anecdotes
about Canada
from the
people who
love Canada

and everything it represents. **Ask a Manager** Lulu.com Enter the immersive world of 1970s London. Between the hippies and skinheads and the era of disco and punk, there was a time when attitudes became outrageous, music more fun, fashions glamorous, and pop stars shocking - welcome to the age of glam rock. Here we meet Mark... My Mad Fat

Diary Omnibus Books DIVDIVThe deeply affecting second novel of the Alexandria Quartet, which boldly questions perception and the nature of contemporary love/divDIV /divDIVIn Alexandria, Egypt, in the years before World War II, Durrell's narrator, Darley, seeks to fully understand his sexual obsession with two women: the infamous Justine, and Melissa, a

dancer. In Darley's conversations with Balthazar, a doctor and mystic, it soon becomes clear that Darley's fixation is more complex and ominous than either man could have imagined. Layered and unflinching, Balthazar is a poignant examination of the modern psyche, and a study of a world where love can become consumed by deceit. /divDIV /divDIVThis ebook contains a

new introduction by Jan Morris./div/div Life on a Plate HarperCollins UK
 Funny Girl is a collection of uproarious stories, rollicking comics, rib-tickling wit, and more, from 25 of today's funniest female writers for kids. What could be funnier than family? Read stories about Ursula Brown's grandmother driving her on a road trip to disaster, Lisa Brown's little brother

getting a Tic-Tac stuck up his nose, and Carmen Agra Deedy's mom setting the bathtub on fire. What could be funnier than friends? Pretty much nothing, as Rita Williams-Garcia shows two besties hatching a bird-brained scheme to get on to a TV talk show, and Deborah Underwood introduces a dynamic dog-and-cat duo teaming up on a pet advice column. What could be funnier than YOU? Tell your

future with Mad Libs, discover your Chinese Zodiac sign with Lenore Look, and learn the best tricks of the comedy trade from professional humorists like Adrienne Chalepah and Delaney Yeager. With clever contributions from award-winning and bestselling authors including Cece Bell, Sophie Blackall, Libba Bray, Shannon Hale, Lisa Graff, and Raina Telgemeier, this anthology

of funny girls will make you laugh until you cry. Or cry until you laugh. Or maybe you won't cry at all. Either way, you'll definitely laugh. Funny Girl isn't just an anthology: it's a cause, a mission, a movement. Girls are funny. Now it's time for the world to know it.

HORROR AT ITS SIDE-SPLITTING BEST! Victor Gischler is a master of the class-act literary spoof, and his work has drawn comparison to that of Douglas Adams, Kurt Vonnegut, and Thomas Pynchon. Now, Gischler turns his attention to werewolves, alchemists, ghosts, witches, and gun-toting Jesuit priests in Vampire a Go-Go, a hilarious romp

of spooky, Gothic entertainment . Narrated by a ghost whose spirit is chained to a mysterious castle in Prague, Gischler's latest is full of twists and surprises that will have readers screaming -- and laughing - - for more. [Heading Over the Hill](#)

Fashioning James Bond is the first book to study the costumes and fashions of the James Bond movie franchise,

<p>from Sean Connery in 1962's Dr No to Daniel Craig in Spectre (2015). Llewella Chapman draws on original archival research, close analysis of the costumes and fashion brands featured in the Bond films, interviews with families of tailors and shirt-makers who assisted in creating the 'look' of James Bond, and considers marketing strategies for the films and</p>	<p>tie-in merchandise that promoted the idea of an aspirational 'James Bond lifestyle'. Addressing each Bond film in turn, Chapman questions why costumes are an important tool for analysing and evaluating film, both in terms of the development of gender and identity in the James Bond film franchise in relation to character, and how it evokes the desire in audiences to become part of a specific lifestyle</p>	<p>construct through the wearing of fashions as seen on screen. She researches the agency of the costume department, director, producer and actor in creating the look and characterisation of James Bond, the villains, the Bond girls and the henchmen who inhabit the world of 007. Alongside this, she analyses trends and their impact on the Bond films, how the different costume</p>
--	--	--

