Vendetta Simon & Schuster Limited From a four-time Newbery Honor author, a novel that was awarded the 2001 Coretta Scott King award and the Los Angeles Times Book Prize For Lafayette and his brothers, the challenges of growing up in New York City are compounded by the facts that they've lost their parents and it's up to eldest brother Ty'ree to support the boys, and middle brother Charlie has just returned home from a correctional facility. Lafayette loves his brothers and would do anything if they could face the world as a team. But even though Ty'ree cares, he's just so busy with work and responsibility. And Charlie's changed so much that his former affection for his little brother has turned to open hostility. Now, as Lafayette approaches 13, he needs the guidance and answers only his brothers can give him. The events of one dramatic weekend force the boys to make the choice to be there for each other--to really see each other--or to give in to the pain and problems of every day.

*The Vixen's Kiss* Simon and Schuster "Contains... all the goodies that make

today's bestsellers." - New York Post In the internationally bestselling first book of the iconic Lucky Santangelo series, smart, sexy and savvy Lucky Santangelo finds running her family's criminal empire exhilarating. She will do whatever it takes to ensure her self-made mob boss father, Gino, doesn't return from his self-imposed exile. But of course, Gino has other plans. Lucky tries to enlist the help of Costa Zennocotti, her father's right-hand man but quickly learns his loyalty lies only with Gino. . . at least for now. Don't Rush Me Simon and Schuster INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the

campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Ethan Strong was the first man I ever loved. He was the one person who understood me, the one person who made me feel whole, the one person who set my body on fire. We were supposed to be together forever. Then things got hard and Ethan forced me to choose between him and everything I've worked for. Now he's back in my life. He says we'll be friends. It's been a long time. I can forgive, but I can't seem to forget. The taste of his lips, the sound of his groans in my ears, those calloused fingers between my legs-- I'm going out of my mind remembering all the pleasure he brought me. Worse, I keep thinking of how happy he made me. I can't fall back in love with Ethan. It doesn't matter how badly I crave his gorgeous blue eyes, his tattooed arms, and his strong guitarists' hands. It doesn't matter that his smile still lights me up inside. It doesn't matter that I need him like I need oxygen. I'm not giving Ethan another chance to throw me away.
