 BOOK 3 OF THE DARK DUET I'm writing this because you begged.
 You know how I love the begging. In fact, you probably know too
 many things and know them far too well. Who am I? Well, that's
 what I'm trying to figure out. I was a whore in my youth, a killer
 since my adolescence, and a monster as a man. I am the man
 who kidnapped Livvie. I am the man who held her in a dark room
 for weeks. But, most importantly, I am the man she loves. She
 loves me. It's quite sick, isn't it? Of course, there's more to our
 story than can be surmised in a few short sentences, but I'm at a
 loss for justifying my behavior back then. I assume if you're
 reading this, I don't need to make those justifications. You've
 already made your own. You're reading this because you want to
 know about the rest of the story. You want to know what
 happened that warm summer night in September of 2010, the
 night I met Livvie at The Paseo. It was the night my life changed
 all over again. It didn't happen exactly as Livvie said. She's been

very kind to me in the retelling of our story. The truth is far
 more...complicated.

Contemporary BDSM erotic romance "(contains Club
 Shadowlands & Dark Citadel)" CLUB SHADOWLANDS Her car
 disabled during a tropical storm, Jessica Randall discovers the
 isolated house where she's sheltering is a private bondage club.
 At first shocked, she soon becomes aroused watching the
 interactions between the Doms and their subs. But she's a
 professional woman--an accountant--and surely isn't a submissive
 . . . is she? Master Z hasn't been so attracted to a woman in
 years. But the little sub who has wandered into his club intrigues
 him. She's intelligent. Reserved. Conservative. After he discovers
 her interest in BDSM, he can't resist tying her up and unleashing
 the passion she hides within. DARK CITADEL After Kari breaks up
 with her date during Beginner's Night at Club Shadowlands, she's
 given the option to continue with an experienced dominant.
 Despite her steamy fantasies about BDSM, the inexperienced
 schoolteacher plans to simply observe. Yet under the unyielding
 hands of Master Dan, she not only participates, but gives him
 everything he asks for. There is nothing she can hide from him.
 Not her passion...or her love. Still mourning the death of his wife,
 Master Dan avoids getting involved with women and he never

takes a sub twice. But this modest little beginner is such a sweetie, one night is far from enough. As he plumbs her responses, taking her ever deeper into the world of BDSM, the gentle submissive begins to show him how barren his life has become and what a dark citadel he's made of his heart. During their three nights together, the teacher will learn to submit...can she teach the master to love?

But then slave fifty-eight entered my world. Hissing, fighting, with a core of iron, she showed me an existence where two wrongs do make a right." Tess is Q's completely. Q is Tess's irrevocably. But now, they must learn the boundaries of their unconventional relationship, while Tess seeks vengeance on the men who sold her. Q made a blood-oath to deliver their corpses at Tess's feet, and that's just what he'll do. He may be a monster, but he's Tess's monster.

The greatest haunted house story ever written, the inspiration for a 10-part Netflix series directed by Mike Flanagan and starring Michiel Huisman, Carla Gugino, and Timothy Hutton First published in 1959, Shirley Jackson's *The Haunting of Hill House* has been hailed as a perfect work of unnerving terror. It is the story of four seekers who arrive at a notoriously unfriendly pile called Hill House: Dr. Montague, an occult scholar looking for solid evidence of a "haunting"; Theodora, his lighthearted assistant; Eleanor, a friendless, fragile young woman well acquainted with poltergeists; and Luke, the future heir of Hill House. At first, their stay seems destined to be merely a spooky encounter with inexplicable phenomena. But Hill House is gathering its powers—and soon it will choose one of them to make its own. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. And... I appreciated it even more once I was done. I felt mostly... complete. Crazy right? Ahhh but sometimes, it just is what it is. It was rich, well rounded, uncomfortable, exciting and scary (in multiple ways). Emotionally affecting. I lived it, I didn't just read it, although I was VERY happy to be on this side of the book. *phew* I may enjoy the fictional thrill and I may like it crazy at times, but I'm very content on the "safe" side of life." -- Maryse, Maryse's Book Blog

What Happens After Layla Hagen

It all starts when I get an email. Let me rephrase. It's a sextortion email from someone claiming they tapped into my computer and recorded me while I was watching a graphic adult video. If I don't send them money, they'll forward it to everyone in my Contacts list. As a chemistry teacher at a private school, I panic. Not only do I love my job, but I also need it. Desperate and afraid, I run to the police station and ask an officer for help. A very gorgeous, very arrogant officer—Dax Harder. Dax is a mixture of a fearless warrior and an undisciplined child. After he proves to me that it's a spam email and they didn't actually hack into my computer, he

uses the incident to tease me. I leave the police station in a huff, hoping to never see him again. Fate has other ideas. Everywhere I go, I run into Officer Harder. Our tension turns heated, and soon, we're embarking on a fiery and bold romance. The more time I spend with him, the more I learn about the dark past that lingers behind the eyes of the closely guarded cop. And whatever it is, it's enough for him to push me away.

He was forbidden. I knew it. He was never mine to have. He belonged to someone else. His heart wasn't free to give. Still I craved him. I begged him for it. His love was addictive. Our time was never enough. He shattered my world like I'd shattered everyone else's. It was all fun and games before. I didn't think about what would happen after.

"It seemed to Caleb, the nature of human beings revolved around one empirical truth: we want what we cannot have. For Eve, it was the fruit of the forbidden tree. For Caleb, it was Livvie." "What is the price of redemption? Rescued from sexual slavery by a mysterious Pakistani officer, Caleb carries the weight of a debt that must be paid in blood. The road has been long and fraught with uncertainty, but for Caleb and Livvie, it's all coming to an end. Can he surrender the woman he loves for the sake of vengeance?
