Now available in paperback, Arroz con leche / Rice Pudding is the second title of Jorge Argueta's popular bilingual Cooking Poems series, celebrating the joys of preparing, eating and sharing food. From sprinkling the rice into the pot, to adding a waterfall of milk, cinnamon sticks, salt stars and sugar snow, Jorge Argueta's

recipe is not only easy to follow, it is a poetic experience. The lively illustrations by Fernando Vilela feature an enthusiastic young cook who finds no end of joy in making and then slurping up the rice pudding with his family. As in all the titles in this series, Arroz con leche / Rice Pudding conveys the pleasure of making something delicious to eat for people you really love. A great book for families to enjoy together. Arroz Con Leche: Popular Songs and Rhymes from Latin America Penguin ★“Pura Belpré honoree Delacré's

chronicles—each different from the next—offer moving snapshots of family heartbreak, disadvantage, dysfunctionality, heartbreak, privilege, and joy.” — Kirkus Reviews (starred review) ★ “Beautifully written with candor, honesty and perfect brevity. Delacre illustrates as well, providing a gorgeous mixed-media portrait of each story’s main character. A collection not to be missed.” — Booklist (starred review) “This welcome update to short story collections such as Gary Soto’s *Baseball in April* and prose alternative to Alma Flor Ada’s *Yes!: We Are Latinos* is a solid addition to libraries and would also add much-needed diversity to classroom study.” — School Library Journal “Portraits are indeed beautiful...will surely inspire discussion of current

issues.” — Bulletin of the Center for Children’s Books “Delacre’s collection challenges existing misconceptions by giving readers an intimate and varied look into what it is like to be young and Latino in the United States today.” — The Horn Book “Middle grade readers will appreciate reading stories that reflect their lives, not their parents’ or grandparents’ stories” (from the “10 Exciting New Middle Grade Books with Latinx Main Characters”) — Brightly *Tomie dePaola’s The Popcorn Book (40th Anniversary Edition)* Harper Collins Based on a bedtime game that author and illustrator Lulu Delacre played with her young daughters, *How Far Do You Love Me?* is an ‘I Love You’ book with a twist. With every expression of love, readers visit one of 13 locations around

the world, each a beautifully illustrated scene of adults and children in a place of natural beauty. As bedtime - or any quiet time - approaches, gather close with a special person in your life and get ready to let your imagination soar to place after place of love as you embark on a game of 'How far do you love me?' *Spanish Children's Songs* University Press of Florida
