**Team** Simon and  
Schuster

It's the HAPPY-HAPPY-  
HAPPY holidays for  
everyone's favorite  
classroom pet! The  
holidays are coming  
and Humphrey is  
unsqueakably excited.  
He loves to hear about

all the different ways  
his friends in Room 26  
celebrate and to watch  
them make costumes  
and learn songs for the  
Winter Wonderland  
pageant. (He even  
squeaks along!) But  
with so much to do, will  
the holidays go  
according to plan? Do-  
It-Now-Daniel is having  
trouble practicing,  
Helpful-Holly can't stop  
worrying about making

presents for her friends, and Humphrey still has to find a gift for Og! Good thing Humphrey is one smart hamster who can help them all fill the season with JOY-JOY-JOY! Nominated for twenty-four state awards and the winner of seven, the Humphrey series is a hit across the country. And he's a One School, One Book favorite!

Lost in the Barrens U of Minnesota Press

Confession time: My name is Noel Sandlund and I play professional hockey-defense to be exact. I lead a pretty good life. I'm not hurting for money and the ladies seem to like me. And now things have gotten even better-I think I may have fallen in love. See, while I was in Sweden playing in the

world hockey championships this off-season, I met Maisie Troy. And, man, she's it for me. Confession time: I'm Maisie Troy. This summer I met a man who's everything I've ever wanted and more. His name is Noel and he's hot and sweet and plays amazing hockey. I think he could be the one. Too bad there's one huge problem-I'm not who he thinks I am. No, I'm just an illusion. An illusion that's about to shatter . . . like ice. Illusion on Ice is the seventh standalone novel in the bestselling Boys of Winter hockey romance series.

The Rise of Winter Crown

Play with fire; you'll get burned. Play with me; I'll get even. Dynasty came roaring into my life, bringing four of the

most incredibly delicious men I've ever laid my eyes on, but along with it came a life that I was never expecting. This world is filled with corruption. There are secrets and lies around every corner. My parents were murdered by the very men who vowed their loyalty, and now those same men are after me and will stop at nothing. But the tables have turned. Dynasty is all mine and I'm going to burn this f\*cker down. Forgive me, father, for I am about to sin.

### **Complications on Ice**

Sheridan Anne  
On the fortieth anniversary of the historic "Miracle on Ice," Mike Eruzione—the captain of the 1980 U.S Men's Olympic Hockey Team, who scored the

winning goal—recounts his amazing career on ice, the legendary upset against the Soviets, and winning the gold medal. It is the greatest American underdog sports story ever told: how a team of college kids and unsigned amateurs, under the tutelage of legendary coach—and legendary taskmaster—Herb Brooks, beat the elite Soviet hockey team on their way to winning the gold medal at the 1980 Lake Placid Olympics. No one believed the scrappy Americans had a real shot at winning. Despite being undefeated, the U.S.—the youngest team in the competition—were facing off against the four-time defending gold medalist Russians.

But the Americans' irrepressible optimism, skill, and fearless attitude helped them outplay the seasoned Soviet team and deliver their iconic win. As captain, Mike Eruzione led his team on the ice on that Friday, February 22, 1980. But beating the U.S.S.R was only one of the numerous challenges Mike has faced in his life. In this inspiring memoir, he recounts the obstacles he has overcome, from his blue-collar upbringing in Winthrop, Massachusetts, to his battle to make the Boston University squad; his challenges in the minor leagues and international tournaments to his selection to the U.S. team and their run for gold. He also talks about the aftermath of

that stupendous win that inspired and united the nation at a time of crisis in its history. Eruzione has lived a hockey life full of unexpected twists and surprising turns. Al Michaels' famous call in 1980—"do you believe in miracles? YES!"—could have been about Mike himself. Filled with vivid portraits—from his hard-working, irrepressible father to the irascible Herb Brooks to the Russian hall of famers Tretiak, Kharlamov, Makarov, and Fetisov—this lively, fascinating look back is destined to become a sports classic and is a must for hockey fans, especially those who witnessed that miraculous day. *Deviant S.R.*, Grey  
On the twenty-fifth anniversary of the Lake

Placid Olympics, an award-winning sportswriter looks back at what has been called the greatest moment of twentieth-century sports history, the victory of the U.S. hockey team over the Soviet Union, assessing the meaning of the triumph in terms of the events of the time and the paths of the players and coaches on both sides since 1980. Reprint. 40,000 first printing.

