## **KANE HORTON**

---

*Goethe and Anna Amalia* Duke University Press

An ethnography of the tattoo community, tracing the practice's transformation from a mostly male, working-class phenomenon to one adapted and propagated by a more middle-class movement in the period from the 1970s to the present.

*Talk Dirty German* Peter Lang

Henry and Paul are strangers when they find themselves sharing a sleeping compartment on a night train from Munich to Berlin. When they begin to talk, their stories appear to be variations on the same theme: young guys adrift in the big city, relationships gone wrong, broken hearts. Henry is running away from a triangle of friendship gone sour; Paul is running away too, but as the night unfolds and the train speeds north across the German landscape, his story turns ominous. What he finally reveals to his unsuspecting traveling companion

goes into the darkest sphere of human behavior. Shocking and raw, *The Bird is a Raven* is the work of a writer at the beginning of a stellar career.

**Meine heiligen Berge** Simon and Schuster

Besitzen Sie Skikes? Haben Sie heute schon gemabbert? Sind Sie ein Fan von Knut, dem Problemlösungsbar? Neue Wörter begegnen uns überall, sie fallen auf und stellen uns oft vor Rätsel. Warum das so ist, wie neue Wörter entstehen und warum wir sie brauchen, das erklärt Lothar Lemnitzer unterhaltsam und doch wissenschaftlich. Der Autor stellt in diesem Buch die hundert schönsten Neuschöpfungen des Jahres vor, die er zusammen mit vielen anderen Wörtern in seiner Wortwarte gesammelt hat. Er zeigt, dass trotz der

vielen Neuigkeiten, die oft aus dem angelsächsischen Bereich stammen, die deutsche Sprache nicht vom Untergang bedroht ist und erklärt, warum wir uns trotzdem noch verstehen. Das Buch ist ein Muss für Sprachfreunde, Sprachskeptiker und alle, die sprachlich auf der Höhe der Zeit sein wollen.

Bibliografia națională română Penguin  
 Polynesian Pop Icon: How Tiki became an American dream  
 Urban islands and bamboo hideaways set the stage for a pop culture phenomenon like no other. In mid-century America, the imaginative appeal of Tiki penetrated fashion, music, eating, drinking, and architecture. Published in connection with an exhibition at the prestigious Musée du quai Branly in Paris, *Tiki Pop* traces the development of Tiki as romantic vision

and cultural appropriation. Follow Tiki from James Cook's first Pacific Island expeditions, through Gauguin's exotic paintings, Hollywood jungle fantasies, and elaborate temples erected to celebrate Tiki as the god of recreation. With hundreds of previously unpublished images, Tiki the pop icon unfolds from its earliest, enthusiastic beginnings to its spectacular downfall in the dawning awareness of the Western world's colonial misdeeds. This book is the culmination of the extensive research of Sven Kirsten, urban archaeologist, Tiki sage, and author of earlier TASCHEN books, *The Book of Tiki* and *Tiki Modern*, which first recovered the figure of Tiki from obscurity. In his widely lauded graphic style, Kirsten places venerable ancient godheads next to their

Polynesian pop counterparts, movie posters next to matchboxes, comic strips next to Robinson Crusoe illustrations. The result is at once a visual feast, a piece of cultural history, and a tribute to a very particular vision of paradise. Text in English, French, and German  
*Börsenblatt* Walter de Gruyter GmbH & Co KG  
Literarische Texte sind  
wissensvermittelnden  
Darstellungsformen vielfach verpflichtet:  
Sie nutzen Formate wie etwa das des  
alphabetischen Lexikons, des  
Wörterbuchs oder des Atlas; sie stellen  
fiktionale Wesen und Welten in  
enzyklopädischer Form dar; sie treiben  
ihr reflexives Spiel mit  
Ordnungsmustern. Die Verbindung  
ästhetischer und epistemischer Impulse

