*Kitty and Dragon* Andrews McMeel Publishing

Follows fifteen-year-old Jeremy Duncan as he tries to enjoy sleeping, eating and dating while putting up with his uncool parents.

*Snoopy's Book of Numbers* Andrews McMeel Publishing

The magical friendship shared by Calvin and his stuffed tiger Hobbes endeared them to millions of fans. In *The Calvin and Hobbes Lazy Sunday Book* their friendship endures in a full-color collection of Sunday cartoons and original art done for the book, all fit for a lazy Sunday afternoon. Whether visiting other planets as Spaceman Spiff, transmogrifying into a dangerous dinosaur, or just hanging around with Hobbes, Calvin's adventures are a showcase for the masterful art of Bill Watterson. The enlarged format of full-color Sunday illustrations provides more room for all the action and imagination inherent in each Calvin and Hobbes cartoon. Readers will delight in pages enlivened with the bright color images of this precocious pair embroiled in all kinds of predicaments.

Watterson engaged readers of all ages with the seemingly endless imagination of Calvin, tempered by the more thoughtful Hobbes. *The Calvin and Hobbes Lazy Sunday Book* provides many lazy Sunday afternoons of smiles and laughter. *Escape from a Video Game* Andrews McMeel Publishing

Diana got hurt—a lot—and she's decided to deal with this fact by purchasing a life-sized robot boyfriend. Mary and La-La host a podcast about a movie no one's ever seen. Kelly has dragged her friend Beth out of her comfort zone—and into a day at the fantasy market that neither of them will forget. *Girl Town* collects the Ignatz Award-winning stories "Radishes" and "Diana's Electric Tongue" together with several other tales of young adulthood and the search for connection. Here are her most acclaimed mini-comics and anthology contributions, enhanced with new colors and joined by brand-new work. Bold, infatuated, wounded, or lost, Nowak's girls shine with life and longing. Their stories—depicted with remarkable charm and insight—capture the spirit of our time.

**I Left the House Today!** Andrews McMeel Publishing

*Book Love* is a gift book of comics tailor-made for tea-sipping, spine-sniffing, book-hoarding bibliophiles. Debbie Tung's comics are humorous and instantly recognizable—making readers laugh while precisely conveying the thoughts and habits of book nerds. *Book Love* is the ideal gift to let a book lover know they're understood and appreciated.

**The Calvin and Hobbes Lazy Sunday Book** Andrews McMeel Publishing

Based on the wildly popular webcomic, *One of Those Days* chronicles the life and love of Yehuda and Maya Devir as they take on the minutiae of marriage, the ups and downs of daily life, and the paradigm shift of new parenthood. "Bursting with life . . . We get to know them through one-panel installments as though they've walked straight into the room, introduced themselves, and moved in."—Kate Beaton, #1 New York Times bestselling author of *Hark! A Vagrant* Yehuda and Maya Devir

began illustrating their life in comics when they moved into their first apartment together in Tel Aviv as newlyweds. In the years since, *One of Those Days* has become one of the biggest webcomics on the Internet, with millions of followers around the world. Yehuda Devir grew up on superhero comic books, and the Devirs' visual style is downright kinetic and bursting with life. In this collection—the first time that the Devirs' comics have been compiled in one volume—they share stories that are heartwarming, hilarious, and universally recognizable. So even for those who don't feel like pulling out an assault rifle to wage war on a kitchen cockroach, the Devirs' challenges and triumphs are instantly familiar to anyone who's had one of those days.

*Herding Cats* Andrews McMeel Publishing

In *If My Dogs Were a Pair of Middle-Aged Men*, Matthew Inman imagines, to hilarious effect, what life would be like if his dogs were a couple of old men running around his house. The result is a pitch-perfect gift for any dog owner.

*Woodstock: Master of Disguise (PEANUTS AMP! Series Book 4)* Dark Horse Comics

Hilarious and relatable comics about one young woman's life, relationships, and day-to-day humorous musings on why it's good to leave the house sometimes—and when it's better to stay home. Cassandra Calin's ability to document the hilarity of relatable everyday events in a series of webcomics has generated a huge following on social media. This beautifully illustrated compendium of first-person comics about the trials of the single life, school, stress, junk food, shaving, and maintaining a healthy self-image. Cassandra Calin's comics frequently highlight the humorous gap between expectations and reality, especially when it comes to appearance and how much she can accomplish in one day. This book is funny, lighthearted, introspective, and artistically stunning—the perfect gift for young women, recent graduates, and anyone who might need a little comedic incentive to leave the house today.

*Scenes from Isolation* Andrews McMeel Publishing

Looking for the perfect way to say I love you to a special someone? From famed cartoonists Lisa Swerling and Ralph Lazar, *Me Without You* features countless cute color illustrations of scenarios that are simply incomplete without two. A uniquely charming gift for Valentine's Day, anniversaries, or just because, readers will find themselves dipping into this beguiling book again and again.

