 There can be no doubt that Jesus, 'a religious genius' as Geza Vermes describes him, lived and taught in Palestine some 2000 years ago. The influence he has had is incalculable. How though can we distinguish between the doctrines shaped to the needs of the burgeoning Christian church and the original views laid out by Jesus himself? How can we dig back through the additions, misinterpretations and confusions of later writers and two millennia of tradition to get back to the authentic gospel of Jesus? In his new book, Vermes subjects all the sayings of Jesus to brilliantly informed scrutiny. The result is a book of unique value and novelty--scraping aside the accretions of centuries to come as close as we can hope to be to the true Jesus.  
*Practice Makes Perfect, Spanish Verb Tenses* Schocken  
 In *Seven Men*, New York Times bestselling author Eric Metaxas presents seven exquisitely crafted short portraits of widely known—but not well understood—Christian men, each of whom

uniquely showcases a commitment to live by certain virtues in the truth of the gospel. Written in a beautiful and engaging style, *Seven Men* addresses what it means (or should mean) to be a man today, at a time when media and popular culture present images of masculinity that are not the picture presented in Scripture and historic civil life. This book answers questions like: What does it take to be a true exemplar as a father, brother, husband, leader, coach, counselor, change agent, and wise man? What does it mean to stand for honesty, courage, and charity? And how can you stand especially at times when the culture and the world run counter to those values? Each of the seven biographies represents the life of a man who experienced the struggles and challenges to be strong in the face of forces and circumstances that would have destroyed the resolve of lesser men. Each of the seven men profiled—George Washington, William Wilberforce, Eric Liddell, Dietrich Bonhoeffer, Jackie Robinson, John Paul II, and Charles Colson—call the reader to a more elevated walk and lifestyle, one that embodies the gospel in the world around us.

*Espia de Dios* Liberatio Protocol

Presents stories of persecuted Christians whose faith in Christ

was not diminished by adverse circumstances, and the lessons that the author took from those stories and applied to his own beliefs about the sufficiency of God.

**Contract with God** InterVarsity Press

NEW YORK TIMES BESTSELLER "Metaxas is a scrupulous chronicler and has an eye for a good story. . . . full, instructive, and pacy." —The Washington Post From #1 New York Times bestselling author Eric Metaxas comes a brilliant and inspiring biography of the most influential man in modern history, Martin Luther, in time for the 500th anniversary of the Reformation On All Hallow's Eve in 1517, a young monk named Martin Luther posted a document he hoped would spark an academic debate, but that instead ignited a conflagration that would forever destroy the world he knew. Five hundred years after Luther's now famous Ninety-five Theses appeared, Eric Metaxas, acclaimed biographer of the bestselling Bonhoeffer: Pastor, Martyr, Prophet, Spy and Amazing Grace: William Wilberforce and the Heroic Campaign to End Slavery, paints a startling portrait of the wild figure whose adamant faith cracked the edifice of Western Christendom and dragged medieval Europe into the future. Written in riveting prose and impeccably researched, Martin Luther tells the searing tale of a humble man who, by bringing ugly truths to the highest seats of power, caused the explosion whose sound is still ringing in our ears. Luther's monumental faith and courage gave birth to the ideals of liberty, equality, and individualism that today lie at the heart of all modern life.

**Amazing Grace** Thomas Nelson

NEW YORK TIMES BESTSELLER! Washington insiders operate by a proven credo: When a Peter Schweizer book drops, duck and brace for impact. For over a decade, the work of six-time New York Times bestselling investigative reporter Peter Schweizer has sent shockwaves through the political universe. Clinton Cash revealed the Clintons' international money flow, exposed global corruption, and sparked an FBI investigation. Secret Empires exposed bipartisan corruption and launched congressional investigations. And Throw Them All Out and Extortion prompted passage of the STOCK Act. Indeed, Schweizer's "follow the money" bombshell revelations have been featured on the front pages of the New York Times and the Wall Street Journal, and regularly appear on national news programs, including 60 Minutes. Now Schweizer and his team of seasoned investigators turn their focus to the nation's top progressives—politicians who strive to acquire more government power to achieve their political ends. Can they be trusted with more power? In Profiles in Corruption, Schweizer offers a deep-dive investigation into the private finances, and secrets deals of some of America's top political leaders. And, as usual, he doesn't disappoint, with never-before-reported revelations that uncover corruption and abuse of power—all backed up by a mountain of corporate documents and legal filings from around the globe. Learn about how they are making sweetheart deals, generating side income, bending the law to their own benefits, using legislation to advance their own interests, and much more. Profiles in Corruption contains tomorrow's headlines.

