SHEPARD MARITZA

[Dance Abundance](#) Basic Books

In the heart of every pastor and worship leader is the desire to see people draw close to God, to truly experience his presence in their lives. Not surprisingly, that's why many people come to church, too. They want to come together with other Christians to learn more about God and experience his reality. It is no wonder, then, that worship is such an important part of every church service.

[The Way Into Encountering God In Judaism](#) Turner Publishing Company

"A glimpse into the fragile psyche of a dancer." —The Washington Post
 Jenifer Ringer, a principal dancer with the New York City Ballet, was thrust into the headlines after her weight was commented on by a New York Times critic, and her response ignited a public dialogue about dance and weight. Ballet aficionados and aspiring performers of all ages will want to join Ringer behind the scenes as she shares her journey from student to star and candidly discusses both her struggle with an eating disorder and the media storm that erupted after the Times review. An unusually upbeat account of life on the stage, *Dancing Through It* is also a coming-of-age story and an inspiring memoir of faith and of triumph over the body issues that torment all too many women and men.

Dancing on My Ashes Penguin

Discover the wonders of the universe with the Creator. Based on Louie Giglio's popular messages "Indescribable" and "How Great Is Our God," *Indescribable: 100 Devotions About God and Science* will help kids discover the incredible creation of our indescribable God. *Indescribable* displays the majesty of creation with scientific findings, photography, and original illustrations. Check out Louie Giglio's other bestselling science devotionals for kids: *Indescribable for Little Ones* *How Great Is Our God* *The Wonder of Creation*

When the Elephants Dance SCM Press

Holly and Heather share their story and help to walk the reader through the painful yet necessary healing process for when life deals us its harshest

blows. Dancing on my ashes soothes and empathizes with the broken heart, while sharing the truth of scripture, and the hope that comes from the heart of God.

Dancing in the Wilderness Creation House

Unlock the transformative power of movement as a life-changing spiritual practice. If you're thinking "But I'm not a dancer or I feel awkward, I hope to reassure you. You don't need a special talent to move. You don't need to be graceful or especially coordinated. You don't need a body that's in shape. Dancing helps us embrace all this humanity. Dance connects us to the holy of life. from the Introduction Seize the joy and healing power of dance! Drawing from her years of experience as a dance and movement teacher, and as cofounder of the international dance organization InterPlay, Cynthia Winton-Henry helps you overcome your embarrassment or anxiety and discover in dance a place of solace and restoration, as well as an energizing spiritual force. She taps into the spirit of dancing throughout history and in many world cultures to provide detailed exercises that will help you learn to trust your body and interpret its physical and spiritual intentions. For both newcomers and seasoned movers alike, she encourages you to embrace dance as a spiritual tool to: Celebrate your unique spirituality and get in touch with your emotions Unify your body and mind, and push your personal boundaries Work through trauma or crisis and restore spiritual well-being Deepen your relationships and strengthen your community Find spiritual direction ... and much more!