designers have individually and creatively approached costuming them, and how the costumes were designed and developed from novel to script and screen. In doing so, this book contributes to the emerging critical literature surrounding the combined areas of film, fashion, gender and James Bond. Chicken Soup for the Soul: The Spirit of Canada Penguin Joe, a young

boy, introduces us to his parakeet Pop and how he cares for him. Includes a glossary and a web site. The Artful Bird Penguin DIVDIVThe final installment of the Alexandria Quartet, hailed by the New York Times Book Review as "one of the most important works of our time"/divDIV/divDIVYears after his liaisons with Justine and Melissa, Darley becomes

immersed in a relationship with Clea, a bisexual artist. The ensuing chain of events transforms not only the lovers, but the dead as well, and leads to the series' brilliant and unexpected resolution. /divDIV/divDIVPraised by Life as among the "most discussed and widely admired serious fiction of our time," Clea carries on Durrell's assured and unwavering style, and confirms the

series' standing as a resounding masterpiece of twentieth-century fiction./divDIV /divDIVThis ebook contains a new introduction by Jan Morris./div /div

 Are you in a job you don't like? Maybe you don't find yourself challenged as much as you would like, and the possibility of advancement isn't there. Perhaps you're between jobs. Or maybe you've always thought about owning and operating a small business.
 Author Shirley Bassett knows how you feel. After a series of jobs she didn't like, Bassett began her own small

housecleaning business. She shares her experiences in her book The Antics of House Cleaning. Bassett gives you the basics on how to get started, how to know who to hire and who not to hire, and how to check up on your employees. You'll also learn how to handle mishaps and how to work with what you have. The author also shares short stories about the everyday happenings of Bassett's

housecleaning business. Owning your own business is challenging, and not everyone is cut out to be a business owner. The Antics of House Cleaning helps you determine whether it is an option for you. Manual of Parrot Behavior Interweave In the commodified future the consequences of a failing society are brought to bear upon one man's ambition and his attempt to

escape his own socio-economic hell. The world's ecosystems have been destroyed by genetic pollution and cities have evolved into mega malls. Budgie is a knife wielding, brass knuckled young man from the impoverished and brutal red section of Toronto's T-Dot Center. When his best friend is urthered and Budgie falls in love with the woman responsible, he learns that there's more

to life than drugs, blood or money. To escape his past he must give up everything and everyone he knows and sell his perceptions to an enigmatic and dangerous gang leader. Fighting for survival and unwittingly involved in a scheme that only he can stop, Budgie must ask himself: Does he want to? Technicolor Ultra Mall is an ultra-violent science fiction dystopic novel about the

value of being human in a completely commodified world.

Boldwood Books Ltd
From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a

workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for

it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison

Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships

in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence,

and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together **Budgie Wore My Jacket** Penguin From the bestselling

author, beloved television host, and “arbiter of style and good taste in all areas” (People) comes a hilariously candid, deliciously snarky collection of essays about his journey from awkward kid to slightly-less-awkward adult. Clinton Kelly is probably best known for teaching women how to make their butts look smaller. But in *I Hate Everyone, Except You*,

he reveals some heretofore-unknown secrets about himself, like that he’s a finicky connoisseur of 1980s pornography, a disillusioned critic of New Jersey’s premier water parks, and perhaps the world’s least enthused high-school commencement speaker. Whether he’s throwing his baby sister in the air to jumpstart her cheerleading career or heroically rescuing his best friend

from death by mud bath, Clinton leaps life’s social hurdles with aplomb. With his signature wit and relatable voice, he shares his unique ability to navigate the stickiest of situations, like find true love in a crowded gay bar or deciding whether it’s acceptable to eat chicken wings with a fork on live television (spoiler: it’s not). Clinton delves into all these outrageous topics—and many

more—in this thoroughly unabashedly frank and uproarious collection. *Saturday Boy* Penguin Lou loves her little blue bird more than anything in the world. He is her best friend. But best friends don't always stay around for ever... Stuck in the Middle with You iUniverse New York Times bestseller David Arnold's most ambitious novel to date; Station Eleven meets The 5th Wave in a

genre-smashing story of survival, hope, and love amid a ravaged earth. When a deadly Fly Flu sweeps the globe, it leaves a shell of the world that once was. Among the survivors are eighteen-year-old Nico and her dog, on a voyage devised by Nico's father to find a mythical portal; a young artist named Kit, raised in an old abandoned cinema; and the enigmatic Deliverer, who

lives Life after Life in an attempt to put the world back together. As swarms of infected Flies roam the earth, these few survivors navigate the woods of post-apocalyptic New England, meeting others along the way, each on their own quest to find life and love in a world gone dark. The Electric Kingdom is a sweeping exploration of art, storytelling, eternal life, and above all, a testament to the notion

that even in an exterminated world, one person might find beauty in another.