stimuliert insbesondere seit dem Surrealismus sowohl zu neuen Schreibweisen wie auch zu explorativer Buchgestaltung; zentrale Impulse gehen von Jorge Luis Borges und Roland Barthes aus. Am Leitfaden wichtiger Beispiele diskutiert Teil I des Bandes Formen und Poetiken des poetischen Dictionnaires, des Lexikonromans sowie literarischer und künstlerischer Enzyklopädistik. Herausgearbeitet wird insbesondere das Zusammenspiel von Wissensdiskursen, deren kritischer Reflexion und spielerisch-konstruktiven Gestaltungsverfahren literarisch-poetischer Werke. Teil II erörtert einschlägige Formate und Konzepte am Leitfaden einer alphabetischen Artikelreihe von „Alphabet“ bis „Wörterbücher“. Teil III präsentiert 101

kommentierte Beispiele: Repräsentiert sind die fiktionale Literatur und die philosophische Essayistik, (auto-)biographische Werke, Satiren und Wissenschaftsparodien, eine mit literarischen Mitteln arbeitende Wissens(diskurs)geschichte sowie Verfahren künstlerischer Buchgestaltung.

*Tiki Style* Routledge

Learn to Speak German--the Dirty Deutsch Way! If you think German is all brat and no wurst, you need to think again. German is sexier--and dirtier--than you might imagine. (Think Hamburg!) From hearts and violins to pigs and dogs, Goethe's native tongue is ripe--and rank--with creative obscenities, including: Kuck mal diese geile Schnitte! Look at that sexy chick! Literal

translation: Look at that sexy slice! Alle wissen dass Klaus sehr gut geigt.  
Everyone knows Klaus f\*\*ks well. Literal translation: Everyone knows Klaus plays the violin well.

### **Self-Reference in Literature and Music** RabenStück Verlag

Unformed Landscape begins in a small village on a fjord in the Finnmark, on the northeastern coast of Norway, where the borders between Norway, Sweden, Finland, and Russia lie covered in snow and darkness, where the real borders are between day and night, summer and winter, and between people. Here, a sensitive young woman like Kathrine finds few outlets for her desires. Half Norwegian, half Sami (an indigenous people), Kathrine works for the customs office inspecting the fishing boats

arriving regularly in the harbor. She is in her late 20s, has a son from an early marriage, and has drifted into a second loveless marriage to a man whose cold and dominating conventionality forms a bold stroke through the unformed landscape of her life. After she makes a discovery about her husband that deeply wounds her, Kathrine cuts loose from her moorings and her confusion and sets off in search of herself. Her journey begins aboard a ship headed south, taking her below the Arctic Circle for the first time in her life. Kathrine makes her way to France and has the bittersweet experience of a love affair that flares and dies quickly, her starved senses rewarded by the shimmering beauty of Paris. Through a series of poignant encounters, Kathrine is led to the richer

life she was meant to have and is brave enough to claim. Using simple words strung together in a melodic alphabet, Peter Stamm introduces us, through a series of intimate sketches, to the heart of an unforgettable woman. Her story speaks eloquently about solitude, the fragility of love, lost illusions, and self-discovery. From the Trade Paperback edition.

Frauenkrankheiten Forge Books

A new novel of artful understatement about mortality, estrangement, and the absurdity of life from the acclaimed author of *Unformed Landscape* and *In Strange Gardens*. On a day like any other, Andreas changes his life. When a routine doctor's visit leads to an unexpected prognosis, a great yearning takes hold of him—but who can tell if it

is homesickness or wanderlust? Andreas leaves everything behind, sells his Paris apartment; cuts off all social ties; quits his teaching job; and waves goodbye to his days spent idly sitting in cafes—to look for a woman he once loved, half a lifetime ago. The monotony of days has been keeping him in check; now he hopes for a miracle and for a new beginning. Andreas' travels lead him back to the province of his youth, back to his hometown in Switzerland where he returns to familiar streets, where his brother still lives in their childhood home, and where Fabienne, a woman he was obsessed with in his youth, visits the same lake they once swam in together. Andreas, still consumed with longing for his lost love and blinded by the uncertainty of his future, is tormented by

the question of what might have been if things had happened differently. Peter Stamm has been praised as a “stylistic ascetic” and his prose as “distinguished by lapidary expression, telegraphic terseness, and finely tuned sensitivity” (Bookforum). In *On a Day Like This*, Stamm’s unobtrusive observational style allows us to journey with our antihero through his crises of banality, of living in his empty world, and the realization that life is finite—that one must live it, as long as that is possible. Praise for *Unformed Landscape*: “Sensitive and unnerving. . . . An uncommonly intimate work, one that will remind the reader of his or her own lived experience with a greater intensity than many of the books that are published right here at home.” —The New Republic Online “If Albert