*Teenage Tales* Workman Publishing

The perfect golfing gift: A book that is a complete, working 9-hole miniature golf course, with miniature golf balls and putter included. The first book you can play through. The book that's a true original. Featuring nine themed courses, from pirates to dinosaurs to the classic windmill, *The Miniature Book of Miniature Golf* celebrates the silliness and the golf-for-everyone! attitude of Putt-Putt. Each page in the book is a cleverly designed hole, modeled on real mini golf courses. Tap the ball through the grooves and make sure to avoid the obstacles. Then see if you can get it in the clown's mouth on the last hole. Every hole is par fun.

*Haru's Curse* Andrews Mcmeel+ORM

Dana Simpson's Phoebe and Her Unicorn is back with more sparkles than ever! In this fourth volume,

join in the adventure as Phoebe and Marigold confront messy rooms, trouble at school, and a nasty case of “Sparkle Fever.” Follow the pair back to Camp Wolfgang, where their old pals Sue (a.k.a. “Monster Girl”) and Ringo, the lake creature, remind them that being weird is WAY more fun than being normal.

*Pow!* Andrews McMeel Publishing

Woodstock might be the smallest of all the Peanuts gang, but he’s got a lot to say, even if Snoopy is the only one who understands him. That’s because Snoopy is Woodstock’s “Friend of Friends,” and together they write masterpieces, fly airplanes, find the perfect place to nap, and win over the hearts of readers all over the world. Whether he’s falling in love with a snowflake or crash-landing on the tip of Snoopy’s nose, Woodstock is the little yellow bird with a big personality. It takes more than a strong wind to ruffle Woodstock’s feathers, although it’s a good thing he has Snoopy to keep his little yellow feet on the ground. Don’t miss out on the newest AMP! Peanuts collection featuring Woodstock, the most recognizable yellow bird in the world—even in disguise! Charles Schulz’s Peanuts is one of the most timeless and beloved comic strips ever. Now AMP! is carrying on that legacy with new collections of Peanuts classics for middle-grade readers. First published in 1950, the classic Peanuts strip now appears in more than 2,200 newspapers in 75 countries in 25 languages. Phrases such as “security blanket” and “good grief,” which originated in the Peanuts world, are now part of the global vernacular, and images of Charles Schulz’s classic characters—Charlie Brown kicking the football, Lucy leaning over Schroeder’s piano—are now universally recognized. Together these books will introduce a new generation of kids to the lovable cast in time for the new animated Peanuts movie, which hits theaters in 2015!

**Little Moments of Love** Peanuts Kids

GOODREADS CHOICE AWARD WINNER FOR GRAPHIC NOVELS AND COMICS! These casually drawn, perfectly on-point comics by the hugely popular young artist Sarah Andersen are for the rest of us. They document the wasting of entire beautiful weekends on the internet, the unbearable agony of holding hands on the street with a gorgeous guy, and dreaming all day of getting home and back into pajamas. In other words, the horrors and awkwardnesses of young modern life. Oh and they are totally not autobiographical. At all. *Adulthood Is a Myth* presents many fan favorites plus dozens of all-new comics exclusive to this book. Sarah’s frankness on personal issues like body image, self-consciousness, introversion, relationships, and the frequency of bra-washing makes her comics highly relatable and deeply hilarious, showcasing how she became one of the most influential voices in web cartoonists.

*The Miniature Book of Miniature Golf* Andrews McMeel Publishing

Why bother getting out of bed when you could stay bundled up with that special someone and a book of cozy, cute comics. From the author of the bestselling *Little Moments of Love* comes #1 New York Times bestseller *Snug*, a collection of comics that perfectly captures the honest, playful, and relatable snapshots of romantic life. *Chetwynd*’s second book has the same charming and inviting style as her first and includes 50 percent new, never-before-shared comics. *Snug* is a celebration of the quirks and peculiarities of every one of us—and the magic that happens when we find our matching puzzle piece.

*Flying at Night* Andrews McMeel Publishing

Book seven in the Phoebe and Her Unicorn series! NEW YORK TIMES BESTSELLING AUTHOR! Marigold Heavenly Nostrils is no ordinary unicorn. She has Wi-Fi-enabled appendages. She’s the most enchanted babysitter of all time. She’s published numerous scholarly articles on the “shimmering” versus “glimmering” debate. She is, in short, a unicorn of many hats. Phoebe and her exceptional hooved pal are back in this all-new collection of comics! Laugh alongside the lovable duo as they question the idea of “coolness,” gain a deeper appreciation for the power of friendship, and put off summer reading assignments for as long as physically possible.

