The Secrets of Sewing Lingerie Londonaire Brothers

It's the essential guide to dressing to undress, from the basics of bras, panties, slips, and shapewear to the sexy extremes of corsets, sheer chemises, balconets, and bustiers—perfect for the tens of millions of fans of Fifty Shades of Grey who are now wondering what to wear. Written by lingerie expert Rebecca Apsan (“the best bra-fitter in the country”—New York magazine), Lessons in Lingerie covers it all: The revelation of a properly fitted bra. How to cultivate your inner coquette. How to look ten pounds thinner. What works under a clingy dress or a sheer white blouse. The basics of shopping, cleaning, organizing. And Ms. Apsan’s manifesto for change: Stop wearing underwear!

With the figure of a sex symbol and a career as a lingerie executive, Greer Lothrop is used to

attracting more than her fair share of male attention. After years of unwanted stares, she is far more comfortable playing mother hen than femme fatale. She's shocked when there's nothing motherly about the feelings her new neighbor, engineer Ryan McCullough, arouses in her. She's never been attracted to a man of such raw sexuality before. What is it about Ryan that has her confiding in him—and falling into his arms—within hours of meeting? It's clear Ryan isn't interested in Greer for her chicken soup. He's not falling for her girl-next-door routine either, no matter how hard she tries to deny their chemistry. He knows there's a passionate woman behind the facade—and he knows just how to awaken her... 48,900 words Previously published.

If there's one universal truth, it's this: You're always wearing your worst underwear when you land in trouble. Lola's parents told her that everyone can make a difference. And she believed them. She's been fighting the good fights since she was eleven years old. But at 23, Lola falls hard for an Australian stockbroker who thinks Doctors Without Borders is a porno and Joni Mitchell sounds like a harp seal being battered to death. She cuts him loose, but over the next fifteen years, through

protests, misunderstandings, humiliating predicaments, and a number of poor underwear choices, their lives and paths continue to converge. Along the way, Lola learns a few important life lessons: Never wear a red lace thong to a strip search. Make sure you take motion sickness pills if you're going to the Southern Ocean to save the whales. And sometimes, Mr Right can be all wrong, and Mr Wrong just needs time to find the right path. Funny, touching, emotional and political, Lingerie for Felons is Bridget Jones meets An Inconvenient Truth, about doing the right thing, finding the right person, and always thinking through your underwear choices.

Bare Naked Designs, #2 Are you willing to risk it all and give in to temptation? Carrie Taylor can't believe her luck. Along with her own lingerie line she's now the proud owner of Satin and Lace, a specialty lingerie store. She has everything she's ever wanted. . . except Aleks Turko. After a lifetime spent pining over the man she can never have, Carrie decides to take back her love life. Vowing to get him out of her system once and for all, she propositions Aleks for a one night stand. Growing up without a mother and with an uncommunicative father, Aleks Turko sought comfort in the arms of the Taylor family. As an adult, he now has everything he needs – a second family, good friends, and a bottomless barrel of women. But over the last few months vivid, sexual thoughts about Carrie have become a regular occurrence. He's managed to keep his urges at bay, but when he walks in on her wearing one of her lacy designs, all bets are off. When what was supposed to be a one-time affair snowballs into a battle of wills, Carrie and Aleks must decide if they should risk everything and give in to temptation. 33,368 Words

He's the billionaire bad boy with a camera. I'm the good girl with the naughty lingerie. I have a passion for lacy designs. But my lingerie business is in trouble. If I don't find an investor before I return to L.A., I'll be forced to close my London boutique. The good news is the top fashion magazine wants to feature Kate Golden Lingerie in a double page spread. The bad news--they want me to model my lacy thong. How can I say no? I care way more about sexy lingerie than I do about love, until him . . . Drew, the insanely hot photographer I keep crashing into. I can't help myself. He drove me wild during our boudoir photo shoot. Those eyes. That delicious mouth. The way he feels between my legs when I'm riding on the back of his motorcycle. I know, he's a rich, bad boy, who only dates models. Sooo not my type. I'm not his either. But we can't keep away from each other, even when we try . . . In this catalogue, the Brussels designer reveals what inspires her: the Garden of Eden and Japanese-inspired kimonos, as well as Art Nouveau and the works of famous painters. She talks about her encounters and her collaborations with high-flying artisans. She describes the creative process for her sophisticated, luxury pieces. The codes of her Maison are implicitly revealed because, as with every Maison de Couture, a unique DNA runs through her three decades of creation.0'Garden of Lace' offers an astonishing encounter between two key moments for lace, which has had the world's crème de la crème at its fingertips for the last 200 years. For the last 30 years in Brussels, Carine Gilson has been creating couture lingerie that combines silk and lace.00Exhibition: Mode- en Kantmuseum, Brussels, Belgium (10.07.2019-19.04.2020).

