GROSS STONE

Annual Report [with Accompanying Documents]. □□□□□□□□□□

A beautifully written, timeless tale by Cao Wenxuan, best-selling Chinese author and 2016 recipient of the prestigious Hans Christian Andersen Award. Sunflower is an only child, and when her father is sent to the rural

Cadre School, she has to go with him. Her father is an established artist from the city and finds his new life of physical labor and endless meetings exhausting. Sunflower is lonely and longs to play with the local children in the village across the river. When her father tragically drowns, Sunflower is taken in by the poorest family in the village, a family with a son named Bronze. Until Sunflower joins his family, Bronze was an only child, too, and hasn't spoken a word since he was traumatized by a terrible fire. Bronze and Sunflower become inseparable, understanding each other as only the closest friends can. Translated from Mandarin, the story meanders gracefully through the challenges that face the family, creating a timeless story of the trials of poverty

and the power of love and loyalty to overcome hardship.

Bronze et Tournesol

Dans un petit village de Chine...
 Tournesol est une petite fille aussi lumineuse que les fleurs qui portent son nom. Bronze a onze ans, et ce n'est pas un garçon comme les autres : il est

muet. Mais quand Bronze et Tournesol se rencontrent au bord du fleuve, ils n'ont pas besoin de mots pour se comprendre. Ensemble, ils vont affronter la pauvreté, le regard des autres, et connaître bien des aventures, petites ou grandes, heureuses ou malheureuses. Ils sont aussi unis que les doigts de la main ! Jusqu'au jour où... Par un grand auteur chinois, un roman qui est un hymne à la nature et à la force des sentiments.
