"There is always tomorrow" is something that I try to remind myself every day. My heavenly father has given me a faith that I rely on daily to make it through the challenges of life. We all have challenges we must face. Many times, the challenges and burdens we face can make me or you feel as if there is no way out. When you look to God and the strength inside yourself, there is always a way through all the storms of life. We all have an inner strength that oftentimes we don't know we have until we need it. Heavenly father never leaves us alone. He is always with you or me. We all have a spirit of a warrior inside us all. Having a warrior spirit does not mean that you will not be hurt or scarred by the trials of life. Usually, the opposite is true if we pray and listen to our hearts and do what God wants us to do. Then we will be able to navigate

through the storms of life. God has given us this life and as part of it has given us the tools to make it through the journey we call life. When you feel as if you can't handle one more thing that life can throw at you, remember to look to God and there is always tomorrow. Never give up on life or yourself. There is always a reason to look toward tomorrow. We are all special.

is still hope for me and you. We all just need to believe! I would love to hear from you regarding your thoughts about my book. My e-mail address is, 'mjtaylor7@yahoo.com'. Thank you and May God continue to bless you.