I sell lingerie on line, just tiny little scraps of lace. And now, my boss wants more than just my panties. I like to call myself an entrepreneur. Most of the kids I went to high school with went off to college, but I stayed behind and started my own business selling lingerie. But not just any lingerie. I sell scraps of lace so naughty that they would make your cheeks blush. See-through, filmy, and so tiny that they're not much more than a piece of floss sometimes. Not just that, but the lingerie isn't exactly new. Because I've worn them, and the buyers are looking for that "special something" as part of the sale. It's not wrong. It's not against the law. It's just smart and entrepreneurial, is what I like to say. But then he shows up on the scene. Bruce Lockhart says he wants to buy my business. What? Why would a man want to get into this line of work? But the boss wants what he wants, and now that he literally OWNS my panties, how can I say no? In this book you'll find: A drop-dead gorgeous CEO A sassy curvy girl Over-the-top filth Insta-love that moves faster than lightning Lingerie, lingerie, and more lingerie 50k words

Nobels bankrupted themselves in pursuit of it. Convent girls spent 60 hours just to make a square inch of it. The Victorians revived it, and today, Hart and Calvert, in this richly informative treatise, celebrate the enchanted fabric--from its beginnings as crude open cutwork in the 14th century to the laces of today and how to use and care for them. Full-color illustrations throughout.

Velvet, Leather & Lace, a hot new lingerie catalogue company, is launching "stunt lingerie"—wispy little nothings that can be removed with the slightest tug. The global satellite fashion show is just a week away, and partners Jamie, Samantha and Mia are coming apart as fast as their underwear. Samantha has put off her current lover so many times he's about to kidnap her. And what if the press discovers Jamie is actually a man? Ex-girlfriend Lorna Sutton offers to front for Jamie—but not for payment...for payback. Then set contractor Joe O'Ryan decides to test Mia's claim she doesn't like sex—the night before the show. At this rate, they might all get caught with their panties—or boxers—down. And the whole world will be watching. Three stories, one show. A gorgeously illustrated book showcasing the exquisite high-end lingerie from the world-renowned Italian brand La Perla. La Perla is celebrated for its sophisticated, sexy, and beautifully designed and crafted lingerie. The company was founded by Ada Masotti, an artisan skilled in the tradition of handcrafted Italian corsetry, in 1954 when she opened a small lingerie boutique in Bologna. She combined her impeccable craftsmanship and understanding of women's bodies to fulfill their growing desire to possess undergarments that were not only functional but also beautiful and alluring. The continuous dedication to artisanship, to fine quality, and to women's needs and desires has transformed the small Italian boutique into an internationally beloved brand. La Perla's lingerie is a mix of beauty and seduction, and it is the unparalleled choice for women all over the world when they want to feel sensual and desired. This is the only book ever published on the glamorous and delicate lingerie produced by La Perla throughout its history. The book first pays homage to the Italian craftsmanship, including the use of fine Italian fabrics, that helped to establish La Perla as the maker of sophisticated couture lingerie, and that continues with today's collections to set the company apart from other brands. Then it showcases the exceptional intimate garments the company has created throughout the years with gorgeous archival images as well as sexy, sumptuous photographs of the latest collections.

Blaine Wicked is used to women doing as he says in and out of the bedroom. Find out happens when he falls for the one woman who won't submit to his wicked ways in the newest insanely sexy, deeply emotional, and laugh-out-loud funny standalone romance by New York Times bestselling author Melissa Foster. Blaine Wicked can spot trouble a mile away. As the eldest of five and raised in a Dark Knights biker family, he has always been a protector. Rescuing a stripper from a bad situation comes with the territory, regardless of the hell the mouthy, slightly awkward, and seriously hot leggy blonde gives him for it. She's far too innocent to bend to his wicked ways, but the more he learns about her, the harder it is for him to walk away. Forensic scientist Reese Wilder never imagined herself as the entertainment at a bachelor party, but she'd do anything to keep food on the table for her teenage sister. With their mess of a mother in rehab—Third time's a charm, right?—Reese is stuck paying off their mother's debt to a dealer and trying to make ends meet. Reese has had it rough, and she knows better than to rely on anyone for help, much less a pushy biker with piercing blue eyes who probably has dozens of women at his beck and call. The more flames Reese throws, the more determined Blaine is to walk through them. The closer he gets, the hotter they burn—and the more curious she becomes. But Blaine Wicked has the power to torch Reese's walls to embers, and with her sister's well-being at stake, that's a risk she can't afford to take. About The Wicked: Dark Knights at Bayside Set on the sandy shores of Cape Cod, the Wicked feature fiercely protective heroes, strong heroines, and unbreakable family bonds. If you think bikers are all the same, you haven't met the Dark Knights. The Dark Knights are a motorcycle club, not a gang. Their members stick together like family and will stop at nothing to keep their communities safe. These men are wickedly alpha and intensely loyal, but they are not alphaholes. *** MORE WICKED LOVE STORIES COMING SOON!
