RAMOS BAUTISTA

The White Bone Open Road + Grove/Atlantic
 Traces the public librarian author's inspiring story as a Mormon youth with Tourette's Syndrome who after a sequence of radical and ineffective treatments overcame nightmarish tics through education, military service, and strength training.

Warren Buffett and the Interpretation of Financial Statements HMH

When the Ninth Doctor lands in the town of Kennet, he finds that something is terribly wrong. The people are scared. They don't like going out at night, they don't like making too much noise, and they certainly don't like strangers asking questions. What alien force has invaded the town and why is it watching barmaid Alison Cheney? The Ninth Doctor is sardonic, witty, compassionate, and tired of how foolish humans can be. He has lived through things his predecessors never dreamed of but has difficulty with things that those before him have taken for granted. He has secrets that may put him, Alison, and the whole world in danger. The Doctor is helped by his new military liaison Major Kennet and his Royal Green Jacket troops. Starting with a small community under threat, this Doctor Who story takes in the entire world, from New Zealand to India, Siberia to the USA, and cosmic expanses beyond. Originally published in 2004.

NEW YORK TIMES BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. **NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE** A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's latest bestselling novel, *To Paradise*.

The Autobiography of a Tibetan Monk HarperCollins

Few bands in the past three decades have proven as affecting or exciting as the Misfits, the ferocious horror punk outfit that lurked in the shadows of suburban New Jersey and released a handful of pivotal underground recordings during their brief, tumultuous

time together. Led by Glenn Danzig, a singer possessed of vision and blessed with an incredible baritone, the Misfits pioneered a death rock sound that would reverberate through the various musical subgenres that sprung up in their wake. This Music Leaves Stains now presents the full story behind the Misfits and their ubiquitous, haunting skull logo, a story of unique talent, strange timing, clashing personalities, and incredible music that helped shape rock as we know it today. James Greene, Jr., maps this narrative from the band's birth at the tail end of the original punk movement through their messy dissolve at the dawn of the 1980s right on through the legal warring and inexplicable reunions that helped carry the band into the 21st century. Music junkies of any stripe will surely find themselves engrossed in this saga that finally pieces together the full story of the greatest horror punk band that ever existed, though Misfits fans will truly marvel at the thorough and detailed approach James Greene, Jr. has taken in outlining the rise, fall, resurrection, and influence of New Jersey's most frightening musical assembly.

Enduring Patagonia HarperCollins

After his breakthrough with Ziggy Stardust and before his U.S. pop hits "Fame" and "Golden Years" David Bowie produced a dark and difficult concept album set in a post-apocalyptic "Hunger City" populated by post-human "mutants." **Diamond Dogs** includes the great glam anthem "Rebel Rebel" and utterly unique songs that combine lush romantic piano and nearly operatic singing with scratching, grungy guitars, creepy, insidious noises, and dark, pessimistic lyrics that reflect the album's origins in a projected Broadway musical version of Orwell's 1984 and Bowie's formative encounter with William S. Burroughs. In this book Glenn Hendler shows that each song on **Diamond Dogs** shifts the ground under you as you listen, not just by changing in musical style, but by being sung by a different "I" who directly addresses a different "you." **Diamond Dogs** is the product of a performer at the peak of his powers but uncomfortable with the rock star role he had constructed. All of the album's influences looked to Bowie like ways of escaping not just the Ziggy role, but also the constraints of race, gender, sexuality, and nationality. These are just some of the reasons many Bowie fans rate **Diamond Dogs** his richest and most important album of the 1970s.

No Archive Will Restore You ABRAMS

The story of an upper-middle-class unwed mother in 1960s London, from a novelist who is "often as meticulous as Jane Austen and as deadly as Evelyn Waugh" (Los Angeles Times). In a newly swinging London, Rosamund Stacey indulges in a premarital sexual encounter—and soon thereafter finds herself pregnant. Despite her fierce independence and academic brilliance, Rosamund is in fact naïve and unworldly, and the choices before her are terrifying. But in the perfection and

helplessness of her baby she finds an unconditional love she has never known before—and as she navigates a situation still considered scandalous in her circles, she may discover that motherhood and independence need not be mutually exclusive. From "one of Britain's most dazzling writers," the award-winning author of *The Dark Flood Rises*, *The Millstone* captures both a moment in history when women's lives were changing dramatically and the timeless truths of the female experience (The New York Times Book Review).

Daniel in the Lions' Den W. W. Norton & Company

A pioneering "horror-punk" band, the Misfits are legends in their own time. This discography tells the story of the band in all of its incarnations through all of their recorded output—both official and unauthorized releases. Discographies are provided for both present and former members' solo projects and bands, along with a wealth of rare record sleeves, photos and vintage posters documenting the evolution of the band and the brand.

