron, with whom she joins forces when ancient guardians and old enemies threaten both of them. Reprint.

Furyborn Random House

"Compellingly chronicles one of the least studied great episodes of World War II with power and authority...A riveting read" (Donald L. Miller, New York Times bestselling author of *Masters of the Air*) about World War II's largest airborne operation—one that dropped 17,000 Allied paratroopers deep into the heart of Nazi Germany. On the morning of March 24, 1945, more than two thousand Allied aircraft droned through a cloudless sky toward Germany. Escorted by swarms of darting fighters, the armada of transport planes carried 17,000 troops to be dropped, via parachute and glider, on the far banks of the Rhine River. Four hours later, after what was the war's largest airdrop, all major objectives had been seized. The invasion smashed Germany's last line of defense and gutted Hitler's war machine; the war in Europe ended less than two months later. *Four Hours of Fury* follows the 17th Airborne Division as they prepare for Operation Varsity, a campaign that would rival Normandy in scale and become one of the most successful and important of the war. Even as the Third

Reich began to implode, it was vital for Allied troops to have direct access into Germany to guarantee victory—the 17th Airborne secured that bridgehead over the River Rhine. And yet their story has until now been relegated to history's footnotes. In this viscerally exciting account, paratrooper-turned-historian James Fenelon "details every aspect of the American 17th Airborne Division's role in Operation Varsity...inspired" (*The Wall Street Journal*). Reminiscent of *A Bridge Too Far* and *Masters of the Air*, *Four Hours of Fury* does for the 17th Airborne what *Band of Brothers* did for the 101st. It is a captivating, action-packed tale of heroism and triumph spotlighting one of World War II's most under-chronicled and dangerous operations.

**Giving Godhead** Piatkus Books

With his bestselling blend of nail-biting intensity, daring artistry, and storytelling magic, Dean Koontz returns with an emotional roller coaster of a tale filled with enough twists, turns, shocks, and surprises for ten ordinary novels. Here is the story of five days in the life of an ordinary man born to an extraordinary legacy—a story that will challenge the way you look at good and evil, life and death, and everything in between. Jimmy Tock comes into the world on the very night his grandfather leaves it. As a violent storm rages outside the hospital, Rudy Tock spends long hours walking the corridors between the expectant fathers' waiting room and his dying father's bedside. It's a strange vigil made all the stranger when, at the very height of the storm's fury, Josef Tock suddenly sits up in bed and speaks coherently for the first and last time since his stroke. What he says before he dies is that there will be five dark days in the life of his grandson—five dates whose terrible events Jimmy will have to prepare himself to face. The first is to occur in his twentieth year; the second in his twentieth year; the third in his twenty-eighth; the fourth in his twenty-ninth; the fifth in his thirtieth. Rudy is all too ready to discount his father's last words as a dying man's delusional rambling. But then he discovers that Josef also predicted the time of his grandson's birth to the minute, as well as his exact height and weight, and the fact that Jimmy would be born with syndactyly—the unexplained anomaly of fused digits—on his left foot. Suddenly the old man's predictions take on a chilling significance. What terrifying events await Jimmy on these five dark days? What nightmares will he face? What challenges must he survive? As the novel unfolds, picking up Jimmy's story at each of these crisis

points, the path he must follow will defy every expectation. And with each crisis he faces, he will move closer to a fate he could never have imagined. For who Jimmy Tock is and what he must accomplish on the five days when his world turns is a mystery as dangerous as it is wondrous—a struggle against an evil so dark and pervasive, only the most extraordinary of human spirits can shine through. This ebook edition contains an excerpt of Dean Koontz's *The Silent Corner*.

*In Fury Born* Sourcebooks, Inc.

One of the fiercest soldiers the Phrixians have ever produced, Maris Sulle has been an outsider from the moment he was born different from the rest of his family. He grew up with a secret that cost him everything—his birthright, his family, and his military career. In all his life, he's only had one love, and he has sacrificed his own happiness to see his best friend reunited with the woman he loves. But now that his good deed is done, he feels lost and adrift. Even though they do their best to include him in their new family, Maris is once again on the outside looking in. Ture has spent his life hiding from everyone around him—his family, the world, you name it—while trying desperately to fit in. Badly hurt by everyone he's ever known, he trusts no one except his own

best friend. And honestly, he can't understand why he trusts her. Nor can he believe her when she describes a loyalty between friends the likes of which he's never seen. But when Ture is in his darkest hour, he's saved by a hero he thought only existed in novels. A man who is every bit as scarred and mistrusting as he is—one who has no interest in being dragged into another relationship with anyone. Having spent his life as a living study of doomed relationships, Maris is well aware of the courtship and fiasco that invariably follows. Still, there is something about Ture he can't resist. Something that won't let him walk away when he knows he should. But when old enemies return to threaten them both, they either have to stand together or die alone.

Crescent City Monsters St. Martin's Press

The first book in the instant New York Times bestselling series, the Empirium Trilogy! Furyborn is an epic YA fantasy about two

fiercely independent young women, centuries apart, who hold the power to save their world...or doom it. When assassins ambush her best friend, Rielle Dardenne risks everything to save him, exposing herself as one of a pair of prophesied queens: a queen of light, and one of blood. To prove she is the Sun Queen, Rielle must endure seven elemental magic trials. If she fails, she will be executed as the Blood Queen...unless the trials kill the queen first. One thousand years later, the legend of Queen Rielle is a fairy tale to Eliana Ferracora. A bounty hunter for the Undying Empire, Eliana believes herself untouchable—until her mother vanishes. To find her, Eliana joins a rebel captain and discovers that the evil at the empire's heart is more terrible than she ever imagined. As Rielle and Eliana fight in a cosmic war that spans millennia, their stories intersect, and the shocking connections between them ultimately determine the fate of their world—and

of each other.