Camus had lived in an age when people in remote Norwegian fishing villages had e-mail, he might have written a novel like this.”—The New Yorker “Unformed Landscape has a refreshing purity, a lack of delusion, a lack of hype.”—Los Angeles Times From the Hardcover edition.

**The Bird Is a Raven** Yale University Press

From the preface, in English: "There is seldom any indication as to when the photos were taken. Sometimes there is a name, place or year that is noted but often it's difficult to decipher. But for me that isn't a defect. On the contrary, it provides space for stories to arise in the mind of the viewer. The pictures tell of people and their relationships and when we look at the photos we are all of a sudden on a journey into an unfinished

and unending past that has become present again. And because we can never know the circumstances of the photo, every one of our stories and explanations is as valid as any other."

Geflügelte Worte Popular Press

Is it possible that nearly 3,500 years ago, Moses was given the secret for attracting everything you've ever desired? The Moses Code was first used to create some of the greatest miracles in the history of the world, but then it was hidden away, and only the highest initiates were allowed to practice it. In this book, James F. Twyman reveals the Code for the first time, showing how it can be used to create miracles in your life . . . and in the world. By practicing the principles presented within these pages, you'll discover how you can

integrate the most powerful manifestation tool in the history of the world into your own life. At the very heart of the Moses Code is the true function and practice of the Law of Attraction. You may have been told that this Law is all about "getting" the things you want--things that you think will make your life more satisfying. But what if that's just the first step, and cracking the Moses Code depends more on what you're willing to "give" rather than "get." That would mean that you have the power to create miracles in your life right now! It would also mean that you have the ability, even the responsibility, to use that power for more than just attracting money, a better car, or the perfect relationship. You're here to use the power of Divinity itself to create a world

based on the laws of compassion and peace. That's the task that lies before us.

### *Falling Into Theory* Vintage

This title concerns the different ways in which people use their bodies for self-expression: tattooing, piercing, self-mutilation, which serve both individual and cultural needs.

Ed Hardy's Tattootime Little Brown Uk  
Collecting I Am Groot #1-5. Groot is back - smaller and better than ever! When the Guardians of the Galaxy get caught in a wormhole, a pint-sized Groot finds himself out on his own, billions of light-years away from his team, on an entirely alien and unknown world full of strange creatures and societies. Seriously underdeveloped and with nobody who can understand him, Groot will need to

make the journey to the center of this world if he is to find the way back to his family!

The Face of Fashion Westend Verlag GmbH

On the occasion of the 30th anniversary of our premier publishing effort, *New Tribalism*, the book that detonated the explosive growth of tattooing in the late twentieth century, Hardy Marks Publications is excited to announce the re-release of all five issues of our historic *Tattootime* magazine in one boxed set. Now all five *Tattootimes* - *New Tribalism* (1982), *Tattoo Magic* (1983), *Music & Sea Tattoos* (1984), *Life & Death Tattoos* (1987), and *Art From the Heart* (1991) are here in two beautiful hardbound volumes, enclosed in a sturdy slipcase. All contents are from the first edition of

each original -- subsequent reprints omitted some material. The combined volumes add up to 352 full color pages, plus original covers, and an added 27-page subject and title index to the entire series. *Tattootime* truly changed the world-documents, ideas, and images that have become legendary. Now experience its timeless impact.