*Diccionario Inglés de la Universidad de Chicago* National Geographic Books

Who better to face the greatest evil of the 20th century than a humble man of faith? As Adolf Hitler and the Nazis seduced a nation, bullied a continent, and attempted to exterminate the Jews of Europe, a small number of dissidents and saboteurs worked to dismantle the Third Reich from the inside. One of these was Dietrich Bonhoeffer, a pastor and author. In this New York Times bestselling biography, Eric Metaxas takes both strands of Bonhoeffer's life—the theologian and the spy—and draws them together to tell a searing story of incredible moral courage in the

face of monstrous evil. In Bonhoeffer, Metaxas presents the fullest account of Bonhoeffer's life, including his: heart-wrenching decision to leave the safe haven of America to return to Hitler's Germany involvement in the famous Valkyrie plot and in "Operation 7," the effort to smuggle Jews into neutral Switzerland lifelong dedication to sharing the tenets of his faith This edition, revised and with a new introduction from the author, shares the deeply moving story through previously unavailable documents, including personal letters, detailed journal entries, and firsthand personal accounts to reveal never-before-seen dimensions of Bonhoeffer's life and work. Praise for Bonhoeffer: "Metaxas has created a biography of uncommon power--intelligent, moving, well researched, vividly written, and rich in implication for our own lives. Or to put it another way: Buy this book. Read it. Then buy another copy and give it to a person you love. It's that good." --Archbishop Charles Chaput, author, First Things "Metaxas tells Bonhoeffer's story with passion and theological sophistication." —Wall Street Journal "Metaxas presents Bonhoeffer as a clear-headed, deeply convicted Christian who submitted to no one and nothing except God and his Word." --Christianity Today "Metaxas has written a book that adds a new dimension to World War II, a new understanding of how evil can seize the soul of a nation and a man of faith can confront it." --Thomas Fleming, author, The New Dealers' War

**The Traitor's Emblem** Penguin

Drawn from a rich heritage, Spiritual Disciplines for the Christian Life will guide you through a carefully selected array of disciplines. By illustrating why the disciplines are important, showing how each one will help you grow in godliness, and offering practical suggestions for cultivating them, Spiritual Disciplines for the Christian Life will provide you with a refreshing opportunity to become more like Christ and grow in character and maturity. Now updated and revised to equip a new generation of readers, this anniversary edition features in-depth discussions on each of the key disciplines.

The Insanity of God Thomas Nelson

Tells the story of the remarkable life of the British abolitionist William Wilberforce, and his extraordinary role as a human rights activist, cultural reformer, and member of Parliament. At the center of this heroic life was a passionate twenty-year fight to abolish the British slave trade, a battle Wilberforce won in 1807, as well as efforts to abolish slavery itself in the British colonies, a victory achieved just three days before his death in 1833. This is a man of whom it can truly be said: he changed the world. Before Wilberforce, few thought slavery was wrong. After Wilberforce, most societies in the world came to see it as a great moral wrong.--From publisher description.

Practice Makes Perfect: Spanish Vocabulary B DE BOLSILLO

One of the great masterpieces of Western religious thought—culled by the greatest authority on Jewish mysticism. The Zohar represents an attempt to uncover hidden meanings behind the world of appearances. It is the central work in the literature of the Kabbalah, the Jewish mystical tradition. This volume of selected passages from the Zohar offers a sampling of its unique vision of the esoteric wonders of creation; the life and destiny of the soul; the confluence of physical and divine love; suffering and death; exile and redemption.

