ROBERSON ROTH

He Remembers the Barren Energion Publications

"If discipleship is a journey, this book belongs in the rucksack. . . Like the scriptures on which it is based, it deserves repeated reading." Stephen Cherry, Dean of Kings College, Cambridge This fresh and inspiring look at the meaning of discipleship covers the essentials of the christian life, including: faith, hope and love; forgiveness; holiness; social action; life in the Spirit. Written for the general reader by one of our greatest living theologians, this book will help you to see more clearly, love more dearly and follow more nearly the way of Jesus Christ.

Process Theology: A Guide for the Perplexed Hal Leonard Publishing Corporation

People living with mental health challenges are not excluded from God's love or even the fullness of life promised by Jesus. Unfortunately, this hope is often lost amid the well-meaning labels and medical treatments that dominate the mental health field today. In *Finding Jesus in the Storm*, John Swinton makes the case for reclaiming that hope by changing the way we talk about mental health and remembering that, above all, people are people, regardless of how unconventionally they experience life. *Finding Jesus in the Storm* is a call for the church to be an epicenter of compassion for those experiencing depression, schizophrenia, bipolar disorder, and related difficulties. That means breaking free of the assumptions that often accompany these diagnoses, allowing for the possibility that people living within unconventional states of mental health might experience God in unique ways that are real and perhaps

even revelatory. In each chapter, Swinton gives voice to those experiencing the mental health challenges in question, so readers can see firsthand what God's healing looks like in a variety of circumstances. The result is a book about people instead of symptoms, description instead of diagnosis, and lifegiving hope for everyone in the midst of the storm.

Seven Blind Mice Baker Books

In this verse-by-verse study of the Book of Hebrews, Jen Wilkin explores how God "provided something better for us" in the person of Jesus Christ (Heb. 11:40).

Through stories of Old Testament heroes and practices, the author of Hebrews demonstrates how the new covenant is superior to the old and how Jesus Christ is the fulfillment of every promise.

Explore familiar verses in context of the entire Bible, learning how to place your hope and faith in Christ alone. (10 sessions) Additional purchase or renting of the video teaching sessions is recommended for the best experience of this Bible study book. Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete between 10 weeks of group sessions Essential teaching videos, approximately 30-45 minutes per session, available for purchase or rent Benefits: Explore Old Testament stories to gain context for the superiority of Christ. Gain an understanding of the old and new covenants. Learn to place your hope in Jesus. Study the Book of Hebrews verse by verse.

Better - Bible Study Book Great Smoky Mountains Association

In this ground-breaking book, Joel Comiskey challenges pastors and leaders to move from simply educating children to forming them into disciples

who make disciples. Comiskey lays out the Biblical base for children's ministry and then encourages pastors and leaders to formulate their own vision and philosophy for ministry to children based on the Biblical text. Comiskey highlights how to disciple children in both the large group and the small group. He quickly moves into practical examples of intergenerational cell groups and how effective cell churches have implemented this type of group. He then writes about children only cell groups, citing many practical examples from some of the most effective cell churches in the world. Comiskey covers equipping for children, how to equip the parents, and mistakes in working with children in the cell church. This is a must read book for all those wanting to minister to children both in large and small groups.

The Family Reunion Bible A&C Black Is secularism a positive force in the modern world? Or does it lead to fragmentation and disintegration? In *Saving Leonardo*, best-selling award-winning author Nancy Pearcey (Total Truth, coauthor *How Now Shall We Live?*) makes a compelling case that secularism is destructive and dehumanizing. Pearcey depicts the revolutionary thinkers and artists, the ideas and events, leading step by step to the unleashing of secular worldviews that undermine human dignity and liberty. She crafts a fresh approach that exposes the real-world impact of ideas in philosophy, science, art, literature, and film--voices that surround us in the classroom, in the movie theater, and in our living rooms. A former agnostic, Pearcey offers a persuasive case for historic Christianity as a holistic and humane alternative. She equips readers to counter the life-denying worldviews that are radically restructuring society

