La llegada a Idhún de Jack y Victoria corre como la pólvora entre los idhunitas contrarios a la tiranía de Ashran el Nigromante. Crecen así las esperanzas de que la ansiada profecía se cumpla y el mundo de Idhún sea liberado. Sin embargo, ¿asumirán los protagonistas su papel? ¿Es realmente Kirtash un aliado?

¿Cuál será el próximo movimiento de Ashran y los sheks? Descúbrelo en la segunda parte de la aclamada trilogía fantástica Memorias de Idhún. Memorias de Idhún es la exitosa trilogía de fantasía juvenil de Laura Gallego, compuesta por «La Resistencia», «Tríada» y «Panteón». Acompaña a Jack, Victoria y los demás en la aventura más grande de sus vidas, en una lucha por salvar a los idhunitas del gobierno de Ashran el Nigromante y los sheks, las temibles serpientes aladas. *Memorias de Idhún* VINTAGE ESPAÑOL  
In the first book of this fun, action-

packed fantasy trilogy, a warrior and a thief must come together to stop the forces that threaten their people. Hope's old life ended the night her entire village was massacred by the emperor's forces. Now, trained in secret by a master warrior, her new life is centered on only one goal: vengeance. Red lives by the skin of his teeth and sharpness of his wit. An expert thief and a brilliant con artist, he cares for only one thing: a good time. But when the empire's soldiers start to encroach on his territory, taking down his friends with it, he may have to re-prioritize. Together, they will take down an empire. Start reading this daring adventure that Sam Sykes called, "Furious where it needs to be, deceptively tender where it can get away with it, adventurous all around!"

All you have to do is imagine--the Omnia superstore has anything you could ever dream of. Where else but Omnia would a boy go looking to replace a one-of-a-kind stuffed bunny that happens to be his baby sister's favorite toy? Scrolling through the online retailer's extensive inventory, Nico finds what looks like a perfect match, but the item is lost somewhere in the vast Omnia warehouse. He doesn't believe it, so he stows away in a shipment being returned to the warehouse to search for the bunny himself. Nico quickly gets stranded on the island of Omnia, a fantastical place that does much more than sell everyday items. It is a hub for a business with intergalactic reach, and

while stray visitors to Omnia are welcomed warmly, they are not permitted to leave, ever. The adventure of a lifetime awaits Nico as he searches for the beloved toy and tries to find a way to return home.

Effie, Wolf, Raven, and Max are faced with their most challenging adventure yet in the third installment of the magical Worldquake series, which Kirkus Reviews calls “tailor-made for Harry Potter’s fans.” Effie Truelove and her school friends Lexy, Wolf, Maximilian, and Raven must put their magical skills to the test. The Diberi, a corrupt organization intent on destroying the world, has returned and has something sinister planned at Midwinter. But during a visit to the Otherworld, Effie is

mistaken and imprisoned for being a galloglass—a dangerous, selfish islander. Meanwhile, Lexy is threatened by the vile professor Jupiter Peacock and Wolf embarks on a perilous journey to find his missing sister. And back at school, Neptune the cat is bored. He’s used to lording over the other stray cats, but they’ve all mysteriously vanished. Where could they be—and how will he find them? Can Effie and her friends reunite before their universe ceases to exist?

Genesis VINTAGE ESPAÑOL

He bought me, but not to touch or taste. He bought me to save me, and to atone for past sins. Handsome and mysterious, he swoops in to offer me a new life, but this is no knight in shining armor. He's cold, hardened by his past. But there's an inferno underneath the ice, I can feel

the heat each time he looks at me-each time he gives in to the desire between us.No matter how much I push to unleash the fire in his eyes, he shoves back harder each time. He's merciless with his cruel words, telling me how naive I am, how little I know of the world. But I'm stronger than he thinks. When we face down our demons from the past, I'll prove which one of us was in need of saving, and which one of us is the savior.

