**The Art of Bayan Playing** Mel Bay Publications

The Mighty Accordion is a truly unique

and much-needed guide to playing the bass side of the accordion. A comprehensive collection of progressive exercises guide the student in learning and mastering bass/chord patterns. For the beginner, the first few chapters assume little or no knowledge of the instrument and teach how to play simple accompaniment patterns. For the intermediate player, numerous exercises using the major, minor, seventh and diminished chords are included to develop skill in executing various bass/chord accompaniment patterns. For the advanced player, latter chapters present exercises on chord combinations needed to play sixth, minor seventh, major seventh, ninth and other advanced chords. Throughout the book, explanations are offered on the workings

of the instrument and relevant music theory. Play along with a 2-CD companion set featuring many of the book's exercises played at both a slow and moderate tempo. A much-needed and complete guide to playing the bass side of the accordion. A comprehensive collection of progressive exercises for learning bass/chord patterns on the accordion. Beginner students learn simple accompaniment patterns and use of the major, minor and seventh chords. Advanced students learn how to play sixth, minor and major sevenths and ninth chords, and other advanced techniques. Companion CDs feature many of the book's exercises.

*JAZZ RAGS & BLUES 2* Alfred Music

Tango: A ballroom dance of Latin-American origin characterized by long pauses and stylized body positions. This musical form was subsequently adopted by other countries, primarily France, Spain and Italy. Many prominent composers have applied it to a wide variety of compositions. Using piano scores in both the Latin-American and Spanish rhythmic traditions, Gary Dahl has skillfully compiled and arranged French Tangos for Accordion. The music in this anthology was originally published from the late 1930's to 60's and is characterized by its romanticism, rich harmonies, and emotive melodies. These arrangements are orchestral in nature, befitting the accordion's various timbres and capabilities. In standard notation.