Enzyklopädische Phantasien Riva Verlag  
For more than two decades now, cognitive science has been making overtures to literature and literary studies. Only recently, however, cognitive linguistics and poetics seem to be moving towards a more serious and reciprocal type of interdisciplinarity. In coupling cognitive linguistics and poetics, cognitive poetics aim to offer cognitive readings of literary texts and

formulate specific hypotheses concerning the relationship between aesthetic meaning effects and patterns in the cognitive construal and processing of literary texts. One of the basic assumptions of the endeavour is that some of the key topics in poetics (such as the construction of text worlds, characterization, narrative perspective, distancing discourse, etc.) may be fruitfully approached by applying cognitive linguistic concepts and insights (such as embodied cognition, metaphor, mental spaces, iconicity, construction grammar, figure/ground alignment, etc.), in an attempt to support, enrich or adjust 'traditional' poetic analysis. Conversely, the tradition of poetics may support, frame or call into question insights from cognitive linguistics. In

order to capture the goals, gains and gaps of this rapidly growing interdisciplinary field of research, this volume brings together some of the key players and critics of cognitive poetics. The eleven chapters are grouped into four major sections, each dealing with central concerns of the field: (i) the cognitive mechanisms, discursive means and mental products related to narrativity (Semino, Herman, Culpeper); (ii) the different incarnations of the concept of figure in cognitive poetics (Freeman, Steen, Tsur); (iii) the procedures that are meant to express or create discursive attitudes, like humour, irony or distance in general (Antonopoulou and Nikiforidou, Dancygier and Vandelanotte, Giora et al.); and (iv) a critical assessment of the

current state of affairs in cognitive poetics, and more specifically the incorporation of insights from cognitive linguistics as only one of the contributing fields in the interdisciplinary conglomerate of cognitive science (Louwerse and Van Peer, Sternberg). The ensuing dialogue between cognitive and literary partners, as well as between advocates and opponents, is promoted through the use of short response articles included after ten chapters of the volume. Geert Br ne, Katholieke Universiteit Leuven, Belgium; Jeroen Vandaele, University of Oslo, Norway.

**The New York Times: 36 Hours. 125 Weekends in Europe** Simon and Schuster

Es gibt Hoffnung auf Heilung. Frauen sind die wunderbarsten Geschöpfe,

welche die Evolution je hervorgebracht hat und jemals hervorbringen wird. Das Zusammenleben mit Frauen ist wunderbar, unvergleichlich und die reinste Erfüllung – und wird erst in dem Moment eine echte Herausforderung, in welchem eine der zahlreichen Frauenkrankheiten akut wird: Einschnapp-Atmung, Morbus-Kram, Sexytanzdiskrepanz, Bauchweh, Gurkenglasschwäche, Yogurette-Syndrom ... Erstmals in der Geschichte der Medizin wurden all diese speziellen Frauenkrankheiten in einem literarischen Standardwerk zusammengefasst. Um zu informieren, aufzuklären, und um – wo immer möglich – Hilfestellungen zu geben, den Krankheiten vorzubeugen, die Schmerzen der Frauen zu lindern (oder die Schmerzen ihres liebenden

Lebensgefährten). In diesem Sinne ist dieses Buch für alle Menschen bestimmt, die sich in einer Partnerschaft befinden oder jemals befinden werden. Dieses Werk soll Ihnen als Leitfaden dienen und in Anbetracht von Fragen wie: Wie behandle ich Keuschhusten richtig? Was mache ich, wenn es zu einer Schilddrüsenüberfunktion kommt? Wie gefährlich ist die Kuschtierose? Welche Maßnahmen helfen bei auftretender Mittelohrentzündung? Dieses Buch hilft, bei allen Frauenkrankheiten einzugreifen, bevor es zu spät ist!

rediscovery.

**On A Day Like This** Legare Street Press  
They were predicting storms for the end of the day but the sky stayed blue and the wind died down. I went to take a look in the kitchen - make sure things weren't getting clogged up in the bottom of the pot. Everything was just fine. I went out onto the porch armed with a cold beer and stayed there for a while, my face in the sun. It felt good. It had been a week now that I'd been spending my mornings in the sun, squinting like some happy idiot - a week now since I'd met Betty.'  
BETTY BLUE remains a cult book and film nearly twenty years since its first outing. The extraordinary story of an erotic, doomed love affair has transfixed hundreds of thousands of readers around the world.

**New Tribalism** Rodopi

An exploration of the possible love affair  
between Goethe and Anna Amalia