Así que mi chihuahua ha se ha tirado a una osa. Perdón, a una perra enorme, igualita a una osa. Ahora mismo tengo a su dueño, un tío súper-bueno, abroncándome y exigiéndome que haga una prueba de ETS... a mi mascota, claro está. ¿Queréis saber otro problema de este abuso sexual perruno? El misterioso dueño de la osa puede ser la clave para financiar mi nuevo proyecto y llevar a mi empresa de juguetes al siguiente nivel. Y por juguetes me refiero a los que de verdad son divertidos, de esa clase que toda mujer (y hombre) necesita. Ojalá pudiese descubrir qué es lo que oculta... o conseguir que mi libido se comporte.

Porque mezclar negocios y placer es una mala idea, y Dragomir Lamian puede no ser lo que parece. NOTA: Esta es una comedia romántica independiente, cargada de erotismo cocinado a fuego lento, que presenta a una heroína segura de sí misma y obsesionada con los juguetes pero que conoce todas las supersticiones rusas imaginables, y de su gracioso primer encuentro entre ella, un sexy y misterioso desconocido, y dos perros con gran apetito sexual (uno de los cuales es posible que ya tenga su propio juguetito). Si hay algo de todo eso que no vaya contigo, sal corriendo enseguida. De lo contrario, abróchate el cinturón y prepárate para un viaje placentero y cargado de risas.

Can you imagine a future where

everyone has given up sleeping? From the creator of the television series Red Band Society and author of the international bestseller *The Yellow World* comes this uniquely special novel. What if I could reveal your secrets with just a glance? And what if I could feel with your heart just by looking at you? And what if --in a single moment-- I could know that we were made for each other? Marcos has just lost his mother, a famous dancer who taught him everything, and he decides that his world can never be the same without her. Just as he is about to make a radical change, a phone call turns his world upside down. Albert Espinosa has a peculiar talent for generating immediate congeniality around him, for shifting people's moods toward the positive and for reconciling

them with themselves and the world, when needed. Reviews: «Albert Espinosa lives exclusively in his imagination. He uses it to write, to direct plays and films and to act. His sense of humour is as special as his way of living. An optimism as contagious as a cold.» Teresa Cendrós, *El Periódico* «If there's one ability Espinosa has had in all of his multifactorial creations it's his capacity to stand in other people's shoes. Empathy is his strength.» Núria Escur, *La Vanguardia* «Speaking with Albert teaches me many new things, such as "it is not sad to die" and that what is sad is not living, not to live it all (...). He knows what he's talking about and knows how to tell it, and that's why his works help us to live.» Víctor M. Amela, *La Vanguardia* «Espinosa says what he

thinks and feels, taking out any feeling from his closet in the same manner he sticks out his leg. He knows he is alive because of a miracle and that life is a short miracle. How I like this guy. His life, his theatre, his gambles, humour and his courage. There's no one else like him.» Marcos Ordóñez, El País «A militant of life, an engineer of art.» Elena Pita, El Mundo «Armoured in the face of pessimism, *Everything You and I Could Have Been If We Weren't You and I* shines with the positive outlook that that the author projects on everything he does.» Belén Guinart, El País «*Everything You and I Could Have Been If We Weren't You and I* presents a fast, direct, uninhibited, almost gestural style, which is a machine of empathy for the reader and is not devoid of humour.» El

Everything You and I Could Have Been If We Weren't You and I Simon & Schuster Books for Young Readers

“An epic work of literary creation . . .

There could be no greater vindication of the wonders of the lands and people of Latin America than *Memory of Fire*.”

—The Washington Post Eduardo

Galeano’s monumental three-volume retelling of the history of the New World begins with Genesis, a vast chain of

legends sweeping from the birth of creation to the era of savage colonialism. Through lyrical prose and deep understanding, Galeano (author of the celebrated Open Veins of Latin America) recounts creation myths, pre-Columbian societies, and the brutality of conquest, from the Andes to the Great Plains. Galeano's project to restore to history "breath, liberty, and the word" unfolds as a unique, powerful work of literature. This daring masterpiece sets the past free, weaving a new kind of history from mythology, silenced voices, and the clash of worlds. Genesis is the first book of the Memory of Fire trilogy, which continues with Faces and Masks and Century of the Wind.
