A brand-new standalone novel in the New York Times bestselling Briar U series! What I learned after last year's distractions cost my hockey team our entire season? No more screwing up. No more screwing, period. As the new team captain, I need a new philosophy: hockey and school now, women later. Which means that I, Hunter Davenport, am officially going celibate...no matter how hard that makes things. But there's nothing in the rulebook that says I can't be friends with a woman. And I won't lie—my new classmate Demi Davis is one cool chick. Her smart mouth is hot as hell, and so is the rest of her, but the fact that she's got a boyfriend eliminates the temptation to touch her. Except three months into our friendship, Demi is single and looking for a rebound. And she's making a play for me. Avoiding her is impossible. We're paired up on a yearlong school project, but I'm confident I can resist her. We'd never work, anyway. Our

backgrounds are too different, our goals aren't aligned, and her parents hate my guts. Hooking up is a very bad idea. Now I just have to convince my body—and my heart.

A Shameless Little Bet (*Shameless #3*) Meli Raine

I didn't do it. I never betrayed my friend. Last year, I was kidnapped along with presidential candidate's daughter Lindsay Bosworth, forced to help her assailants, my mother implicated in one of the biggest political scandals in American history. I've been cleared of any wrongdoing, but that doesn't matter. Once you're tried by the media, you're guilty as sin. The truth doesn't get the public's attention. But shame? Shame sells. And everyone assumes you're tainted. Now I have my own personal security team, courtesy of the United States government. Not the one you learned about in civics class, though. I'm being tracked by the deep state. The shadow government. They've assigned Silas Gention to be with me twenty-four seven. He thinks he knows everything about me - all of it bad -- and he does. On paper. Like everyone else, he

assumes I'm a traitor. A backstabber. A betrayer. Someone who helped a group of violent psychopaths, puppets of powerful men in Washington who made me into a tool. Yet I see how he looks at me. True desire can't be faked. Or hidden. And that goes both ways. He assumes I'm trying to fool him. And he might be right. But not for the reasons he thinks.

I admit it. I fell in love with Silas. My bodyguard. My protector. My new informant. We're playing a cat-and-mouse game. I'm not sure whether I'm the cat or the mouse, but I can definitely tell I'm in a trap. A trap with no way out. I'm not

who everyone thought I was. The truth is out there, finally turning the lie about me inside out. I am the shameless little lie. It's finally been revealed, and now even more people want to kill me. As a presidential campaign hangs in the balance, a delicate web of international relations and economic stability at risk, power becomes more important than anything else. Even my life. Especially my life. I'm a nothing. A no one. Just a tool, remember? But tools can be used to open locks. Cracking open the truth and exposing it could change the balance of power. Tip the scales. Kidnapped her. Made her flee everything she knows. Told her that her entire life is a lie. And now she hates me. Fears me. Loathes me. Good. I'll do anything for her. Anything. Even if she doesn't understand. An unknown stakeholder sent a ruthless, infamous torturer to get to her before I did, which means she isn't just a product to be auctioned off to the highest billionaire bidder. She's worth more dead than alive to someone. A rogue element. An agent of chaos. And I have to save her from forces of evil she cannot comprehend. When orders come through to bring her into the belly of the beast, deliver her to the auction, hand her off untouched and unscathed, I have no choice. I have to save her by hurting her. But most of all, I have to save her from me. * * * I Will Save You is the second book in USA Today bestselling

author Meli Raine's new Bloodline romantic suspense series, a woman-in-peril psychological thriller story with an unreliable narrator, double-crosses galore, questionable bodyguards, a very public auction, scheming billionaires, shadow government agencies, a hero with a secret goal, and a heroine who is stronger than she thinks. Featuring a world of corrupt networks where money talks and the dead tell no lies, the new Bloodline series will keep you in taut suspense on the edge of your seat. But most of all, every twist and turn leaves you wondering who to trust. Full disclosure: I Will Save You ends on a cliffhanger. Don't hate the author. She's just doing her job. ;) Read all three books in this trilogy: I Will Find You (Bloodline series, Book 1) I Will Save You (Bloodline series, Book 2) I Will Earn You (Bloodline series, Book 3) *Breaking Beautiful* Penguin First in a tantalizing new trilogy about reigniting a forbidden desire from long ago... As heiress to a media empire Alessandra Sinclair was raised to put family obligations first. But everything changes

the night her first love walks back into her life and turns her whole world upside down. Haunted by the memories of a secret romance with a boy from the wrong side of the tracks, she can't seem to get Hudson Chase out of her mind. Once again torn between two worlds, Allie must decide how much she's willing to risk to have the love she's always longed for. Ten years is a long time to wait, but billionaire Hudson Chase didn't become CEO of one of the country's fastest growing companies by giving up on what he wants. Now that he's got Allie in his sights again, he's determined to make her regret breaking his heart. And this time, he's going to make damn sure he's not so easy to forget. Includes a preview of Release Me book two of the Chasing Fire trilogy. "Remind Me is an exceptional debut; seriously sexy and sinfully steamy. [Keeping Allie \(Breaking Away #3\) \(Romantic Suspense\) \(MC Romance\)](#) Meli Raine Fans of dark contemporary stories will feel right at home in Jennifer Shaw Wolf's debut as she takes them on an emotional ride through the murky waters of love, shame, and ultimately, forgiveness. Allie lost everything the night her boyfriend, Trip, died in a horrible car accident--including her memory of the event. She doesn't remember driving on the cliff road. She doesn't recall jumping from the truck just before Trip lost control. As their small town mourns his death, Allie is afraid to remember because doing so means delving into what she's kept hidden for so long, the horrible reality of their abusive relationship. When the police reopen the investigation, it quickly

turns on Allie and her best friend, Blake, especially as their budding romance raises eyebrows around town. As the threats begin and the survivor's guilt takes over, Allie knows she must tell the truth. Can she reach deep enough to remember that night so she can finally break free?

Remind Me Meli Raine I have my senior year planned: keep my head down, don't make any waves, and get the diploma. I've done the popularity thing at Savage River High, but after two years away, I have no interest in reclaiming my crown. The last time I put myself in the spotlight, I was left in shambles. Unfortunately, my carefully laid plans go to hell when I grab the attention of dark, forbidding, and brutally hot Sebastian Vega. He looks at me like he wants to kill my puppy or eat me alive. Quite possibly both. Sebastian is everywhere I go, and he's decided I'm the twisted game he wants to play, whether I'm a willing participant or not. The question is...what will I have to lose in order to win? Authors Note: This is a DARK high school bully romance with mature themes and dubious situations that

some readers may find offensive. If you're looking for a nice guy, prince of a hero, this story isn't for you.

A Harmless Little Ruse (Harmless #2) (Romantic Suspense)

Meli Raine Turns out there was a second video from that awful night four years ago. Mine wasn't the only tape. Too bad mine wasn't the worst. Drew can't protect me no matter how hard he tries, but the roles are flipped now. I have to help him, but I'm not wired that way. Not anymore. That one night changed me more than anyone knows. More than anyone could predict. Three men think they're above the law. They're right. But I'm willing to go beneath the law to make sure they never harm anyone else. Their threats don't scare me. When you have nothing left to lose because someone took it all away, you create the most dangerous creature imaginable. Me.