and pervading our daily lives. Whether you are a devoted Christian, determined secularist, or don't know quite where you stand, reading *Saving Leonardo* will unsettle established views and topple ideological idols. Includes more than 100 art reproductions and illustrations that bring the book's themes to life. Praise for *Saving Leonardo*: "A feast for the mind and for the eye. Nancy Pearcey not only is a trustworthy guide for a nuanced discussion on the relationship between culture and the gospel, but she is a gifted teacher as well . . . *Saving Leonardo* is a rare, precious gift to the churches and universities alike." Makoto Fujimura, artist and author of *Refractions: A Journey of Faith, Art, and Culture* "Nancy Pearcey has done it again and better than ever. She has taken the complex sophistication of the best cultural analysis and laid it out for any person to grasp, enjoy and use to live out their daily lives honoring Christ. An astounding accomplishment!" James W. Sire, author of *The Universe Next Door* "G. K. Chesterton said 'the danger when Men stop believing in God is not that they'll believe in nothing; but that they will believe in anything.' Nancy Pearcey understands where believing in anything leads and in this book she reveals where a secular philosophy is taking us. A balanced, fair, and impacting work!" Cal Thomas, syndicated and USA Today columnist "Nancy Pearcey helps a new generation of evangelicals to understand the worldview challenges we now face and to develop an intelligent and articulate Christian understanding . . . *Saving Leonardo* should be put in the hands of all those who should always be ready to give an answer--and that means all of us." R. Albert Mohler, Jr., president, The Southern Baptist Theological Seminary

"Nancy Pearcey is an intellectual prophet in our day and one of Evangelicalism's foremost cultural observers. *Saving Leonardo* is a tour de force. In it, Pearcey provides a penetrating analysis of the nature of contemporary secularism, a helpful exposition of how we got to the present situation, and a well-crafted strategy for changing the situation. This is her best effort yet . . . a must read." J. P. Moreland, distinguished professor of Philosophy, Biola University and author of *The God Question* "Nancy Pearcey is unsurpassed in the current generation of Christian thinkers . . . The magic continues with this book. Pearcey's virtues as a writer and thinker are once again fully evident in the range of material that she has mastered, the encyclopedic collection of data that she presents, and the analytic rigor with which she separates truth from error in worldviews. She is a prophetic voice for contemporary Christians." Leland Ryken, Clyde S. Kilby professor of English, Wheaton College "Brilliant . . . The book brings complex, abstract ideas down-to-earth -- or rather, down-to-life. . . . *Saving Leonardo* bridges the gaps between the arts and the sciences, the theoretical and the practical. The book not only argues for the unity of Christian truth but exemplifies that unity and shows it in action." Gene Edward Veith, provost, Patrick Henry College
[Joining Jesus on His Mission](#) Abingdon Press

What does your spiritual DNA look like? In terms of your spiritual identity, where do you come from and where are you going? We live in an age when many Christians have experienced several denominational and religious communities. Many wonder what to do with these experiences. At the same time many congregations are made up

of people who come from different traditions, and the question is how to bring these diverse experiences into the life of the congregation in an enriching way. If we take as our starting point, the call of Abraham and Sarah to take a journey to an unknown land with the promise that their descendants would be a blessing to the nations, what might this look like in terms of our spiritual lives? Join with the author as he draws on his spiritual journey that has taken him into several denominational traditions, as well as his experiences as a pastor and historical theologian, to discern values and concepts that can help congregations and individuals make sense of their diverse spiritual experiences, so that together we might fulfill the Abrahamic calling, reaffirmed in Christ, to be a blessing to the nations.
Called to Bless Wm. B. Eerdmans Publishing

Knowable Word offers a foundation on why and how to study the Bible. Through a running study Genesis 1, this new edition illustrates how to Observe, Interpret, and Apply the Scripture-and gives the vision behind each step.