**Where Are the Missing People?** Amazon Crossing

He thought Christianity was a sham. Then it changed his life. Skeptic Josh McDowell thought Christians were out of their minds. He ridiculed and insulted them, then decided to combat them with his own thorough research to disprove the claims of Jesus Christ. To his surprise, he discovered that the evidence suggested exactly the opposite—that Jesus, instead of being simply a first-century Hebrew carpenter, truly was the God he

claimed to be. Josh went on to write the inspirational work on Christian apologetics, *More Than a Carpenter*, which has sold over 15 million copies. In this revised and updated edition, with over 15 million copies in print since its original publication, *More Than a Carpenter* has changed countless lives. Now, in this revised and updated edition, Josh is joined by his son, Sean, as they tackle the questions that today's generation continues to ask: "Can I be spiritual without believing in God?" "How can I make sure that my life counts for something?" "Is it really possible to know anything for sure about God or Jesus?" This edition is an accessible read for seekers and a great evangelism tool.

*Fish Out of Water* Palala Press

A comprehensive, encyclopedic guide to the authors, works, and topics crucial to the literature of Central and South America and the Caribbean, the *Encyclopedia of Latin American Literature* includes over 400 entries written by experts in the field of Latin American studies. Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10,000 words on the literature of individual countries, of the colonial period, and of ethnic minorities, including the Hispanic communities in the United States. Besides presenting and illuminating the traditional canon, the encyclopedia also stresses the contribution made by women authors and by contemporary writers.

Eighteen essays review and celebrate the life and thought of Phillip Johnson, the Cal Berkeley legal scholar who became a leading figure in the intelligent design movement.

*Zohar: The Book of Splendor* Simon and Schuster

"The Seven Laws of Love is insightful, compelling, inspiring, grounded, and immeasurably practical. We love this book! Everyone needs to read it. Don't miss out on its powerful message." —Drs. Les & Leslie Parrott, authors of *Saving Your Marriage Before It Starts* In our fast-paced, success-obsessed culture, we're constantly tempted to chase after things that don't matter. We've been conditioned to value possessions over people, status over relationships, and ourselves over God. But the reality is this: God created love to be the centerpiece of our lives. In *The Seven Laws of Love*, Dave Willis makes the case for a love revival and proves that in returning to a life of love we have no greater model than the one who is love himself. In Dave's humorous, touching, down-to-earth style, *The Seven Laws of Love* takes you on a journey through the ins and outs of everyday relationships—with your spouse, your children, your friends, and your coworkers—using practical, applicable examples and guiding principles that demonstrate what a life of love actually looks like. There is no higher calling on earth than to love and be loved. It's time to learn *The Seven Laws of Love*, and to make loving a priority over all other pursuits. Anything else isn't really living.

*More Than a Carpenter* Simon and Schuster

What Happens When One of America's Most Admired Biographers Writes His Own Biography? For Eric Metaxas, the answer is *Fish Out of Water: A Search for the Meaning of Life*—a poetic and sometimes hilarious memoir of his early years, in which the Queens-born son of Greek and German immigrants struggles to make sense of a world in which he never quite seems to fit. Renowned for his biographies of William Wilberforce, Dietrich Bonhoeffer, and Martin Luther, Metaxas is the author of five New York Times bestsellers, the witty host of the acclaimed *Socrates in the City* conversation series, and a nationally syndicated radio personality. But here he reveals a personal story few have heard, taking us from his mostly happy childhood—and riotous triumphs at Yale—to the nightmare of drifting toward a dark abyss of meaninglessness from which he barely escapes. Along the way

he introduces us to an unforgettable troupe of picaresque characters who join this quintessentially first-generation American boy in what is both bildungsroman and odyssey—and which underscores just how funny, serious, happy, sad, and ultimately meaningful life can be.