**Me without You** Penguin

Life is never boring when your best friend is a unicorn! The latest installment in this bestselling series is full of mischief, magic and adventure — as well as an important reminder to always stay true to yourself. School’s out, so Phoebe and her unicorn best friend, Marigold Heavenly Nostrils, have the entire summer to play games, visit the pool, and even go camping. Unicorn horns are excellent utensils for roasting things over the campfire, too, even if Marigold prefers toasted apples to s’mores. While exploring in the woods, Phoebe and friends meet a unicorn named Alabaster, who uses a special video game console that’s powered by plants. Throughout her summer adventures, Phoebe learns that being cool isn’t all it’s cracked up to be, and that it’s much better to be your true self. It’s all part of the unforgettable experience of *Camping with Unicorns*.

*You Are Home* Andrews McMeel Publishing

Isolation commiserations from the creator of the iconic “Cathy” comic strip, Cathy Guisewite! We’re all in this together...but it helps to see someone else with her face planted in the bowl of mashed potatoes. In the same way that Cathy was a relatable friend during the comic strip years, she’s returned to offer some happy relief, support, and a much-needed AACK from isolation. This little book is a compassionate companion for right now and, long after the pandemic is over, will be a treasured scrapbook of what we survived—the fear of droplets, the work-from-refrigerator wear, the revenge retail therapy of online shopping, the frustration of trying to teach Grandma to Zoom from 3,000 miles away, the little shreds of hope mixed in with the sourdough bread dough. From the introduction: I’ve worn the same pair of sweatpants for fourteen months. I’ve binge watched, binge eaten, binge shopped, binge prayed. I’ve Zoomed. Streamed. Screamed. Googled how to get hot fudge out of a duvet cover. Googled how to chop my insulting blue jeans into face masks. Googled how to permanently delete my Google search history. I’ve meditated, looked within and asked the big questions: “If no one’s allowed in my house for months, what’s the point of vacuuming?”

*Snoopy: Party Animal* Andrews McMeel Publishing

Eddie Robson’s *Drunk on All Your Strange New Words* is a locked room mystery in a near future world of politics and alien diplomacy. Lydia works as translator for the Logi cultural attaché to Earth. They work well together, even if the act of translating his thoughts into English makes her somewhat wobbly on her feet. She’s not the agency’s best translator, but what else is she going to do? She has no qualifications, and no discernible talent in any other field. So when tragedy strikes, and Lydia finds herself at the center of an intergalactic incident, her future employment prospects look dire—that is, if she can keep herself out of jail! But Lydia soon discovers that help can appear from the most unexpected source... At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sarah Andersen's hugely popular, world-famous Sarah's Scribbles comics are for those of us who boast bookstore-ready bodies and Netflix-ready hair, who are always down for all-night reading-in-bed parties and extremely exclusive after-hour one-person music festivals. In addition to the most recent Sarah's Scribbles fan favorites and dozens of all-new comics, this volume contains illustrated personal essays on Sarah's real-life experiences with anxiety, career, relationships and other adulthood challenges that will remind readers of Allie Brosh's *Hyperbole and a Half* and Jenny Lawson's *Let's Pretend This Never Happened*. The same uniquely frank, real, yet humorous and uplifting tone that makes Sarah's Scribbles so relatable blooms beautifully in this new longer form.

In Love & Pajamas IDW Publishing

After the funeral, Natsumi reluctantly agrees to date her sister's fiancé Togo. But as their relationship develops with the passing seasons, Haru's memory lingers over them like a curse. Asuka Konishi's English-language debut is a nuanced and affecting portrait of the conflict between romantic and familial love, and of the hard choices that face us all in making our lives our own.

The Mrs. Frollein Collection Chronicle Books

One year has passed since Phoebe skipped a rock across a pond, accidentally hit a unicorn in the

face, and was granted a single wish—which she used to make the unicorn, Marigold Heavenly Nostrils, her obligational best friend. In some ways, not much has changed. At school Phoebe still clashes with her rival--and sometimes “frenemy”--he ever-taunting and imperious Dakota. Outside of school, she still fills her free time with extra-credit homework assignments, dramatic monologues about the injustices associated with school cliques, and imaginative conspiracy theories regarding global forces like the “powerful construction paper lobby.” But unlike before, Phoebe now has a best friend to share it with—someone to make her laugh and to listen to all her extravagant ideas. In this second volume of Dana Simpson's *Phoebe and Her Unicorn* series, titled, *Unicorn on a Roll*, the reader is invited on a journey into the lives of Phoebe and Marigold as they navigate the difficulties of grade school, celebrate the winter holidays, and explore their super hero/super villain personas together. Join in the fun, as Phoebe competes against Dakota for the leading role of “Lisa Ladybug” in their fourth-grade play—or as she struggles to “manage” the PR debacle related to her nose-picking-scandal. (“I will neither confirm nor deny the events surrounding Boogergate.”) Witness a band of unicorns staging an “intervention” and learn all the details of Marigold's secret crush on a mysterious creature she has never seen. Perhaps most important, watch as this surprising friendship between a charming, nine-year-old dreamer and a vain, mythical beast forever changes both of them for the better.