*The Making of a Miracle* McClelland & Stewart

From E. Lockhart, author of the highly acclaimed, New York Times bestseller *We Were Liars*, which John Green called "utterly unforgettable," comes *The Boy Book*, the second book in the uproarious and heartwarming Ruby

Oliver novels. Here is how things stand at the beginning of newly-licensed driver Ruby Oliver's junior year at Tate Prep: • Kim: Not speaking. But far away in Tokyo. • Cricket: Not speaking. • Nora: Speaking--sort of. Chatted a couple times this summer when they bumped into each other outside of school--once shopping in the U District, and once in the Elliot Bay Bookstore. But she hadn't called Ruby, or anything. • Noel: Didn't care what anyone thinks. • Meghan: Didn't have any other friends. • Dr. Z: Speaking. • And Jackson. The big one. Not speaking. But, by *Winter Break*, a new job, an unlikely but satisfying friend combo, additional entries to *The Boy*

Book and many difficult decisions help Ruby to see that there is, indeed, life outside the Tate Universe.

*Forbidden on Ice*

The true story of the 1980 U.S. Olympic hockey team and the Miracle on Ice, which Sports Illustrated called the greatest moment in sports history—with a new afterword by Ken Morrow for the fortieth anniversary of the Miracle on Ice “An unvarnished and captivating read.”—Parade Once upon a time, they taught us to believe. They were the 1980 U.S. Olympic hockey team, a blue-collar bunch led by an unconventional coach. Their “Miracle on Ice” has become a national fairy tale, but the real Cinderella story is even

more remarkable. Wayne Coffey casts a fresh eye on this seminal sports event, giving readers an ice-level view of the amateurs who took on a Russian hockey juggernaut at the height of the Cold War. He details the unusual chemistry of the Americans—formulated by their fiercely determined coach, Herb Brooks—and seamlessly weaves portraits of the boys with the fluid action of the game itself. Coffey also traces the paths of the players and coaches since their stunning victory, examining how the Olympic events affected their lives. Told with warmth and an uncanny eye for detail, *The Boys of Winter* is an intimate, perceptive portrayal of

one Friday night in Lake Placid and the enduring power of the extraordinary. Boys of Winter Scholastic Inc. Fun-loving professional hockey player Benjamin "Benny" Perry is all about scoring, both on and off the ice. With his good looks and easygoing personality, women flock to him, which is great. It keeps things the way this Las Vegas Wolves forward likes-uncomplicated. Too bad that's all about to change. When Benny decides to get back at his coach by pursuing his daughter, Eliza, who's just returned to town under mysterious circumstances, complications abound. What begins as a simple conquest becomes anything but

when Benny starts to really fall for Eliza. But something is up. Though Eliza seems to be as into him as he is to her, Benny senses she's hiding something. Or maybe she's hiding someone. Benny would never guess Eliza is hiding a baby-her baby. But it doesn't end there. The father of her child just happens to be a hockey player too. And he's Benny's biggest nemesis. Now he's joining the team. Talk about complicated. Complications on Ice is the 3rd standalone novel in the bestselling Boys of Winter hockey romance series. **\*\*STANDALONE NOVEL\*\* \*\*EACH BOOK IN THE BOYS OF WINTER SERIES FEATURES A DIFFERENT SMOKING HOT HOCKEY PLAYER'S**

STORY\*\*

**Damaged** Sheridan  
Anne

The mighty Soviets were the favorites to win hockey gold at the 1980 Winter Olympics. But a team of U.S. college players had other ideas. The stunning upset of the Soviet hockey team by the young Americans has been called the greatest moment in international hockey. And to many people the victory was about much more than sports. Americans had gone through difficult times at home and abroad. Beating the best hockey team in the world and its major Cold War rival gave Americans a sense of pride. One iconic photo captured the impact of that \_miraculous\_ historic event.

*The Boys of Summer*  
Vintage

The book is a telescopic view of the central events of the Universe. It uses the mathematical concept of possibilities to amplify the teachings of the first part of the book. It uses an intimate observation of the central person of the Universe as He plunges into the Great Beyond in order to make salvation possible for all those who will believe upon Him in the second part of the book. The magnitude of the events around Calvary use darkness and tremors to focus an infinite beam of light upon the scared hill. The last units of the book demonstrate the infinite power of God as He forms the world as a stage for that

Divine surge of marvelous love for the redemption of all races of people upon the earth. This proves that God really does have the whole world in His grip.

