Observations introductory to an historical essay upon the Knighthood of the bath Librairie Droz

The Treaty of Rome makes no mention of the Mediterranean basin as such, includes not a single provision for the defining of specific relations with that region as a whole. There are only, as a hang-over from the French and Italian colonialist past, certain Declarations, in the Appendices, regarding a possible association of Tunisia, Morocco, Libya with the new undertaking. And, of course, there is Article 113 prescribing, at the end of the Community's transition period, the common trade policy - plus the Article (238) giving blanket authorisation for association agreements. These legal prescriptions were duly implemented in the Association Agreements with Greece (1961) and Turkey (1963) and have supplied the basis for bilateral instruments in respect of other Mediterranean lands - ad hoc, pragmatic arrangements. In the circumstances the Community could scarcely have proceeded otherwise. Yet the outlines of a European economic policy with regard to the countries of the Mediterranean basin were there from the beginning - limited, however, over the years by the internal development of the Community itself. One is reminded in this connection of sundry invocations by European and Mediterranean personalities and members of the European Commission - and, specifically, of a Memorandum presented by Italy to the Council of Ministers in 1964.

The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects. The work of the Hague Academy receives the support and recognition of the UN. Its purpose is to encourage a

thorough and impartial examination of the problems arising from international relations in the field of law. The courses deal with the theoretical and practical aspects of the subject, including legislation and case law. All courses at the Academy are, in principle, published in the language in which they were delivered in the "Collected Courses of the Hague Academy of International Law".

Sulla était-il avant Spartacus ou vice versa? Nero – avant ou après Caligula? Quelles sont les dynasties des Habsbourg et des Hohenzollern, quel rôle ont-elles joué dans l'établissement du Second Reich? Combien de chars ont combattu près de Prokhorovka? Quand la guerre de Yom Kippour a éclaté et qui l'a gagnée? Pourquoi le grand URSS s'est-il effondré? Souvenons-nous de tout, nous passerons en revue la bande de film du temps, image par image, afin que tout se passe bien aujourd'hui.

In occupied Belgium during World War II, Paul de Man (1919-1983) wrote music, lecture, and exhibition reviews, a regular book column, interviews, and articles on cultural politics for the Brussels daily newspaper *Le Soir*. From December 1940 until he resigned in November 1942, de Man contributed almost 200 articles to this and another newspaper, both then controlled by Nazi sympathizers and vocal advocates of the "new order." Later to become one of the

most respected and influential literary theorists in America, de Man, then 21 and 22 years old, wrote primarily as the chief literary critic for *Le Soir*. His weekly column reviewed the latest novels and poetry from Belgium, France, Germany, and England. De Man commented extensively on major propaganda expositions, and interviewed leading writers and cultural figures, including Paul Valéry and the future Vichy Education minister Abel Bonnard. The political extremes of de Man's wartime writing are marked by two articles. His single anti-Semitic article, "Les Juifs dans la littérature actuelle" (4 March 1941), acquiesces in the deportation of Jews to "a Jewish colony isolated from Europe." But de Man later argued in defense of a Resistance-linked journal ("A propos de la revue *Messages*," 14 July 1942) against the "totalitarian" censors' "unconsidered attacks." This volume reprints in facsimile all of de Man's articles in *Le Soir* as well as three articles he wrote prior to the occupation in 1940 as editor of the liberal *Cahiers du Libre Examen*. It also includes English translations of the ten articles written in Flemish for the Antwerp paper *Het Vlaamsche Land*, in March-October 1942. The collection appears under the auspices of the *Oxford Literary Review*, England's leading theoretical journal for over a decade.

Royal Dictionary English and French and French and English Compiled from the Dictionaries of Johnson, Todd ... by Professors Fleming and Tibbins Walter de Gruyter

All the papers included in this volume are original research papers. They represent an important part of the work of French probabilists and colleagues with whom they are in close contact throughout the world. The main topics of

the papers are martingale and Markov processes studies.
