Is God Listening? Thomas Nelson
 A thought-provoking study of science and religion about our human need to believe in a higher power, for spiritual seekers and atheists alike. In *The God Part of the Brain*, Matthew Alper pioneers a radical theory: the human inclination toward spirituality and belief in a higher power can be attributed to a specific part of our brain. This bold hypothesis takes us on an exciting journey that merges science, philosophy, and spirituality in a unique way. Alper engages readers with compelling arguments based on neuroscience, evolutionary biology, and anthropology, provoking profound thought

on the nature of existence and our inherent need for spiritual meaning as a coping mechanism that emerged in humans to help us survive our unique and otherwise debilitating awareness of death. His narrative is accessible yet deeply profound, providing insights that stimulate both intellectual curiosity and spiritual introspection. Key Features:
Groundbreaking Hypothesis: Presents a bold new theory about the neuroscientific basis of human spirituality.
Interdisciplinary Approach: Combines insights from neuroscience, evolutionary biology, and anthropology to explore spiritual experiences.
Intellectually Stimulating: Challenges readers to contemplate profound questions about existence, faith, and the human mind.
Accessible Narrative: Engages readers with a narrative that is both informative

and accessible, regardless of their scientific background. Provocative and Thoughtful: Invites deep introspection about our inherent need for spiritual meaning. Praise for *The "God" Part of the Brain* "This cult classic in many ways parallels Rene Descartes' search for reliable and certain knowledge...Drawing on such disciplines as philosophy, psychology, and biology, Alper argues that belief in a spiritual realm is an evolutionary coping method that developed to help humankind deal with the fear of death...Highly recommended."— Library Journal "I very much enjoyed the account of your spiritual journey and believe it would make excellent reading for every college student - the resultant residence-hall debates would be the best part of their education. It often occurs to me that if, against all

odds, there is a judgmental God and heaven, it will come to pass that when the pearly gates open, those who had the valor to think for themselves will be escorted to the head of the line, garlanded, and given their own personal audience." — Edward O. Wilson, two-time Pulitzer Prize-Winner "This is an essential book for those in search of a scientific understanding of man's spiritual nature. Matthew Alper navigates the reader through a labyrinth of intriguing questions and then offers undoubtedly clear answers that lead to a better understanding of our objective reality." — Elena Rusyn, MD, PhD; Gray Laboratory; Harvard Medical School "What a wonderful book you have written. It was not only brilliant and provocative but also revolutionary in its approach to spirituality as an inherited trait." — Arnold Sadwin, MD, former chief of Neuropsychiatry at the University of Pennsylvania "A lively manifesto...For the discipline's specific application to the matter at hand, I've seen nothing that matches the fury of The 'God' Part of the Brain, which perhaps explains why it's earned something of a cult following." — Salon.com "All 6 billion plus inhabitants of Earth should be in possession of this book. Alper's tome should be placed in the sacred writings' section of libraries, bookstores, and dwellings throughout the world. Matthew Alper is the new Galileo...Immensely important...Defines in a clear and concise manner what each of us already knew but were afraid to admit and exclaim." — John Scoggins, PhD "Vibrant ... vivacious. An entertaining and provocative introduction to speculations concerning the neural basis of spirituality." — Free Inquiry Magazine

Psychologists have long known that every person has two great longings and inward needs. The first is to be loved, and the second is to love. But when pressures and heartaches come into our lives, many give up any hope of ever finding love. The tragedy is that we often look in the wrong places to fill this deep need and longing. Some substitute lust for love. Others pursue material things or superficial relationships--all in the futile attempt to fill a God-shaped vacuum in the human heart. But there is good news! There is a love worth finding and a love worth sharing. The Bible says, "For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life" (John 3:16). On the cross of Christ, God's mighty love was revealed and offered unconditionally to all who would be saved. Do you long to know