### **The Teammates**

Anchor

A Celebration of America's Greatest Olympic Victory—the 1980 US-USSR Hockey Game! Forty years after the "Miracle on Ice" captivated the world, this book deeply examines the impact that singular event had on the people who played and coached in it and how that game changed the trajectory of American hockey. Seasoned journalist John Gilbert was there every step of the way, and thanks to his detailed recordkeeping, allows readers to reexamine

the game against the Soviets, what made it the upset it was, why it still resonates today, and what it did to the lives of the players.

From Mike Eruzione to Jim Craig, Mark Johnson, Buzz Schneider, Jack O'Callahan, Herb Brooks, and many others, Gilbert covers all the key players and leaders and in doing so offers a deeper understanding of the emotions and the strategy, the hows and whys of the actual game, and the impact that moment had on their lives both in the immediate aftermath and today. Gilbert doesn't miss a beat in uncovering some never-before-told angles and helping expose the ripple effect the event helped create —and how the

movie *Miracle* helped reinvigorate the story and inspire a new generation of players and fans. To explore the lead-up to one of the greatest moments in American sports and the impact on American morale in the aftermath of the *Miracle*, Gilbert dives deep into the archives. In doing so he offers a look at this moment unlike it's ever been done before and helps answer the question as to why it continues to capture our imaginations.

*Miracle on Ice* Aurum Managing the challenges of his fractured family by taking Adderall, sneaking drinks, and confiding in an abusive priest, Aidan finds support from new friends including a crush, a wild girl, and a

swim-team captain with his own secrets.

**Boys of Winter** New Directions Publishing A behind-the-scenes look at the 1980 U.S. Olympic hockey team follows each player's struggle to make the team, discusses practice sessions and the creation of a cohesive team, and recaps the games and unforgettable victory over the Russians at Lake Placid

Wherever I Wind Up  
Penguin

They say that which is forbidden tastes the sweetest. And you know what? It is abso-effin-lutely true. My name is Blake Cavaletti, and I was recently traded to the Las Vegas Wolves hockey team. But before the season even started, I met the coolest girl. Her name

is Noelle, and she's hot as sin. Too bad it may now end before it even begins. See, I just found out the girl I like so much is my teammate Noel Sandlund's twin sister. Talk about messed up. He's a friend of mine and uber-protective of his sister. Man, how did I not see the resemblance? Must've been Noelle's amazing boobs and fabulous ass that threw me off. Or maybe it's because she's so perfect for me. Somehow, though, I don't think that'll fly with Noel. No, he's probably going to kill me when he finds out. That's why he can never learn the truth. Not until I prove myself to the team, to Noelle, and to her protective brother. Before it all blows up.

Forbidden on Ice is the eighth novel in the bestselling Boys of Winter hockey romance series.

*A Boy in Winter Crown*

“One of sports’ most storied championship teams gets its proper due” (Tom Verducci) in this definitive history of the 1969 Miracle Mets from the New York Times bestselling author of *The Boys of Winter*. “If you want to know what it was like to live and witness a baseball miracle in tumultuous times, this book is for you.”—Ron Darling, former New York Mets All-Star and bestselling author of *Game 7, 1986* The story of the 1969 New York Mets’ season has long since entered sports lore as one of the most remarkable of all time. But beyond the “miracle” is a

compelling narrative of an unlikely collection of players and the hallowed manager who inspired them to greatness. For the fiftieth anniversary, renowned sports journalist Wayne Coffey brings to life a moment when a championship could descend on a city like magic, and when a baseball legend was authored one inning at a time. Future Hall of Fame ace Tom Seaver snagged the biggest headlines, but the enduring richness of the story lies in the core of a team comprised of untested youngsters, lightly regarded veterans, and four Southern-born African-American stalwarts who came of age in the shadow of Jackie Robinson. Most of the Mets regulars

were improbable candidates for baseball stardom. The number two starting pitcher, Jerry Koosman, grew up on a Minnesota farm, never played high-school ball, and was only discovered because of a tip from a Mets' usher. Outfielder Ron Swoboda was known for long home runs and piles of strikeouts, until he turned into a glove wizard when it mattered most. All of these men were galvanized by their manager: the sainted former Brooklyn Dodger Gil Hodges, whose fundamental belief in the power of every man on the roster, no matter his stats, helped backup players like Al Weis and J.C. Martin become October heroes. As the Mets powered through