*Encyclopedia of Latin American Literature* Morgan James Publishing

Public service is a way of life for Americans; giving is a part of our national character. But compassionate instincts and generous spirits aren't enough, says veteran urban activist Robert D. Lupton. In this groundbreaking guide, he reveals the disturbing truth about charity: all too much of it has become toxic, devastating to the very people it's meant to help. In his four decades of urban ministry, Lupton has experienced firsthand how our good intentions can have unintended, dire consequences. Our free food and clothing distribution encourages ever-growing handout lines, diminishing the dignity of the poor while increasing their dependency. We converge on inner-city neighborhoods to plant flowers and pick up trash, battering the pride of residents who have the capacity (and responsibility) to beautify their own environment. We fly off on mission trips to poverty-stricken villages, hearts full of pity and suitcases bulging with giveaways—trips that one Nicaraguan leader describes as effective only in "turning my people into beggars." In *Toxic Charity*, Lupton urges individuals, churches, and organizations to step away from these spontaneous, often destructive acts of compassion toward thoughtful paths to community development. He delivers proven strategies for moving from toxic charity to transformative charity. Proposing a powerful "Oath for Compassionate Service" and spotlighting real-life examples of people serving not just with their hearts but with proven strategies and tested tactics, Lupton offers all the tools and inspiration we need to develop healthy, community-driven programs that produce deep, measurable, and lasting change. Everyone who volunteers or donates to charity needs to wrestle with this book.

**The Wisdom Jesus** Routledge

Building on the success of her prior book, *Practice Makes Perfect: Spanish Verb Tenses*, author Dorothy Devney Richmond helps learners attain a strong working vocabulary, no matter if they are absolute beginners or intermediate students of the language. She combines her proven instruction techniques and clear explanations with a plethora of engaging exercises, so students are motivated and hardly notice that they are absorbing so much Spanish. *Practice Makes Perfect: Spanish Vocabulary* also includes basic grammar and structures of the language to complement learners' newly acquired words. "Vocabulary Builders" help students add to their Spanish repertoire by using cognates, roots, suffixes, prefixes, and other "word-building" tools.

*The Mystery of the Shemitah Updated Edition* McGraw Hill Professional

*Is Atheism Dead?* is an entertaining, impressively wide-ranging, and decidedly provocative answer to that famous 1966 TIME cover that itself provocatively asked "Is God Dead?" In a voice that is by turns witty, muscular, and poetic, Metaxas intentionally echoes C.S. Lewis and G.K. Chesterton in cheerfully and logically making his astonishing case, along the way presenting breathtaking—and often withering—new evidence and arguments against the idea of a Creatorless universe. Taken all together, he shows atheism not merely to be implausible and intellectually sloppy, but now demonstrably ridiculous. Perhaps the only unanswered question on the subject is why we couldn't see this sooner, and how embarrassed we should be about it.

**Visioneering, Revised and Updated Edition** HarperOne

Presents thousands of entries in American English and Latin American and Iberian Spanish, and includes grammar notes, verb lists, and guidance on word choice.

**Martin Luther** W. W. Norton & Company

In this unique, practical book—written to be read by those remaining on earth after the Rapture—Jimmy Evans reveals the truth of the Bible about the end times. With compassion and deep insight into the prophecies of Scripture, he explains the disappearance of millions of believers around the world and gives future readers a glimpse into the events of the Tribulation. From the rise of the Antichrist to the ultimate redemption provided by Jesus, this hopeful book is a must-read for anyone navigating the future. Buy it for family members or friends. Leave it on your desk or coffee table. Put it in a place where a future reader can

find it. The truths in this book will literally transform their lives. And it may be necessary sooner than you think.

**Point of Balance** HarperCollins

In *The Color of Compromise*, Jemar Tisby takes readers back to the roots of sustained racism and injustice in the American church. Filled with powerful stories and examples of American Christianity's racial past, Tisby's historical narrative highlights the obvious ways people of faith have actively worked against racial justice, as well as the complicit silence of racial moderates. Identifying the cultural and institutional tables that must be flipped to bring about progress, Tisby provides an in-depth diagnosis for a racially divided American church and suggests ways to foster a more equitable and inclusive environment among God's people. Book jacket.