this mighty love? Then I need to ask you the most important question you'll ever be asked: Do you know beyond a shadow of a doubt that God loves you, that your sins are forgiven, and that you are saved and on your way to heaven? The great news is, you can know! Let me share with you how to discover the greatest love worth finding. **Admit Your Sin.** First, you must admit that you are a sinner. The Bible says, "None is righteous, no, not one. . . . For all have sinned and fall short of the glory of God" (Romans 3:10, 23). It is our sin that separates us from God and from fulfilling our deepest needs and longings. Sin is an offense against God that carries a serious penalty. According to Romans 6:23, "The wages of sin is death [eternal separation from the love and mercy of God]." **Abandon Your Efforts.** Second, you must abandon any efforts to save yourself. If we could save ourselves, Jesus's death would have been unnecessary! Even "getting religion" cannot get you to heaven. The Bible says it is "not because of works done by us in righteousness, but according to his mercy" that we are saved (Titus 3:5). Salvation is by God's grace, "not a result of works, so that no one may boast" (Ephesians 2:8-9). **Acknowledge Christ's Payment.** What you cannot do for yourself, Jesus Christ has done for you! "But God shows his love toward us in that while we were still sinners, Christ died for us" (Romans 5:8). He died on the cross for you and then rose from the dead to prove that his payment was acceptable to God. But you must acknowledge and believe this fact. "Believe in the Lord Jesus, and you will be saved" (Acts 16:31). **Accept Christ as your Savior.** Salvation is God's gift to you. "The free gift of God is eternal life in Christ Jesus our Lord" (Romans 6:23). When someone offers you a priceless gift, the wisest thing you can do is accept it! This very moment, you can receive Christ's gift of salvation by sincerely praying this simple prayer from your heart: Dear God, I know that I am a sinner. I know that you love me and want to save me. Jesus, I believe you are the Son of God, who died on the cross to pay for my sins. I believe God raised you from the dead. I now turn from my sin and, by faith, receive you as my personal Lord and Savior. Come into my heart, forgive my sins, and save me, Lord Jesus. In your name I pray. Amen.

 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized." —Kay Warren, cofounder of Saddleback Church
 What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Many people are confused by Prayer. Does prayer bring God to me? Is Prayer a means of grace? Is it a pipeline of communication between a believer and God? Is it better to pray more? Through the eyes of this pastoral scholar, readers discover that prayer is based not on what the believer does, but on God's mercy. In the mercy, prayer is designed to help Christians transcend problems and troubles by hearing God through His Word and Sacraments. Readers learn how prayers from the Bible teach the Christian about prayer's place in the daily piety of the believer.

OVER 300,000 COPIES SOLD! Why won't God reveal his special will for my life already? Because he doesn't intend to... So says Kevin DeYoung in this punchy

book about making decisions the godly way. Many of us are listening for the still small voice to tell us what's next instead of listening to the clear voice in Scripture telling us what's now. God does have a will for your life, but it is the same as everyone else's: Seek first the kingdom of God. And quit floundering. With pastoral wisdom and tasteful wit, DeYoung debunks unbiblical ways of understanding God's will and constructs a simple but biblical alternative: live like Christ. He exposes the frustrations of our waiting games and unfolds the freedom of finding God's will in Scripture and then simply doing it. This book is a call to put down our Magic 8-Balls and pick up God's Word. It's a call to get wisdom, follow Christ, be holy, and live freely. To just do something.

Based on the keynote message that so moved government leaders at the 2017 National Prayer Breakfast, U.S. Senate Chaplain Barry Black's *Make Your Voice Heard in Heaven* shows us how to pray prayers that God will hear. Now more than ever, we are fighting for our voices to be heard on earth. We march, we tweet, we advocate on behalf of the voiceless, calling those in power to listen and come alongside us. Sometimes it feels as if we're never going to be heard and nothing will ever change. Known for his powerful prayers, Chaplain Black challenges us, individually and collectively, to make ourselves heard in a way that really changes things—by calling upon the one who holds ultimate power. Through personal story and practical insight, *Make Your Voice Heard in Heaven* helps us learn to pray in a way that releases God's power and unleashes His blessing.