the season to reach a World Series against the best-in-a-generation Baltimore Orioles, Hodges's steady hand guided a team that had very recently been the league laughingstock to an improbable, electrifying shot at sports immortality. "A must-read for not just for Mets fans, but all baseball fans who will appreciate what indeed was the most astounding season in baseball history."—Ken Rosenthal, two-time Sports Emmy winner for Outstanding Sports Reporter *Destiny on Ice* Boys of Winter The Kid. The Splendid Splinter. Teddy Ballgame. One of the greatest figures of his generation, and arguably the greatest baseball hitter of all

time. But what made Ted Williams a legend – and a lightning rod for controversy in life and in death? Still a gangly teenager when he stepped into a Boston Red Sox uniform in 1939, Williams's boisterous personality and penchant for towering home runs earned him adoring admirers and venomous critics. In 1941, the entire country followed Williams's stunning .406 season, a record that has not been touched in over six decades. Then at the pinnacle of his prime, Williams left Boston to train and serve as a fighter pilot in World War II, missing three full years of baseball, making his achievements all the more remarkable. Ted Williams's personal life

was equally colorful. His attraction to women (and their attraction to him) was a constant. He was married and divorced three times and he fathered two daughters and a son. He was one of corporate America's first modern spokesmen, and he remained, nearly into his eighties, a fiercely devoted fisherman. With his son, John Henry Williams, he devoted his final years to the sports memorabilia business, even as illness overtook him. And in death, controversy and public outcry followed Williams and the disagreements between his children over the decision to have his body preserved for future resuscitation in a cryonics facility--a fate,

many argue, Williams never wanted. With unmatched verve and passion, and drawing upon hundreds of interviews, acclaimed best-selling author Leigh Montville brings to life Ted Williams's superb triumphs, lonely tragedies, and intensely colorful personality, in a biography that is fitting of an American hero and legend.

**They Said It Couldn't Be Done** Entangled: Crush

The true story of the 1980 U.S. Olympic hockey team and the Miracle on Ice, which Sports Illustrated called the greatest moment in sports history—with a new afterword by Ken Morrow for the fortieth anniversary of the Miracle on Ice “An unvarnished and captivating

read.”—Parade Once upon a time, they taught us to believe. They were the 1980 U.S. Olympic hockey team, a blue-collar bunch led by an unconventional coach. *Winter According to Humphrey*  
Boys of Winter

Awasin, a Cree Indian boy, and Jamie, a Canadian orphan living with his uncle, the trapper Angus Macnair, are enchanted by the magic of the great Arctic wastes. They set out on an adventure that proves longer and more dangerous than they could have imagined. Drawing on

his knowledge of the ways of the wilderness and the implacable northern elements, Farley Mowat has created a memorable tale of daring and adventure. When first published in 1956, *Lost in the Barrens* won the Governor-General's Award for Juvenile Literature, the Book-of-the-Year Medal of the Canadian Association of Children's Librarians and the Boys' Club of America Junior Book Award.

Firefly Lane Hachette Books

Shortly after a hellish experience on a hilltop in the Quang Tri Province of Vietnam, Lieutenant William Bonney shot seven Vietnamese villagers in cold blood. Called to answer for the brutal atrocities against these civilians, Bonney and

his men give their testimonies of the incidents leading up to the lieutenant's court-martial. Juxtaposing the brutal conditions in Vietnam with the trial, this gripping play examines the primal brotherhood of war and the punishing emptiness of those who return from it.

Herb Brooks Scholastic Inc.

Death is cruel. It's unforgiving and brutal. It robbed me of the life I wanted to live and stole what little hope I had for the future. I was supposed to be something great. I was supposed to have it all ... But a single bullet changed everything. I always thought I'd go down fighting, but instead, I faded away while watching the overwhelming guilt tear through Carver

faster than his bullet tore through me. Like I said-death is cruel. King. Cruz. Grayson. Carver. How am I supposed to leave this world knowing what mess I'll be leaving behind? There's a war brewing, and this time, it's personal. I can't

die. Not yet. Luckily, a bitch like me doesn't stay down for long. Boys of Winter is a Dark, Enemies to Lovers, Reverse Harem Romance. It contains explicit sexual content, graphic violence, and coarse language.