A thrilling journey into the minds of African elephants as they struggle to survive. If, as many recent nonfiction bestsellers have revealed, animals possess emotions and awareness, they must also have stories. In *The White Bone*, a novel imagined entirely from the perspective of African elephants, Barbara Gowdy creates a world whole and separate that yet illuminates our own. For years, young Mud and her family have roamed the high grasses, swamps, and deserts of the sub-Saharan. Now the earth is scorched by drought, and the mutilated bodies of family and friends lie scattered on the ground, shot down by ivory hunters. Nothing-not the once familiar terrain, or the age-old rhythms of life, or even memory itself-seems reliable anymore. Yet a slim prophecy of hope is passed on from water hole to water hole: the sacred white bone of legend will point the elephants toward the Safe Place. And so begins a quest through Africa's vast and perilous plains-until at last the survivors face a decisive trial of loyalty and courage. In *The White Bone*, Barbara Gowdy performs a feat of imagination virtually unparalleled in modern fiction. Plunged into an alien landscape, we orient ourselves in elephant time, elephant space, elephant consciousness and begin to feel, as Gowdy puts it, "what it would be like to be that big and gentle, to be that imperiled, and to have that prodigious memory."

Albion's Seed Simon and Schuster

A darkly hilarious contemporary realistic young adult novel about growing up and finding your place in the world, perfect for fans of *Me and Earl and the Dying Girl* and *Running with Scissors*. **Goodreads Hottest YA Books of Summer** * **B&N Teen Blog Most Anticipated YA Debuts of 2018** * **Buzzfeed 27 YA Books You'll Want to Devour by the Pool This Summer** **DARIO HEYWARD KNOWS ONE THING**: He's never going back to Moldavia Studios,

the iconic castle that served as the set, studio, and home to the cast and crew of dozens of cult classic B-horror movies. It's been three years since Dario's even seen the place, after getting legally emancipated from his father, the infamous director of Moldavia's creature features. But then Dario's brother invites him home to a mysterious ceremony involving his father and a tribute to his first film—The Curse of the Mummy's Tongue. Dario swears his homecoming will be a one-time visit. A way for him to get closure on his past—and reunite with Hayley, his first love and costar of *Zombie Children of the Harvest Sun*, a production fraught with real-life tragedy—and say good-bye for good. But the unthinkable happens—Dario gets sucked back into the twisted world of Moldavia and the horrors, both real and imagined, he's left there. With only months to rescue the sinking studio and everyone who has built their lives there, Dario must confront the demons of his past—and the uncertainties of his future. But can he escape the place that's haunted him his whole life?

Don't Scream! Createspace Independent Publishing Platform
In this darkly funny, surprising memoir, the original "Lit Girl" and author of the era-defining *Slaves of New York* considers her life in and outside of New York City, from the heyday of the 1980s to her life today in a tiny upstate town that proves that fact is always stranger than fiction. With the publication of her acclaimed short story collection *Slaves of New York*, Tama Janowitz was crowned the Lit Girl of New York. Celebrated in rarified literary and social circles, she was hailed, alongside Mark Lindquist, Bret Easton Ellis, and Jay McInerney, as one of the original "Brat Pack" writers—a wave of young minimalist authors whose wry, urbane sensibility captured the zeitgeist of the time, propelling them to the forefront of American culture. In *Scream*, her first memoir, Janowitz recalls the quirky literary world of young downtown New York in the go-go 1980s and reflects on her life today far away from the city indelible to her work. As in *Slaves of New York* and *A Certain Age*, Janowitz turns a critical eye towards life, this time her own, recounting the vagaries of fame and fortune as a writer devoted to her art. Here, too, is Tama as daughter, wife, and mother, wrestling with aging, loss, and angst, both adolescent (her daughter) and middle aged (her own) as she cares for a mother plagued by dementia, battles a brother who questions her choices, and endures the criticism of a surly teenager. Filled with a very real, very personal cast of characters, *Scream* is an intimate, scorching memoir rife with the humor, insight, and experience of a writer with a surgeon's eye for detail, and a skill for cutting straight to the strangest parts of life.

Practical Theology for Women Random House Trade Paperbacks
Today, millions of people in the modern West identify as atheists. And even for believers, the intellectual and spiritual temptations to deny the existence of God seem greater than ever. Too often we respond to this pressure by seeking more and more rational proofs of God's existence, but what if a lack of reason to believe is not our main problem? In this volume, Joseph Minich argues that our real challenge is existential and imaginative—a felt absence of

God that is more visceral in our modern world than for most generations past, and the sense that if God cannot be sensed, He cannot be there. Why are we so haunted and disoriented today by this sense of God's absence? And how can we learn to sustain and strengthen our faith in the face of it? In these pages, Minich charts a way back to a renewal of our hearts and imaginations that can enable us to embrace the challenge of finding and being found by the hidden God.

