The iconic title story of this collection narrates how Najab defies his father, the international border between India and Pakistan and the hostile salt desert of the Rann of Kutch for Fatimah. In 'When Gandhi Came to Gorakhpur' Shadilal, a small-time lawyer, dithers over giving up his profession and joining the freedom struggle until his mind is made up for him. And when Sultan Mahmud of Ghazni stints on a few silver coins for the poet Abul Qasim, he is visited by terrible nightmares in 'Of Abul Qasim'. Love across the Salt Desert, which brings together a selection of Keki Daruwalla's best-received short fiction, presents thematic variety and stunning breadth of vision. His prose is witty, precise and shot through with a unique poetic sensibility. These stories establish Daruwalla, one of India's best-known poets, as a daring and gifted practitioner of short fiction. Son, have you brought anything? he asked, an edge of iron deliberately introduced into his voice. Yes, replied Najab, as he ushered Fatimah in. The rain stormed down and swept away three years of drought.

The book, A Treasure Trove of Wisdom, written by Musiri R Parthasarathy, is a thoughtful collection of the rarest and the best stories and anecdotes from Indology, world literature and other religions. Simplified sStories based on complex philosophical abstractions like body, soul, super soul, Brahman, meditation, transmigration of the soul and 'what happens to the soul after death?' throw light into these riddles. The author has put his heart and soul to answer these knotty questions to global readers who might be curious about these topics. Despite the author writing

this manuscript many years ago, even at that time, he had the foresight of the power of visual storytelling, which is considered as the powerful communication mechanism in this era of social media. The book can be read in any order, from any chapter onward. The story is presented in such a way that the reader finds the key message of the book from any starting point. Through the book, the author drives home the message that different faiths converge to common wisdom -the God Almighty is causeless and the only Supreme Being.