Top Worship Songs Vintage
 Comic superheroes embody the hopes of a world that is desperate for a savior. But those comic creations cannot save us from our greatest foes—sin and death. Throughout the history of the Church there have been bad ideas, misconceptions, and heretical presentations of Jesus. Each one of these heresies fails to present Jesus as the Bible reveals him. In *Superheroes Can't Save You*, Todd Miles demonstrates how these ancient heresies are embodied in contemporary comic superheroes. Miles compares something everybody already knows (who the superheroes are) with what they need to know (who Jesus is),

in a book that makes vitally important Christian truths understandable and applicable to a wide audience.

Sip, Savor, and Drink Deeply Crossway

The Family of God J.C. Ryle, 1878 "The whole family in Heaven and earth."

Ephesians 3:15 Reader, Look at the words which form the title of this tract, and ponder them well. They are words which ought to stir some feelings in our minds at any time, and especially at Christmas. There lives not the man or woman on earth, who is not a member of some "family." The poorest as well as the richest, has his kith and kin, and can tell you something of "his family." Family gatherings at Christmas, we all know, are very common. Thousands of firesides are crowded then, if at no other time of the year. The young man in town snatches a few days from business, and takes a run down to "the old folks at home." The young woman gets a short holiday, and comes to visit her father and mother. Brothers and sisters meet for a few hours. Parents and children look one another in the face. How much there is to talk about! How many questions to be asked! How many interesting things to be told! Happy indeed is that fireside which sees gathered round it at Christmas, "the whole family!" Family gatherings at Christmas are natural, and right, and good. I approve them with all my heart. It does me good to see them kept up. They are one of the very few pleasant things which have survived the fall of man. Next to the grace of God, I see no principle which unites people so much in this sinful world as family feeling.

Community of blood is a most powerful tie. I have often observed that people will stand up for their relations, merely because they are their relations and refuse to hear a word against them even when they have no sympathy with their tastes and ways. Anything which helps to keep up family feeling ought to be commended. It is a wise thing, when it can be done, to gather together at Christmas "the whole family." Family gatherings, nevertheless, are often sorrowful things. It would be strange indeed, in such a world as this, if they were not. Few are the family circles which do not show gaps and vacant places as years pass away. Changes and deaths make sad havoc as time goes on. Thoughts will rise up within us, as we grow older, about faces and voices no longer with us, which no Christmas merriment can entirely keep down. When the younger members of the family have once begun to shift for themselves and launch forth into the world the old heads may long survive the scattering of the nest. But after a certain time, it seldom happens that you see together "the whole family."

Why Study History? Henry Thomas Easy arrangements of 12 modern hits. *The Family of God* Tyndale Momentum Tackles the difficult subject of infertility using Jesus Christ's teachings and the Christian faith.

Eight Virtues of Rapidly Growing

Churches Lifeway Church Resources

The Caldecott Honor book and modern classic now in boardbook format. Finally! Nearly twenty years ago, Ed Young translated the ancient parable of the seven blind men and the elephant into a modern children's classic, one as simple as it is profound. A lesson in colors, numbers, the days of the week and most important, knowledge, this beautifully

illustrated book has stood the test of time and continues to entertain and teach. Now in board book format, even the youngest children can experience the beauty and wisdom.

The Memory Box Chalice Press

Follow bestselling author, speaker, and pastor James MacDonald as he delivers the biblical hope of God's promises in the midst of life's storms. 2 Peter 1:3 refers to certain portions of God's Word as exceedingly great and precious promises. Great promises are ones that don't fall apart during difficult times; they reveal hope in the midst of the storm. Precious promises are ones that we find strong enough to hold us up and resilient enough to get us through. God's promises become exceedingly great and precious to us when nothing else will do. By way of digging into the theology of God's Promises, Pastor James uncovers 5 major categories of promise in the Bible and the 5 areas about which God repeatedly makes promises. From what to do with fear and doubt to God's goodness, help, and victory—the Bible has much to say about God's presence in our difficulty. Last year, Pastor James released *When Life is Hard* to point you toward hope in the midst of trials. Now, *Always True* will point you to God's promises, which are always true.

