Ballantine Books

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult

professional conversations—featuring all-new advice!

There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid

awkward conversations in the office because they simply don't know what to say.

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for *Ask a Manager* “A must-read for anyone

who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's *Ask a Manager* column. This

book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Though the fundamentals of letter writing have remained the same, the way we communicate in business is constantly evolving. With the understanding that consistently professional correspondence is essential to success in any industry, *The AMA Handbook of Business Letters* offers readers a refresher course in letter-writing basics--including focusing the message, establishing an appropriate tone, and getting your

readers' attention. You'll also receive tips that apply to all written forms of communication on things like salutations, subject lines, signatures, and formatting. Jeffrey Seglin, communications director and professor of Harvard University's graduate and professional school, and author Edward Coleman provide over 370 customizable model letters, divided into categories reflecting various aspects of business such as sales, marketing, public relations, customer service, human resources, credit and collection, purchasing, permissions, and confirmations. With helpful appendices listing common

mistakes in grammar, word usage, and punctuation, the latest version of this adaptable book-- extensively updated with more than 25 percent new material-- will assist professionals through every conceivable business correspondence with confidence.

Whether you're addressing an initial infraction or handling termination-worthy transgressions, you need to be 100 percent confident that every employee encounter is clear, fair, and most importantly, legal. Thankfully, HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the

disciplinary process and provides ready-to-use documents that eliminate stress and second-guessing about what to do and say. Revised to reflect the latest developments in employment law, the third edition of 101 Sample Write-Ups for Documenting Employee Performance Problems includes expertly crafted, easily customizable write-ups that address: sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse, and more! With each sample document also including a

performance improvement plan, outcomes and consequences, and a section of employee rebuttal, it's easy to see why over 100,000 copies have already been sold, making life for managers and HR personnel significantly easier when it comes to addressing employee performance issues.