Both John the Baptist and Jesus said, Behold, the kingdom of heaven is at hand. Yet we know that heaven will only come when sin ends. Therefore, humankind needs to know which sin removed us from the first paradise Eden. In *A Law from Eden: Solving the Mystery of Original Sin*, author Marilyn Taplin looks to the Bible to show that the true original sin is not pride or the seeking of knowledge about good and evil; rather, she shows that the true original sin is an act of sexual perversion. A misunderstanding of human sexuality has led to this morally wicked society, and

biblical research shows how sexual acts originating in ancient pagan societies and now found in contemporary LGBT communities have distorted the way even those professing to be Christians view their own sexuality. Many believe that the world is moving in the wrong direction, and Jesus shows us how to reverse that direction and bring Eden to the earth once again. If those professing to be Christians learn the powerful truth about original sin and end this sexual act, then they will be able to help usher in the heaven on earth promised by God.

The Better Mom Oxford University Press
Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls and says, "Yes, this is truth." It's like seeing the sun and

knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on my own authority." Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.

Making Sense of Who God Is Zondervan

"Useful men are some of the greatest blessings of a people. To have many such is more for a people's happiness than almost anything, unless it be God's own gracious, spiritual presence amongst them; they are precious gifts of heaven." Certainly one of the most useful men in evangelical history was the man who preached those words, pastor and theologian Jonathan Edwards.

Commemorating his 300th birthday, general editors John Piper and Justin Taylor chose ten essays that highlight different aspects of Edwards's life and legacy and show how his teachings are just as relevant today as they were three centuries ago. Even within the church, many people know little more about Edwards than what is printed in American history textbooks—most often, excerpts from his best-known sermon, "Sinners in the Hands of an Angry God." They unjustly envision Edwards preaching only fire and brimstone to frightened listeners. But he knew and preached God's heaven as much as Satan's hell. He was a humble and joyful servant, striving to glorify God in his personal life and public ministry. This book's contributors investigate the character and teachings of the man who preached from a deep concern for the unsaved and a passionate desire for God. Studying the life and works of this dynamic Great Awakening figure will rouse slumbering Christians, prompting them to view the world through Edwards's God-centered lens.

How God Makes Men Sourcebooks, Inc.
Making God Part of Your Family Volume 3 strives to bring God's plan to life for individuals and their families as He chose to reveal these truths through the stories in the Old Testament. Most would agree that the Old Testament stories can be

difficult to relate to and understand. Veteran Bible teacher Michael Grady retells the Old Testament stories in concise, thought-provoking doses that are easy to understand and intended to stimulate family discussions. He demonstrates that the Old Testament stories are much more than just a history of the Israelites (God's chosen family); they are parables detailing God's guide to living and his eternal plan for redemption and salvation for all who choose to believe. The stories in *Making God Part of Your Family Volume 3* provide a unique combination—they are both simple enough for children to understand and deep enough for parents to grow in the knowledge and wisdom of God's Word. This vibrant, yet carefully researched volume brings families closer together and helps them clearly establish their identity as children of God and brothers and sisters of Jesus.

Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of *The Better Mom* is the message that Jesus calls us to live not a weary life, but a worthy life. We don't have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, "It's okay to come as we are, but what we're called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become."

Pursuing Intimacy With God Baker Books
Do you long for something more in your relationship with God? The good news is that "something more" does not mean "doing more." God is not waiting for you to get your spiritual life "right." He wants to be with you right where you are. The real question is not "What does God want from you?" but "What does God want for you?" Sharon Jaynes understands what it's like to have a "glory ache"—a longing to experience God's presence on a daily basis. She also knows how easily working for God can get in the way of intimacy with God. And she's discovered that we tend to make our faith journey much too hard. In *A Sudden Glory*, Sharon uses Scripture and story to help you erase the line between your "spiritual life" and your "daily life" as you enter the sanctuary of God's presence even in the middle of your busy, messy day. Here you will find your eyes opened to moments of sudden glory in which the Creator assures you of His love as you live and move and have your being in Him. Here you will discover true freedom—the freedom of experiencing God in a deeper and more intimate way than ever before. Includes Bible study and discussion guide. *God's Part in Our Art* Thomas Nelson