Sticky Faith CCS Publishing

"Remember the Sabbath day to keep it holy." Yeah, right. Sabbath-keeping seems quaint in our 24/7, twenty-first century world. Life often feels impossibly full, what with work, to-do lists, kid activities, chores, and errands. And laundry... always and forever laundry. But the Sabbath isn't just one of the ten commandments; it is a delight that can transform the other six days of the week. Join one family's quest to take Sabbath to heart and change their frenetic way of

living by keeping a Sabbath day each week for one year. With lively and compelling prose, MaryAnn McKibben Dana documents their experiment with holy time as a guide for families of all shapes and sizes. Tips are included in each chapter to help make your own Sabbath experiment successful.

Rediscover Church B&H Publishing Group

Contains readings for each day of the Advent season that describe the fate of young Bartholomew after Roman soldiers attack his village and he must travel across Israel in search of his family; and provides candle-lighting instructions.

The Jesus Paradigm Moody Publishers

American Millennials--the generation born in the 1980s and 1990s--have been leaving organized religion in unprecedented numbers. For a long time, the Church of Jesus Christ of Latter-day Saints was an exception: nearly three-quarters of people who grew up Mormon stayed that way into adulthood. In *The Next Mormons*, Jana Riess demonstrates that things are starting to change. Drawing on a large-scale national study of four generations of current and former Mormons as well as dozens of in-depth personal interviews, Riess explores the religious beliefs and behaviors of young adult Mormons, finding that while their levels of belief remain strong, their institutional loyalties are less certain than their parents' and grandparents'. For a growing number of Millennials, the tensions between the Church's conservative ideals and their generation's commitment to individualism and pluralism prove too high, causing them to leave the faith--often experiencing deep personal anguish in the process. Those who

remain within the fold are attempting to carefully balance the Church's strong emphasis on the traditional family with their generation's more inclusive definition that celebrates same-sex couples and women's equality. Mormon families are changing too. More Mormons are remaining single, parents are having fewer children, and more women are working outside the home than a generation ago. The Next Mormons offers a portrait of a generation navigating between traditional religion and a rapidly changing culture.

Chronic Pain B&H Publishing Group
 What if the biggest danger to the church of Jesus Christ is not blatant heresy, the moral failures of church leaders, persecution, the rise of Islam or the loss of our rights? What if the biggest threat is counterfeit gospels within the church, ways of thinking and speaking about the good news that lead to a gradual drift from the truth of Scripture? The gospel is like a three-legged stool. There's the Gospel Story - the grand narrative of Scripture (Creation, Fall, Redemption, Restoration). Within that overarching framework, we make the Gospel Announcement about Jesus Christ (His perfect life, substitutionary death, resurrection, exaltation). The gospel announcement then births the Gospel Community: God's church - the embodiment of the gospel, the manifestation of God's kingdom. A counterfeit gospel is like a colony of termites, eating away at one of the legs of this stool until the whole thing topples over. This book exposes six common counterfeits (Therapeutic, Judgmentless,

Moralist, Quietist, Activist, and Churchless) that would get us off track. The goal of Counterfeit Gospels is to so deepen our love for the unchanging gospel of Jesus Christ that we would easily see through the many counterfeits that leave us impoverished. So come, love the gospel, recognize and overcome the counterfeits, and be empowered for ministry!

Knowable Word Moody Publishers

The church is in disarray. Theologians and commentators speak of the demise of evangelicalism. Are they alarmists? Is Christianity as we know it in the process of dying? Writer, scholar, teacher, and missionary Dr. David Alan Black thinks that the answer does not lie in the politics of the left or the right. In fact, he doesn't think that Jesus tells us what our politics should be. He doesn't see answers in Christian nationalism. But even further, he sees serious flaws in the very structure of our churches and denominations that prevent us from truly being obedient to the gospel. The solution lies, not in renewal, revival, or even in reformation, but rather in restoration-a restoration of the church organized as Jesus intended it and according to the example provided by the earliest church sources in the New Testament. To make the church and its members true servants of Jesus Christ again, we need to change our entire paradigm-to The Jesus Paradigm.

Saving Leonardo SPCK

Based on the real-life Gus and Ida of New York's Central Park Zoo, this is the story of a polar bear who grieves over the loss of his companion.