Dance Pastor Less Than Three Press, LLC

The instant New York Times bestseller and companion book to the PBS series. "Absolutely brilliant . . . A necessary and moving work." —Eddie S. Glaude, Jr., author of *Begin Again* "Engaging. . . . In Gates's telling, the Black church shines bright even as the nation itself moves uncertainly through the gloaming, seeking justice on earth—as it is in heaven." —Jon Meacham, *New York Times Book Review* From the New York Times bestselling author of *Stony the Road* and *The Black Box*, and one of our most important voices on the African American experience, comes a powerful new history of the Black church as a foundation of Black life and a driving force in the larger freedom struggle in America. For the young Henry Louis Gates, Jr., growing up in a small, residentially segregated West Virginia town, the church was a center of gravity—an intimate place where voices rose up in song and neighbors gathered to celebrate life's blessings and offer comfort amid its trials and tribulations. In this tender and expansive reckoning with the meaning of the Black Church in America, Gates takes us on a journey spanning more than five centuries, from the intersection of Christianity and the transatlantic slave trade to today's political landscape. At road's end, and after Gates's distinctive meditation on the churches of his childhood, we emerge with a new understanding of the importance of African American religion to the larger national narrative—as a center of resistance to slavery and white supremacy, as a magnet for political mobilization, as an incubator of musical and oratorical talent that would transform the culture, and as a crucible for working through the Black community's most critical personal and social issues. In a country that has historically afforded its citizens from the African diaspora tragically few safe spaces, the Black Church has always been more than a sanctuary. This fact was never lost on white supremacists: from the earliest days of slavery, when enslaved people were allowed to worship at all, their meetinghouses were subject to surveillance and destruction. Long after slavery's formal eradication, church burnings and bombings by anti-Black racists continued, a hallmark of the violent effort to suppress the African American struggle for equality. The past often isn't even past—Dylann Roof committed his slaughter in the Mother Emanuel AME Church 193 years after it was first burned down by white citizens of Charleston, South Carolina, following a thwarted slave rebellion. But as Gates brilliantly shows, the Black church has never been only one thing. Its story lies at the heart of the Black political struggle, and it has produced many of the Black community's most notable leaders. At the same time, some churches and denominations have eschewed political engagement and exemplified practices of exclusion and intolerance that have caused polarization and pain. Those tensions remain today, as a rising generation demands freedom and dignity for all within and beyond their communities, regardless of race, sex, or gender. Still, as a source of faith and refuge, spiritual sustenance and struggle against society's darkest forces, the Black Church has been central, as this enthralling history makes vividly clear.

Praising God Through the Lively Arts David C Cook

At the age of nine, Johnnie lost his parents when they were killed by a blood-crazed vampire. He was then adopted by the husband of the vampire who killed them, and raised in a world to which he was never meant to belong. An adult now, he is the cold, beautiful Johnnie Desrosiers, and spends his days translating old grimoires and solving mysteries. Then his friend Rostislav asks his help in solving a mystery that proves simple enough, but leads Johnnie down a path that reveals mysteries about his life he was never meant to solve...

Restoring the Dance Thomas Nelson

"Sensing God is a discovery of Jesus in all of the sensory points embedded into each of us. It shows how the holiest acts in our daily lives are often the simplest: reveling in the beauty of nature; listening to our favorite music; eating a nourishing meal with family. These are potentially heartbeats of a living faith, and when we learn to recognize and respond to God's goodness in them, it draws us into redemptive participation with Him, the source of all beauty"--Amazon.com.

Living with a Wild God Orbis Books

From the New York Times bestselling author of *Nickel and Dimed* comes a brave, frank, and exquisitely written memoir that will change the way you see the world. Barbara Ehrenreich is one of the most important thinkers of our time. Educated as a scientist, she is an author, journalist, activist, and advocate for social justice. In *LIVING WITH A WILD GOD*, she recounts her quest—beginning in childhood—to find "the Truth" about the universe and everything else: What's really going on? Why are we here? In middle age, she rediscovered the journal she had kept during her tumultuous adolescence, which records an event so strange, so cataclysmic, that she had never, in all the intervening years, written or spoken about it to anyone. It was the kind of event that people call a "mystical experience"—and, to a steadfast atheist and rationalist, nothing less than shattering. In *LIVING WITH A WILD GOD*, Ehrenreich reconstructs her childhood mission, bringing an older woman's wry and erudite perspective to a young girl's impassioned obsession with the questions that, at one point or another, torment us all. The result is both deeply personal and cosmically sweeping—a searing memoir and a profound reflection on science, religion, and the human condition. With her signature combination of intellectual rigor and uninhibited imagination, Ehrenreich offers a true literary achievement—a work that has the power not only to entertain but amaze.

Dance—The Sacred Art Penguin

"In a time of great changes in culture and consciousness, ancient biblical wisdom may reveal new meanings and points the way toward spiritual and social renewal"--

First Dance Treasure House

INTERNATIONAL BEST SELLER HEAVEN IS SO REAL! WITH OVER 1 MILLION COPIES SOLD Do you believe heaven really exists? Choo Thomas retells a stunning, personal story of how she saw the living Christ, visited Hell, and walked in Heaven.

