HUDSON FRIEDMAN

Queen Elizabeth II and the Royal Family Penguin
Queen Elizabeth II and the Royal Family is a magnificent tribute to the life and reign of Queen Elizabeth II and a celebration of the British royal family, from the first English kings through the birth of the queen's second grandchild to Prince William and Kate, the Duchess of Cambridge. Highly illustrated with photographs and timelines throughout, *Queen Elizabeth II and the Royal Family* tells the story of the House of Windsor and includes events such as the royal wedding of Prince William and Kate Middleton and profiles on key people such as Princess Diana and Prince Harry. Graphics illuminate details of the queen's personal

and private life, vivid photographs highlight important events, special features showcase the royal residences, and timelines untangle the complete history of the kings and queens of England and Scotland, tracing the line of succession to the throne. This gorgeous book is the most complete visual history of Britain's most enduring icon, Queen Elizabeth II, and the royal family.
