It offers essential advice plus nearly 100 sample resumes and 20 cover letters tailored to the computer field. Includes a variety of resume formats, tips on highlighting strengths and using active vocabulary, and helpful worksheets for gathering personal information.

Adams Cover Letter Almanac Simon and Schuster

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

The most detailed cover letter resource in print, including networking, "cold", broadcast, follow-up, fatal cover letter mistakes, and hundreds of top notch letter samples. In addition to an easy-to-use index, the book includes strategies for people changing careers, relocating, and recovering from layoff.

Resumes for Computer Careers, Second Edition North Light Books

Cover letters that get noticed, get read, and get the interview! In the newest edition of his classic cover letter guide, job search expert Martin Yate shows you how to dramatically increase your chance of landing an interview. The key, as Yate explains, is to use language drawn from the job posting itself, words that will send your application to the top of database searches. In this completely updated guide, you'll find numerous sample cover letters, along with Yate's tried and proven methods to: Determine relevant keywords to get attention--and use them effectively Clearly display your personal brand and the transferable skills you bring to the job Find the right contact information that gets your material in front of decision-making managers and recruiters Use social media sites such as LinkedIn to create an effective online profile and build professional and personal networks With Martin Yate's expert advice, you'll create unique and compelling cover letters that will

grab employers' attention and get you in the door!

Cover Letters that Blow Doors Open Ballantine Books

Research Methods in Child Welfare McGraw Hill Professional

Bookstore shelves are crowded with books offering advice to college students, yet—astonishingly—none of these books offer needed advice to the majority of college students in the United States ... those attending community college. Of the approximately 21 million full- and part-time college students, 11 million attend community colleges. The Community College Guide aims to help fill this huge gap. The authors of this book have decades of experience between them as professors and administrators in both two-year and four-year colleges, have written numerous books for a general readership and thoroughly understand what community college students need to know to succeed in their college careers. From how to apply to community colleges to what to expect from your courses, from the truth about what you'll pay to actual financial aid opportunities, The Community College Guide offers a wealth of information for the millions of American students who desire higher education at the community level.