Indescribable Church Publishing, Inc.

I've always felt like an outsider, trapped in a world where I didn't belong. Until the Summer Solstice, I didn't know how true that was. When four mysterious fae males corner me in the street, they bring terrifying news: I'm not human. I'm a changeling, a fae swapped at birth. Under their powerful yet infuriating guidance, I return to Otherworld to train at their academy and determine to which of the four faerie courts I belong. But there's something much more dangerous than the four fae vying for my attention. A strange dark magic looms on the horizon, the bloodthirsty courts are plotting for power, and changelings are dying. My only choice is to fight back and try not to lose my life...or my heart.

You Gotta Keep Dancin' NavPress

The *Divine Dance* has become a classic for fans of Richard Rohr and an important book on Christian mysticism, it provides a fresh perspective for anyone studying or teaching the trinity. The Trinity is the central doctrine of Christianity, but it is still widely considered a mystery we won't ever fully understand. Should we still try to understand it, even so? If we could, how would it transform our relationship with God? In this stimulating and thought-provoking book, internationally recognized teacher Richard Rohr explores the nature of God and the paradoxical idea of the Holy Trinity as both three and one. With clear, surefooted wisdom, he encourages us to build on the early Christian understanding of the relationship between Father, Son and Spirit as a flow and dance - a Divine Dance - that we are invited to join in. An engaging, accessible look at the nature of God, *The Divine Dance* will challenge the way you think about the Trinity and give you a much fuller understanding of the triune relationship that is at the heart of Christian doctrine. It will leave you with a faith that is renewed and strengthened, and show you how you can engage more deeply in your relationship with God and the world through the Trinity.

Dancing Madly Backwards Destiny Image Publishers

Tween girls have access to an unbelievable amount of media and information with just a simple click of the remote or mouse. Every outlet they turn to attempts to subtly influence their worldview...and what they believe about themselves directly affects how they live. Wynter Pitts, founder of *For Girls Like You* magazine, gives girls a new devotional showing them a correct definition of themselves, opening their eyes to God's truth and the difference it makes in their lives. Each daily devotion includes a prayer to help girls apply the lesson. "If you've wondered whether there is anything left on the planet to entertain your young beauties that promotes morals you'd approve of, look no further" —Author and speaker Priscilla Shirer

Transgressive Devotion Twelve

Dancing before the Lord is an integral part of praising God, says dancer and international speaker Aimee Kovacs. In *Dancing Into the Anointing* you'll learn about the prophetic dance and how dancing was used in worship in the Old Testament. You can also find out how to start a dance team at your church, and much more!

Dancing with God...a True Story Destiny Image Publishers

Sensing God Destiny Image Publishers

25th ANNIVERSARY EDITION • From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road*: an epic novel of the violence and depravity that attended America's westward expansion, brilliantly subverting the conventions of the Western novel and the mythology of the Wild West. Based on historical events that took place on the Texas-Mexico border in the 1850s, *Blood Meridian* traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

Dancing with God Harper Collins

Praising God Through the Lively Arts is a practical guide for pastors and other worship leaders on how to incorporate the lively arts into existing worship patterns in congregations. Linda Goens provides easily adaptable ideas and specific guidance on how to use drama, choral Scripture readings, clowning, liturgical dance/movement, Scripture interpretation, and so forth. The book includes a variety of short dramas and skits, each tied to scriptural texts, and a chapter devoted to planning a creative arts workshop. Key Benefits: - Easy-to-implement ideas and tips for adding drama, clowning, and movement to an existing worship format - Choral Scripture readings, mini-dramas, playlets, clown skits, and expressive readings - Guidance for recruiting volunteers for a creative arts ministry - Outline for planning and presenting a creative arts workshop - Theme and Scripture