 Without the Sex Pistols there would be no punk. And without Steve Jones there would be no Sex Pistols. It was Steve who, with his schoolmate Paul Cook, formed the band that eventually went on to become the Sex Pistols and who was its original leader. As the

world celebrates the 40th anniversary of punk -- the influence and cultural significance of which is felt in music, fashion, and the visual arts to this day-- Steve tells his story for the very first time. Steve Jones's modern Dickensian tale began in the street of Hammersmith and Shepherd's Bush, West London, where as a lonely, neglected boy living off his wits and petty thievery he was given

purpose by the glam art rock of David Bowie and Roxy Music. He became one of the first generation of ragamuffin punks taken under the wings of Malcolm McLaren and Vivienne Westwood. In *Lonely Boy*, Steve describes the sadness of never having known his real dad, the abuse he suffered at the hands of his stepfather, and how his interest in music and fashion saved him from a

potential life of crime spent in remand centers and prisons. He takes readers on his journey from the Kings Road of the early '70s through the years of the Sex Pistols, punk rock, and the recording of "Anarchy in the UK" and Never Mind the Bollocks. He recounts his infamous confrontation on Bill Grundy's Today program -- the interview that ushered in the "Filth and the Fury" headlines that

catapulted punk into the national consciousness . And he delves into the details of his self-imposed exile in New York and Los Angeles, where he battled alcohol, heroin, and sex addiction but eventually emerged to gain fresh acclaim as an actor and radio host. Lonely Boy is the story of an unlikely guitar hero who, with the Sex Pistols, transformed twentieth-century

culture and kick-started a social revolution. Do You Know about Lions? Orion Experience how it feels to be the subject of a blasphemy prosecution! Find out why 'wool' is a funny word! See how jokes work, their inner mechanisms revealed, before your astonished face! In 2001, after over a decade in the business, Stewart Lee quit stand-up, disillusioned and drained, and went off

to direct a loss-making musical, Jerry Springer: The Opera. Nine years later, *How I Escaped My Certain Fate* details his return to live performance, and the journey that took him from an early retirement to his position as the most critically acclaimed stand-up in Britain, the winner of BAFTAs and British Comedy Awards, and the affirmation of being rated the 41st best

stand up ever. Here is Stewart Lee's own account of his remarkable comeback, told through transcripts of the three legendary full-length shows that sealed his reputation. Astonishingly frank and detailed in-depth notes reveal the inspiration and inner workings of his act. With unprecedented access to a leading comedian's creative process, this book tells us just what it was like to

write these shows, develop the performance and take them on tour. *How I Escaped My Certain Fate* is everything we have come to expect from Stewart Lee: fiercely intelligent, unsparingly honest and very, very funny. *The Woman Who Took a Chance* Simon and Schuster As the 1938 hurricane approaches Rhode Island, another storm brews in this New York Times bestselling beach read

from the author of Her Last Flight and The Golden Hour. Lily Dane has returned to Seaview, Rhode Island, where her family has summered for generations. It's an escape not only from New York's social scene but from a heartbreak that still haunts her. Here, among the seaside community that has embraced her since childhood, she finds comfort in the familiar rituals of summer. But

this summer is different. Budgie and Nick Greenwald—Lily's former best friend and former fiancé—have arrived, too, and Seaview's elite are abuzz. Under Budgie's glamorous influence, Lily is seduced into a complicated web of renewed friendship and dangerous longing. As a cataclysmic hurricane churns north through the Atlantic, and uneasy secrets slowly reveal

themselves, Lily and Nick must confront an emotional storm that will change their worlds forever...