Phantoms Avery

Vividly recounting the lives of enslaved women in eighteenth-century Bridgetown, Barbados, and their conditions of confinement through urban, legal, sexual, and representational power wielded by slave owners, authorities, and the archive, Marisa J. Fuentes challenges how histories of vulnerable and invisible subjects are written.

Baby You're a Rich Man Anchor

With an insider's view of the mind of the master, Mary Buffett and David Clark have written a simple guide for reading financial statements from Buffett's successful perspective. They clearly outline Warren Buffett's strategies in a way that will appeal to newcomers and seasoned Buffettologists alike. Inspired by the seminal work of Buffett's mentor, Benjamin Graham, this book presents Buffett's interpretation of financial statements with anecdotes and quotes from the master investor himself. Destined to become a classic in the world of investment books, Warren Buffett and the Interpretation of Financial Statements is the perfect companion volume to *The New Buffettology* and *The Tao of Warren Buffett*.

Enduring Divine Absence Open Road Media

The *Silent Scream* anthology is a collection of raw, honest and inspirational memoirs, anecdotes, poems, art works and photography about a range of topics including eating disorders, self-harm, childhood sexual abuse, rape, addiction, anxiety, depression, PTSD and generally feeling worthless in a society demanding perfection.

Moonshot Leadership McClelland & Stewart

Film star Amanda Delany has the world at her feet. Never one for the quiet life, she has had a string of affairs with the hottest actors around. Then, coming home late from a night shoot, Amanda puts the key in her front door for the very last time. The next morning, Amanda's body is found, stabbed many times, only her beautiful face left unharmed. DI Anna Travis is ordered to the team assigned to the Delany murder, headed by Anna's former lover, the demanding DCI James Langton. Anna is shocked by the truth behind Amanda's public image: her addictions to drugs and starvation diets; her cold, unemotional parents; her elusive film agent; and the former lovers so quick to distance themselves. But Anna has challenges of her own to overcome too. Promotion to Chief Inspector is within her grasp, but when the time comes for her to stand before the board, she faces a shocking accusation of personal misconduct. With insider authenticity derived from La

Plante's years in the film world and a heroine worthy of her predecessor, Prime Suspect's Jane Tennison, *Silent Scream* is La Plante's best yet.

The Sentinel Random House

The ultimate visual history paying tribute to one of punk's most iconic bands Formed in 1977, the Misfits deeply influenced the genres of punk rock and metal alike by blending their music with horror film themes and imagery. This is their visual story as told through the original ephemera that helped define their legacy. *Scream With Me* spotlights the band's iconic and influential album and single art, fan club merchandise, original posters, show flyers, and one-of-a-kind, never-before-seen rarities, culled primarily from the extensive collection of archivist Umberto D'Urso. Additionally, the book prominently features insightful contributions on the band's legacy from members of Metallica, Pearl Jam, Avenged Sevenfold, Dropkick Murphys, and more. For more than 40 years, the band has had an inescapable influence on popular culture and *Scream With Me* is the ultimate tribute to the original, beloved Misfits era.

Scream with Me McFarland

"With this memoir by a 'simple monk' who spent 33 years in prisons and labor camps for resisting the Chinese, a rare Tibetan voice is heard." —The New York Times Book Review
Palden Gyatso was born in a Tibetan village in 1933 and became an ordained Buddhist monk at eighteen—just as Tibet was in the midst of political upheaval. When Communist China invaded Tibet in 1950, it embarked on a program of "reform" that would eventually affect all of Tibet's citizens and nearly decimate its ancient culture. In 1967, the Chinese destroyed monasteries across Tibet and forced thousands of monks into labor camps and prisons. Gyatso spent the next twenty-five years of his life enduring interrogation and torture simply for the strength of his beliefs. Palden Gyatso's story bears witness to the resilience of the human spirit, and to the strength of Tibet's proud civilization, faced with cultural genocide. "To readers of this memoir, however untraveled, Tibet will never again seem remote or unfamiliar. . . . Gyatso reminds us that the language of suffering is universal." —Library Journal
"Has the ring of undeniable truth. . . . Palden Gyatso's clear-sighted eloquence (in Tsering Shakya's fluent translation) makes his tale even more engrossing." —San Francisco Chronicle
